

COMMUNITY LAND AND RECREATION BOARD

Regular Meeting (#24-10) Agenda
CITY OF PARKVILLE, MISSOURI
Wednesday, November 13, 2024 6:00 PM
City Hall Board Room

1. CALL TO ORDER

- A. Adam Zink
Linda Arnold
Michelle Flamm
Steven Sturgess
Dana Laiben
Amanda Blackwood
Nathan Askren
Mary Jane Kuehn
Jessica Holtz
Phillip Wassmer (Liaison)

2. CONSENT AGENDA

- A. Approve the minutes for the October 16, 2024 regular meeting

3. NON-ACTION AGENDA

- A. Quarterly Budget Update
- B. Presentation: Permeable Pavement Presented by Jim Schuessler, Green Infrastructure & Stormwater Specialist

4. ACTION AGENDA

- A. Recommend Memorial Bench Policy and Guidelines

5. STAFF UPDATES ON ACTIVITIES

- A. Parks Maintenance
- B. Nature Sanctuary
- C. Parks and Recreation Projects
- D. Special Events

6. MISCELLANEOUS ITEMS FROM THE BOARD

7. ADJOURN

Posted Date & Time: 11/12/2024 3:24pm

By: Brittanie Propes

COMMUNITY LAND AND RECREATION BOARD

Regular Meeting (#24-09)

MINUTES

CITY OF PARKVILLE, MISSOURI

Wednesday, October 16, 2024 6:00 PM

City Hall Board Room

1. CALL TO ORDER

The meeting was called to order on October 16, 2024. Roll was called by Bonnie Buckmaster, Public Works Department Assistant.

Members present were:

Adam Zink
Michelle Flamm
Linda Arnold - *Arrived at 6:09 p.m.*
Steven Sturgess
Dana Laiben
Nate Askren
Amanda Blackwood

Absent with prior notice were:

Mary Jane Kuehn
Jessica Holtz

Phil Wassmer (Liaison)

A quorum of the Board was present.

Brittanie Propes, Parks & Recreation Director; Chris Ashley, Project Manager; and Bonnie Buckmaster, Public Works Assistant, were present on behalf of the City.

- A. Adam Zink
Linda Arnold
Michelle Flamm
Steven Sturgess
Dana Laiben
Amanda Blackwood
Nathan Askren
Mary Jane Kuehn
Jessica Holtz
Phillip Wassmer (Liaison)

2. CONSENT AGENDA

- A. Approve the minutes for the September 11, 2024 regular meeting
ACTION: Nate Askren moved to approve the September 11, 2024 regular minutes. Michelle Flamm seconded.
RESULT: Motion Passed: 6-0.

3. ACTION AGENDA

A. Tree Trimming and Hazardous Tree Removal at English Landing Park and Platte Landing Park

Brittanie Propes, Parks and Recreation Director, presented a quote for tree trimming and hazardous tree removal at English Landing and Platte Landing Park from the City's on-call certified arborist, Urban Tree Specialists, for the amount of \$11,300 for approval.

ACTION: Michelle Flamm moved to approve the trimming and removal of the identified hazardous trees at Platte Landing Park and English Landing Park for a total of \$11,300. Dana Laiben seconded.

RESULT: Motion Passed: 6-0.

4. **STAFF UPDATES ON ACTIVITIES**

Brittanie Propes, Parks and Recreation Director, shared photos of some park projects that she was able to see when attending the National Recreation and Parks Conference. Brittanie thanked CLARB and City Administrator Alexa Barton for allowing her to go to these conferences to gain information to incorporate some of the ideas in the city parks.

A. Parks Maintenance Report

This report was included in the CLARB packet.

B. Nature Sanctuary

This report was included in the CLARB packet.

C. Parks Project Updates

The Parks report was included in the CLARB packet.

Veterans Memorial

- Chair Adam Zink asked staff to send CLARB an invitation to the Veterans Memorial ribbon cutting ceremony to be held on November 7th at 4:00 p.m.
- Member Michelle Flamm asked if the city would be maintaining the memorial and when the flags are to be at half staff, who would be doing this. Brittanie said that the American Legion would be lowering the flags and that the city entered into a maintenance agreement with the veterans.

Staff will be sending out a request for bid for land management in 2025 to contract crews to help with controlled burns and native plantings along with other land management practices. There will be more to come about this.

D. Special Events

The Special Events List was included in the CLARB packet and is listed on the City website.

5. **MISCELLANEOUS ITEMS FROM THE BOARD**

Carla Dods, 5308 Bluff Way, approached the CLARB and asked staff to protect drinking water if staff were looking to put parking near the MOAW wells. CLARB thanked Carla for her comment.

6. ADJOURN

ACTION: Michelle Flamm moved to adjourn the regular meeting at 6:40 p.m.
Nate Askren seconded.

RESULT: Motion Passed: 7-0.

The minutes for October 16, 2024, having been read and considered by the Community Land and Recreation Board, were approved on the 13th day of November 2024.

Bonnie Buckmaster, Public Works Assistant

Permeable Pavers

Permeable Pavement Benefits

1. STORMWATER

- **Reduced Runoff:** Minimizes surface water and prevents flooding.
- **Prevents Erosion:** Slows down water flow, protecting soil.
- **Improved Drainage:** Reduces pressure on municipal drainage systems

2. ENVIRONMENTAL BENEFITS

- **Groundwater Recharge:** Allows rainwater to naturally filter into the soil.
- **Pollution Filtration:** Traps pollutants, resulting in cleaner groundwater.
- **Heat Island Effect Reduction:** Keeps surfaces cooler in urban areas

Permeable Pavement Benefits

3. COST SAVINGS

- **Lower Infrastructure Costs:** Reduces the need for extensive drainage systems.
- **Easy Maintenance:** Damaged pavers can be replaced individually, reducing repair costs

4. AESTHETIC and DESIGN FLEXIBILITY

- Wide range of styles, colors, and shapes.
- Enhances the visual appeal of outdoor spaces.
- Complements natural surroundings

Permeable Pavement Benefits

5. DURABILITY and LONGEVITY

- **Freeze-Thaw Resistant:** Minimizes damage from freezing conditions.
- **Supports Heavy Loads:** Suitable for driveways, parking lots, and high-traffic areas

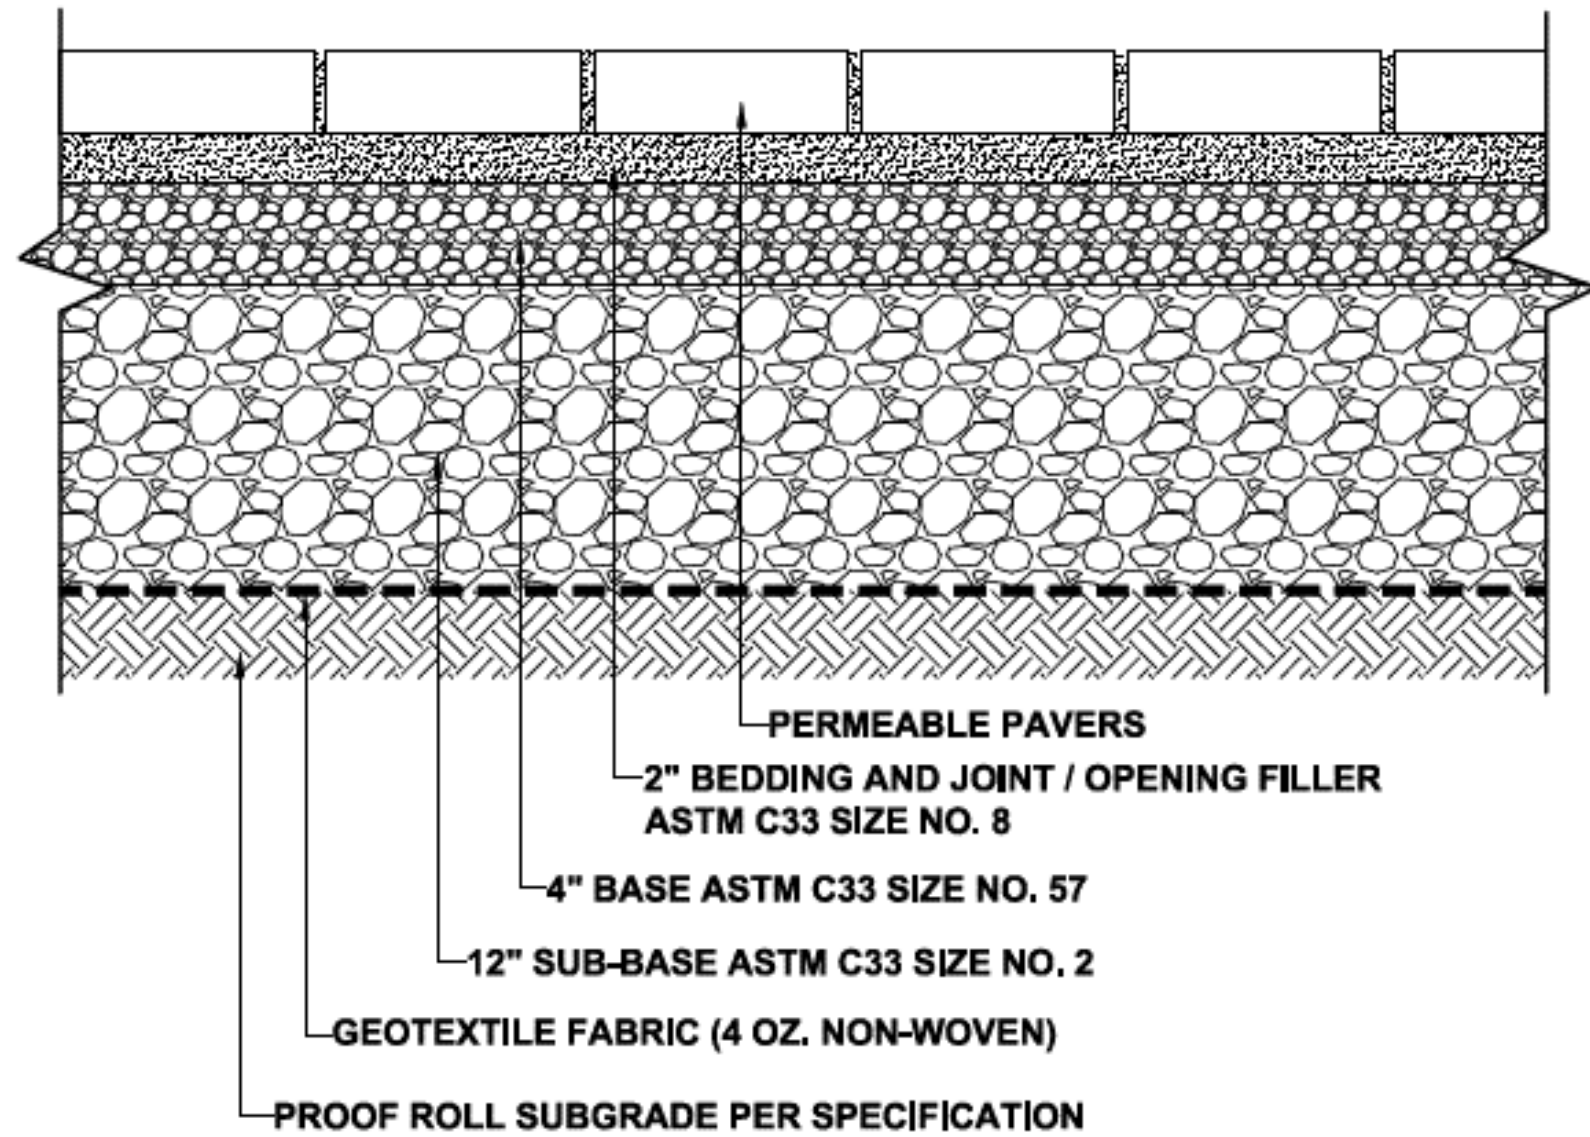

6. IMPROVED SAFETY

- Reduces puddles and slip hazards.
- Promotes faster snow and ice melt.

Estimated To Be \$0.02 - 0.03 p/sf

Remedial Maintenance

Estimated To Be \$0.20 - 0.60 p/sf

Playground Safety Surfacing

Some Lessons Learned

1. Uses

+ Applications of Permeable Pavers

- **Residential:** Driveways, walkways, patios
- **Commercial:** Parking lots, pathways
- **Public Spaces:** Parks, plazas
- **Gardens:** Enhances landscaping with better drainage

- NOT

- **High-Traffic, Heavy Load Areas:** Trash trucks
- **Steep Slopes:** Greater than 3%
- **Areas with High Levels of Debris or Sediment**
- **Hazardous Spill Zones:** Like gas stations and industrial areas
- **Limited Sun Exposure:** Can reduce its effectiveness
- **Stairs:** Need gravel / porous subgrade

2. Industry Standards

3. What is the Slope?

Slope decreases the infiltration rate

4. Size Matters

Photo courtesy of Dr. Heather Brown, Middle Tennessee State University

5. Prevent Clogging During Construction

No Construction Runoff
No Construction Traffic

6. Aim for 50/50 Mix of Pervious to Impervious

Photos courtesy of Scott Erikson, Evolution Paving, Portland, OR

Shown:
Nearly 15,000 SF Impervious
2,900 SF Pervious Concrete (with No back up or overflow)

7. Design to Protect from Sediment

Swale Protection

Barrier curb
with grade
separation

Isolate
sediment
sources

My Summary

Does the Pavement Needs to be Permeable

- How permeable?
- For how long?
- How much water is it accepting?
- How dirty is the stormwater?
- What is the slope?

My Summary

- Permeable pavers offer a sustainable, cost-effective, and visually appealing solution for modern construction projects.
- Ideal for both residential, commercial and park applications, especially in areas with heavy rainfall
- They can work in floodplain areas

GBA

Would love the opportunity to work with you on your next project!

CITY OF PARKVILLE
Policy Report

Date: November 12, 2024

Prepared By:
Brittanie Propes, Parks & Recreation Director

Reviewed By:
Brittanie Propes, Parks & Recreation Director

ISSUE:
Recommend Memorial Bench Policy and Guidelines

BACKGROUND:
The City of Parkville Schedule of Fees was updated in 2024 to include a fee for standard memorial benches of \$5,500. This supporting policy will provide an outline of the guidelines and timelines for memorial benches throughout Parkville Parks and Trails.

BUDGET IMPACT:
There is no known budget impact based on this policy.

- ALTERNATIVES:
1. Approve the item.
 2. Approve the item, subject to changes.
 3. Do not approve the item.
 4. Postpone the item.

STAFF RECOMMENDATION:
Staff recommends approving the Parks and Recreation Memorial Bench Policy and Guidelines

POLICY:
Per Parkville Municipal Code Chapter 150, CLARB acts in an advisory capacity to the Board of Aldermen. Its recommendations must be approved by the Board of Aldermen.

SUGGESTED MOTION:
I move to approve a policy for Memorial Benches to be installed for a term of _ years with a right of first refusal and a renewal cost of \$_.

Summary

The following Parks-related activities took place during October 2024:

- Dog Park Closure for dog fountain install
- Cruise Night Setup and Removal
- KC Symphony in ELP
- Planted additional trees to replace dead MAW trees at MAW wells
- Red Oak planted at kids playground
- Wood cut for replacement benches at PNS
- Watering trees with dry conditions persistent.
- PNS – wood purchase for replacements
- Travis & Tom attended Arborist Training at KSU.
- Parkville Clean up Sat & Mon. Parks staff assisted.
- Dog Park closure for dog fountain install
- Trees pruned in dog park during closure & maintenance work performed
- Boat ramp drinking fountain installed
- Dirt added, packed and graded to dog digs at shelter houses.
- Tree pruning ongoing.
- Stump grinding done in ELP/PLP – 87 stumps grinded down.
- Trees / Plants water schedule re-stated. MWF Dry/Hot conditions
- Gateway Tree fell. Parks Dept. removed from sidewalk / trunk removed Urban Tree.
- Mulching of trees – ongoing
- Tree guards added to trees, deer rutting causing damage to tree trunks, primarily to Bald Cypress trees.
- Old utility trailer taken to auction site.
- 300 hour service performed on John Deere Gator
- Pumpkin gutting party at West Shelter House

- Ghost Stories prep – picnic tables taken to PNS
- Ghost Stories – staff assisted. Approximate attendance 2,000-2,500
- Ghost Stories – cleanup and picnic tables returned
- 1 ton dump truck taken for repairs, oldest truck in fleet, cost estimate \$6000
- High winds, branches down in ELP, no major tree damage during assessment.
- Farmer's Market season over, barricades returned to headquarters.
- Ball Fields groomed weekly
- ROW Mowing, ELP, PLP, Small Parks mowed as needed with drought conditions.
- Restrooms cleaned & stocked- ongoing/ air freshener batteries replaced.
- Dog stations stocked regularly.

Project Updates

1. **PLP Wetlands** – The city serves as a local project sponsor with the project led and contracted out by the US Army Corps of Engineers (Corps). [Funding via Section 1135](#) for construction of a Wetland Project in Platte Landing Park, includes:

Project History in previous packets

Updates

- Staff continued discussions with Missouri Department of Conservation to determine next steps. Staff had a site visit with MDC in early November.
- In January staff met with the Army Corps of Engineers to begin discussions about how we can move forward with repairs for the Wetlands.
- Staff received the new appraisal for Platte Landing Park.
- *Site visited with USACE at the end of April. This was the first step in discussing plans for the Wetland Reset/Liner Installation.*
- Conversations have continued with USACE to determine local soil that is available from developers that may be used for the clay liner. USACE has been conducting soil testing on development sites
- On July 5, 2023 USACE soil engineers began sampling areas near the Wetlands and areas in Platte Landing Park to test for compatible clay to be used for the liner.
- The USACE will provide the City with an update on their findings and a recommended plan to move forward later this summer.
- On August 1, 2023 Leigh Mitchell, USACE Project Manager, attended a joint Work Session with the BOA and CLARB to present their recommended approach to the restoration of the Wetlands project.

- The last few months have included funding acquisition, geotechnical assessment, and project scoping.
- Within the next 1-2 weeks the area will be mowed to allow construction and staging, including delivery of materials.
- Over the next 2-4 months the USACE plan to complete the necessary earthwork.
- The City and the USACE will continue discussions regarding the vegetation management and potential water sources. That work is anticipated to be done in Spring 2024.
- Staff mowed roughly 80 acres at PLP to prepare for the earthwork.
- The USACE began construction and have been moving dirt since the end of August. No other significant updates to report.
- The USACE experience delays getting the bentonite but progress continues. Parks Staff and USACE have a site visit scheduled to review progress the week of October 23rd.
- The USACE attended the November 21st meeting to present options for a water well and energy source. This presentation will be shared at the November 29th CLARB meeting.
- 500 Tons of bentonite has arrived on site. Workers are currently grading the surrounding area so it will slope (and drain) into the wetland ponds. The next steps will be to install the bentonite and then top soil to sustain the future vegetation.
- The South Wetland pool is completely finished. The USACE is still lining the north pool with bentonite. Once all of the bentonite is added to the pool, the USACE will grade Platte Landing Park to restore the construction area.
- The USACE will presented an update and a vegetation plan for CLARB and the BOA at a joint work session on April 16th at 6pm.
- The windmill for the south well has been secured and will be delivered and installed this summer.
- Staff is meeting on site with the ERDC vegetation experts on Friday, May 10, 2024 to discuss vegetation plans for this summer and planting plans
- **Windmill installed and inspected**
- **Great Plains Windmill Company hosted on-site tutorial with parks staff**
- **USACE and ERDC began work on invasive species removal**
- **ERDC hosted on-site staff training for invasive species control**
- **ERDC planted the aquatics plant species. Parks Staff worked alongside ERDC and assisted with the plantings.**
- **USACE and ERDC will continue monitoring the invasive species**
- **USACE installed additional native plantings in and around the wetlands**
- **USACE met on site to inspect and test the Wetlands Pump with Parks Staff**
- **ERDC scheduled a follow-up invasive species work day with Parks Staff on August 14, 2024**
- **Three work days have been held with Parks staff and ERDC**
- **ERDC and USACE are continuing maintenance and management of the pools and vegetation through Fall of 2025**
- **Staff is mowing a 2 foot easement on both sides of the trails through the Wetlands**
- **The first educational field trip at the Wetlands is scheduled for November 2024**
- *STATUS – IN PROGRESS.*

2. Wetlands Educational Areas

- This scope of this project is to add stone slab benches and informational signage in the two pedestrian cul-de-sac areas of the Wetlands. This project was first started in 2020 but was later suspended when the water retention problem began.
- January 2, 2024: Staff met on site to determine the possible locations for (6) stone slab benches and (3) informational signs in each of the cul-de-sacs.
- Staff is currently obtaining quotes from multiple vendors for both items.
- Staff has ordered the frames for the informational kiosks and is currently working on the artwork and text for the signage.

- Staff has decided to put the stone bench order on hold for approximately (2) months, until the Corp of Engineers finishes up work on the site.
- April 19, 2024: Informational kiosk frames were delivered.
- Staff is continuing to work on the information and graphics for the signs themselves.
- Stone bench slabs have been ordered. It is anticipated they will be delivered by the end of May 2024.
- **Bench blocks installed on 6/7/24**
- **Moving forward with interpretive signage**
- **Signage locations for interpretive signs and directional signs have been verified**
- **Waiting on final sign design**
- *STATUS – IN PROGRESS*

3. Farmers Market

Full Project History in previous packets

Updates

- Staff participated in a joint work session with the Board of Aldermen and members of CLARB on September 5th, 2023. The following items were agreed upon:
 - The City will engage BBN to modify their cost estimate to focus on previous version B1, a timber-framed structure similar to the original, with a larger column bay and potential for future phases.
 - The City will formally withdraw from our previously awarded Partnership Grant for the Platte Landing Park ballfields.
 - The City will start a new Partnership Grant application for the new Farmers Market structure.
- October 16, 2023: The City submitted for a new Platte County Partnership Grant in the amount of \$1M for a new Farmers Market structure. The previously awarded grant for the Platte Landing Park Recreation Fields was returned by the City.
- November 14, 2023: Staff will verbally present our grant application to the Platte County Partnership Grant Committee as a part of their approval process.
- Staff and BBN will return to the Board of Aldermen with updated renderings and cost estimate.
- The Platte County Parks Board voted to recommend the full amount of \$1,000,000 to the Farmers Market Project by a vote of 4-1. The Platte County Commissioners will now vote on the Partnership Grant applications on Monday, December 4th.
- December 4, 2023: The Platte County Parks Board formally awarded the City of Parkville the \$1M grant request.
- BBN put together a scope of work for the upcoming design phase.
- April 2, 2024: The agreement with BBN for final design documents and construction documents was approved.
- April 30, 2024: BBN met with CLARB and BOA input at the joint work session on April 30th at 5:30pm. The Work Session included a presentation of preliminary plans, discussion regarding the difference in price for a basic structure vs. a basic structure that has the ability to add additional amenities in the future, BBN's opinion of the structure's anticipated life expectancy so the governing body can have a sense of how soon the potential enhancements would need to be implemented, and direction for BBN to move forward with design plans.
- April 30, 2024: Joint CLARB/Board of Aldermen work session. BBN presented the latest open and future enclosed design schemes. It was decided to add approval of the design schemes to the May 7, 2024 Board meeting agenda for a formal vote.
- Electrical FEMA-related issues resolved
- Signage dimensions from existing building sent to BBN
- Site survey to be completed week or July 8th
- Staff anticipates meeting with BBN week of July 22 for a 95% construction document review meeting
- Construction documents will be submitted for BOA/CLARB review
- Joint CLARB and BOA Work Session was held to review construction documents on August 20, 2024
- Staff reviewed construction documents of minor changes with BBN Architectures on September 9, 2024

- Details related to traffic control and stormwater run-off are being discussed with RIC to coordinate the adjacent streambank stabilization project
- October 2, 2024: Project put out to bid
- October 10, 2024: Pre-bid Meeting with potential contractors
- October 23, 2024: Bid opening
- November 4, 2024: Staff conducted an interviews to discuss the project scope of work and contractors experience with similar projects. Staff checked contractor references.
- November 19, 2024: Staff will be recommending to the Board of Aldermen that the City move forward with a construction contract for the project.
- STATUS – IN PROGRESS.

4. **Gateway Park (9 HWY and NW 62nd Street)**

- October 14, 2022: Staff met with residents of the Pinecrest neighborhood to discuss their goals for the project:
 - Bench seating in the shade
 - Drinking fountain
 - Landscaping
 - Direct pedestrian access to the Hwy 9 trail
 - Possible parking with access via the yet-to-be developed site directly to the south
- Staff is in the process of evaluating fee proposals from landscape architects to develop some conceptual designs for this project.
- Staff is in the process of evaluating fee proposals from surveyors.
- McClure Engineering has been selected to design the project.
- January 5, 2023: Staff will meet with their project manager on site to kick-off the project.
- RL Buford has been selected to do the survey work. They anticipate being on site the first week of January, 2023.
- Staff submitted the Platte County Outreach Grant.
- February 21, 2023: Staff presented the project, in person, to the Platte Landing Outreach Grant committee.
- The Committee indicated that the grant award announcements would be made around the 3rd week of March, 2023.
- The City of Parkville was awarded \$34,000 for the Platte County Outreach Grant for Gateway Park.
- Staff and Gateway Park committee met on April 3rd to discuss next steps in the planning and design of the park.
- Staff is working with McClure Engineering on construction documents for the park. It is estimated that the project will go out for bidding around the middle of August.
- Staff is preparing to put the project out to bid by September 12, 2023.
- The Bid opening for the Gateway Park project occurred on October 3, 2023.
- Staff is preparing contract documents for the contractor to proceed. Work is anticipated to start later this fall.
- October 3, 2023: At Bid Opening, (2) bids were received. J. Richardson Construction was the low bidder.
- J. Richardson's contract has been approved by the Finance Committee and the Board of Aldermen. Staff is waiting for the Contractor's insurance documents.
- February 14, 2024: Construction has begun and should take approximately (4) weeks to complete.
- March 7, 2024: Work on first phase is complete with the exception of the utility attachments. Staff will be seeking quotes to replace the remainder of the gravel trail with concrete, adding a retaining wall behind the Pinecrest Monument and adding landscaping material.
- Contract being drawn up with McClure Engineering for Phase 2 work (additional concrete sidewalk and culvert piping).
- Contract drawings to be completed by mid-May, 2024. Staff will then solicit bids for this work.
- Construction duration estimated to be from June 1 – June 30, 2024.
- (3) quotes being solicited for delivery and spreading of additional top soil.
- (3) quotes being solicited for landscaping.
- (3) quotes being solicited for hydro-seeding.

- Mo. American Water to tap into main and connect drinking fountain. They are currently waiting for a Right-of-Way permit from MODOT (est. start date unknown).
- Waiting for installation of electric meter and final connection of decorative pole light
- Waste container, bike rack and bike fix-it station have been ordered.
- By the Blade Landscaping completed the culvert and the final phase of the sidewalk
- By the Blade Landscaping installed the landscaping and hardscaping in July
- Additional backfill dirt was added to the lower level of the park
- Hydroseeding will follow the landscaping, weather dependent
- Staff has been treating and removing Johnson Grass
- Staff has been watering new plants 2-3 times per week
- Northland Erosion Control has hydroseeded and has been contracted to do watering
- A ribbon cutting is being coordinated with the Pinecrest neighbors tentatively this Fall
- 10/13/24: Tree fell over onto stairs. Staff has removed limbs from stairs. Urban Trees has been scheduled to remove remainder of tree.
- **Tree has been removed.**
- **(2) new curvilinear benches should be delivered within the next 30 days. They will be located either side of the existing lamp post.**
- **Staff will be installing bike rack and fix-it station within the next (2) weeks.**
- *STATUS – IN PROGRESS*

5. A-Truss Bridge Sidewalk and PLP Dumpster Pad/Enclosure

- October 3, 2023: At Bid Opening, (5) bids were received. J. Richardson Construction was the low bidder.
- J. Richardson's contract has been approved by the Finance Committee and the Board of Aldermen. Staff is waiting for the Contractor's insurance documents.
- Anticipated start of construction is the week after Thanksgiving.
- Project was completed last month.
- *STATUS – COMPLETED*

6. Parks & Recreation Master Plan

- Staff has begun the process of developing a Request for Proposal (RFP) to issue for the update of our Parks Master Plan.
- The RFP and timeline has been established and will be posted in Mid-July.
- Due to lack of responses, the RFP was re-posted in September.
- Once the Parks Master Plan consultant is hired, staff will integrate the Survey consultant and the Master Plan consultant to determine a plan for community engagement and presenting information at an upcoming CLARB meeting. The timeline will be posted on the City website.
- The Master Plan Pre-Proposal Conference was held on October 4, 2023. Thirteen (13) people attended the pre-proposal meeting, staff is optimistic about receiving responses.
- RFP Responses are due November 1, 2023
- Selection Committee will review proposals the week of November 6th
- The November CLARB meeting is being moved to November 15 to provide enough time to review and recommend a consultant for the Master Plan.
- The agreement to hire a Master Planning consultant firm will be on the November 27th Finance Agenda and the December 5th Board of Aldermen agenda.
- After a consultant is selected, staff and the consulting firm will put together a schedule of milestones for the Master Plan process and public input.
- November 1, 2023: (5) Master Planning proposals were received from consultants.
- November 9, 2023: The Selection Committee met to review the (5) proposals. The Committee narrowed the field down to (3) finalists. The Committee will set up a Question and Answer ZOOM meeting early in the week of

November 13, 2023 with each of the remaining consultants to help with the selection of a finalist.

- November 29, 2023: Final consultant recommendation will be presented at the CLARB Meeting.
- December 19, 2023: The Selection of SWT was approved by the Board of Aldermen.
- January 29, 2023: Steering Committee Kick-off Meeting. SWT re-introduced their team members and discussed their master planning process, starting with community engagement. Staff and CLARB members identified what they hoped to get out of the Master Planning Process. Issues identified are traffic congestion, lack of parking, general growing pains. Next steps are assessing park inventory (walking the park with staff, identifying what works and what doesn't) and scheduling upcoming meetings.
- March 1, 2024: Staff met with members of SWT to review their master planning process and guide them on a tour of our existing parks and facilities. This is part of their first phase of Data Collection & Analysis. The next step under this initial phase is Community Profile/Market Assessment, followed by Community Engagement Meeting (a joint CLARB & BOA Meeting) scheduled for March 19, 2024.
- March 19, 2024: Staff, CLARB and the Board of Aldermen had a joint master planning work session. Members of SWT presented their master proposed planning process and associated timeline.
- SWT Design is scheduling small group committees and kick-off community events.
- The interactive website is being created and will go live following the first community engagement event.
- SWT Design met with three community groups consisting of residents, park users, and local organizations from April 26-May 6.
- Initial public engagement meeting was held on June 20, 2024
- Master Plan website is live
- Social Pinpoint is live and staff is reviewing data bi-weekly with SWT Design
- Steering committee met on July 29, 2024 to review the initial public input meeting and prepare for survey
- CLARB/BOA work session was held August 6, 2024
- ETC institute and SWT Design are taking feedback from the Steering committee and Work Session to prepare the final draft of the Master Plan Survey
- Survey is anticipated to be finalized and published by the end of September
- **SWT Design is still collecting public input on the Social Pinpoint website.**
- **Survey was mailed and remains open for submission**
- *STATUS – IN PROGRESS*

7. Girl Scout Shelter

- Staff is in the process of procuring bids for pavers and underlayment to be installed over the existing concrete slab.
- It is anticipated that work would be complete by October 1, 2023.
- Staff has received a "Cooperative" bid from Embassy Landscaping for the paver work. Their contract will be submitted for approval at the September 11, 2023 Finance Meeting.
- The contract was approved. Work will begin after Ghost Stories.
- November 3, 2023: Construction began on new flooring and ramp. Construction duration is anticipated to last (2) weeks.
- Construction of the new flooring and ramp entrance was completed last month.
- January 4, 2024: Construction of new handrails for the ramp has begun. It is anticipated that fabrication and installation will take approximately (2) weeks.
- February 12, 2024: Fabrication and installation of the new ramp handrails has been delayed due to weather. The contractor has indicated that this work will be completed by the end of this month.
- March 7, 2024: Handrails have been installed.
- *STATUS – COMPLETE*

8. Veterans Memorial

- July 27, 2023, Staff met with members of the Veterans Memorial Committee at the Train Depot Spirit Fountain to discuss the possibility of moving the Memorial to that site.
- August 1, 2023, the Board of Aldermen unanimously approved moving the Memorial to the Spirit Fountain site.
- Staff has given SFS Architecture notice to begin design work on Phase 1 of the project, which includes flags, markers and landscaping. It is anticipated that this work will be completed by Memorial Day, 2024.
- The next Veterans Memorial Committee meeting will be on August 22, 2023.
- The Veterans Memorial project Sign was removed from Ball Field 1 and the LWCF request to convert the ballfield was withdrawn.
- Staff is awaiting updated design plans from SFS and the Veterans Memorial Committee.
- SFS is recruiting a new "team" from their organization to spearhead this project. Staff is waiting to hear from them to discuss next steps.
- October 27, 2023: Team meeting to discuss team roles, budget and conceptual design concepts.
- SFS is revising the fee proposal to reflect a reduced scope of work at the new Spirit Fountain site.
- The Veteran's Committee agreed on a conceptual design at the November 2nd Committee Meeting. The plans were shared with SFS to begin the design phase- after a new fee is proposed.
- March 26, 2024: Staff attended a Veteran's Memorial meeting. It was decided that the first phase of the project would be to order and install the flagpoles, flags and flood lights.
- Staff is currently pursuing quotes for this work.
- April 26, 2024: 4 Star Electric visited the site and marked existing electrical lines to the fountain and flag pole light.
- City will meet on-site next week with Evergy to discuss how to meter the Memorial area separately from the Train Depot building.
- City will solicit bids to add additional flag poles and lighting by mid-May 2024.
- Contract agreement signed July 8 by Flagsource,; work is complete
- Staff met with Veterans Committee representatives, Jim McCall and Aldermen Bennett , to discuss project updates and next steps
- Staff met with Pat Vogt from By the Blade to discuss hardscaping plans for Veterans Memorial
- Tentative Ribbon Cutting set for Veterans Day, November 11, 2024
- Contract agreement signed August 12 by NKC Electric for the electrical work
- Veterans Committee Meeting held on September 10, 2024 to discuss bench installation, landscaping/hardscaping, and signage.
- 10/10/24: By the Blade installed a perimeter sidewalk that will be used for viewing the future memorial monuments.
- The following work to be installed by the first week of November: flagpole spotlights, landscaping, pump control enclosure, project signage, and memorial benches.
- **November 7, 2024: Ribbon cutting held.**
- **Additional work will be contracted out as future fundraising efforts allow. This work will include an enclosure for the existing pump controls, a Veteran's Memorial sign and a mounting surface for the braille flag that was donated by the DAR.**
- *STATUS – IN PROGRESS*

9. **Bridge Improvements at So. Main Street and Rush Creek**

- The scope of this project is to remove the existing concrete traffic/pedestrian separation barrier, thus allowing for two-way traffic, and build a separate pedestrian foot-bridge to be located immediately to the east.
- Staff is applying for an Outreach Grant from Platte County for this work. Submission deadline is January 19, 2024. Staff is also looking into other bridge improvement grant funding sources.
- Staff has reached out to one of our On-Call structural engineers, Garver, to provide us with an assessment of the existing bridge. This assessment will include current condition, determining maximum allowable loads, and costs of the improvements.

- Staff has submitted a grant application request in the amount of \$40,000, and will present our application in-person to Platte County on February 27, 2024.
- Grant decision still pending.
- Platte County has awarded the City its full grant request of \$40,000.
- Staff is currently writing up a Request for Qualifications for engineering design work. It is anticipated that this RFQ will be issued by May 10th, 2024
- Staff is in contact with on-call consultants to finalize the design scope of work
- McClure Engineering has been contracted to design the vehicular and pedestrian bridge
- Soil borings have been taken and are currently being analyzed by Kaw Valley Engineering for the foundations of the future pedestrian bridge
- McClure is currently putting together a design schedule. It is anticipated that this project will go out to bid after the first of the year
- **Staff is working with McClure to determine exact location of the pedestrian bridge based on connectivity of the existing trails. Design work is continuing.**
- *STATUS – IN PROGRESS*

10. **White Branch Creek Bank Stabilization Grant Application**

- February 1, 2024: Staff met on site to discuss existing bank erosion and scope of remediation work. Grant application deadline is March 29, 2024.
- Staff has reached out to Platte County to discuss our proposed scope of work prior to submission of our grant application.
- Staff will be reaching out to one of our on-call Engineers for a fee proposal to design the stabilization work.
- March 6, 2024: Staff received fee proposals from GBA, OWN and VSM.
- March 7, 2024: Staff submitted a draft of the Grant application (for design work) to the Finance Committee for approval.
- March 28, 2024: Staff submitted the grant application. It is anticipated that we will know their decision by mid-May of this year.
- Staff is finalizing contract with Renaissance Infrastructure Consulting (RIC)
- RIC is working on the Streambank Stabilization design while also coordinating with BBN Architects to ensure the adjacent projects work congruently
- Soil borings have been taken and are currently being analyzed by Kaw Valley Engineering.
- RIC is currently working on the design.
- **November 7, 2024: RIC presented several design alternatives to Staff. Staff is currently reviewing these along with their associated cost estimates.**
- *STATUS – IN PROGRESS*

11. **Sullivan Nature Sanctuary Lookout Platform Renovation**

- Staff is getting quotes for new guardrail and decking replacement.
- It is anticipated that this work would be completed by the end of May 2024.
- Work was completed in June 2024
- *STATUS – COMPLETE*

12. **Train Depot Drainage Control**

- Staff solicited quotes for a drainage swale around the north and east sides of the building. Downing Construction was awarded the contract
- Staff is waiting for a project schedule from the contractor
- **November 5, 2024: Contractor finished work.**
