

MINUTES OF THE BOARD OF ALDERMEN / COMMUNITY LAND AND RECREATION
BOARD JOINT WORK SESSION OF FEBRUARY 9, 2022

Page 1 of 2

1. GENERAL AGENDA

Mayor Nanette K. Johnston opened the work session at 5:37 p.m. on February 9, 2022, at City Hall, 8880 Clark Avenue, Parkville, Missouri. In attendance were aldermen Robert Lock (via videoconference), Marc Sportsman (via videoconference), Greg Plumb, Tina Welch, Brian T. Whitley, Douglas Wylie and Philip Wassmer. Community Land and Recreation Board members in attendance were Neil Davidson, Laura Ozenberger (via videoconference), Adam Zink, Steven Sturgess, Bob Stuteville, Linda Arnold, Michelle Flamm (via videoconference) and Dana Laiben (via videoconference).

The following staff was also present:

Joe Parente, City Administrator (via videoconference)

Jon Jordan, Police Captain

Alysen Abel, Public Works Director

Stephen Lachky, Community Development Director

Matthew Chapman, Finance/Human Resources Director

Chris Ashley, Public Works Project Manager

Jeffery Rhodes, Assistant to the City Administrator

Bonnie Buckmaster, Public Works Department Assistant

A. Review Results of Platte Landing Park Survey

Public Works Director Alysen Abel provided an overview of the upcoming meetings planned. Laurie Brown, Vireo, provided an overview of the survey results; presentation attached as Exhibit A. Discussion focused on the Platte County grant and what would happen if the plans were revised, hiring a parks director, traffic concerns, adding more restrooms and the one-lane bridge.

Dave Menenga, George Butler Associates, provided an overview of the traffic data collected, noting that three rounds of data were collected and it was hard to collect meaningful data because of COVID. The footprint of the project area was expanded to add areas downtown. Menenga added that GBA was looking at options to improve the traffic flow, including relocating stop signs, and the traffic numbers would be adjusted once the Board determined which improvements it wanted to make to Platte Landing Park.

Further discussion focused on the traffic issues from downtown into the park, options for the one-lane bridge, pedestrian traffic across Rush Creek and the addition of a signal at the bridge to alternate traffic to reduce the chance of accidents. Abel said the next steps were to get the new city administrator up to speed on the project, hire a parks director and for the Board of Aldermen to set priorities at the strategic planning session in the fall.

2. ADJOURN

The work session ended at 6:51 p.m.

What is your Vision for Platte Landing Park?

What's Happening
On April 2, 2019, Parkville residents passed Proposition R, a 1/2 cent sales tax that is dedicated to the improvement of park and recreation facilities in Parkville. The City also received a \$1 million Platte County Parks and Recreation Partnership Grant to fund construction.

We want to hear from you!
As a part of this effort, the City identified the need to develop a new vision for this area of Platte Landing Park. Input from all residents is important and the City wants to hear from you! Take the survey to share your thoughts. Input gathered from the survey will be used to develop initial design concepts for this area of the park.
