SESSION SCHEDULE:

5:00 p.m.: Work Session

6:00 p.m.: Regular Meeting

The Parkville Board of Aldermen encourages citizen participation in city government. In compliance with the Missouri Sunshine Law, you are invited to participate in the meeting. The following rules have been established to facilitate the transaction of business during a meeting and ensure that everyone gets to speak. Please take a moment to review these rules before the meeting begins.

- Silence your mobile devices and set other noise-making devices to off or to “SILENT MODE” before the meeting begins.
- Voices carry, so please speak softly and keep discussion in the audience to a minimum so the Board of Aldermen can hear the discussions and make informed decisions.
- Always speak from the podium and use the microphone. This ensures that all comments are accurately and properly recorded on video and heard by those in the audience. Speakers are requested to state their full name, address, and group affiliation (if any), before delivering any remarks.
- **Speakers shall limit their comments to not exceed three minutes.**
  - In the event of extensive public participation, the Mayor may further limit speaking times to assure as many people as possible have an opportunity to address the Board of Aldermen.
- Speakers with documentation or other materials to present to the Board of Aldermen must provide a copy to the City Clerk.
- CITIZEN INPUT reserves time for citizen input on any City matter, other than those listed on the agenda. A member of the public wanting to speak must submit to the City Clerk his/her name and the subject matter to be presented, by no later than noon the day of the meeting. Unless unusual circumstances dictate otherwise, the Board of Aldermen will not make a decision on any issue(s) presented by an individual or group during a meeting, but may refer an item to staff for action or additional analysis (Boy Scouts, Girl Scouts and other similar youth civic/service members will be recognized during Citizen Input and are therefore exempt from the notification requirement). Speakers will be limited to three (3) minutes, unless waived at the discretion of the Mayor.

- CONSENT AGENDA lists all matters that are considered to be routine by the Board of Aldermen and will be enacted under one motion without discussion. Any member of the Board of Aldermen may be allowed to request an item be pulled from the Consent Agenda for consideration under the regular agenda if debate and a separate motion are desired. Any member of the Board of Aldermen may be allowed to question or comment on an item on the Consent Agenda without a separate motion under the regular agenda. Items not removed from the Consent Agenda will stand approved upon motion made by any alderman, followed by a second and a voice vote to “Approve the consent agenda and recommended motions for each item, as presented.”

Agendas are available on the City website at <https://parkvillemo.gov/government/board-of-aldermen/> or by contacting the City Clerk at (816) 741-7676.

The City of Parkville does not discriminate on the basis of race, color, national origin, gender, religion, age, disability, genetic information, or other circumstance prohibited by federal, state, or local law, rule, or regulation, including Title II of the Americans with Disabilities Act.

# PROCLAMATION

## ENGINEERS WEEK IN PARKVILLE

WHEREAS, engineering is a vital and dynamic profession that uses scientific and technical knowledge and skills in creative and innovative ways to fulfill society's needs and enhance the quality of life; and

WHEREAS, engineers are essential to the design, construction, and maintenance of the infrastructure, systems, and technology that support public health, safety, welfare, economic vitality, and quality of life in the City of Parkville; and

WHEREAS, engineers throughout our community apply their expertise and leadership to solve complex challenges — from safe and efficient transportation systems and water resources to resilient structures, environmental stewardship, and innovative technologies; and

WHEREAS, National Engineers Week celebrates the positive contributions of engineers and inspires young people to pursue education and careers in engineering, technology, and STEM fields; and

WHEREAS, National Engineers Week provides an opportunity for all citizens of Parkville to recognize the impact of engineering on our everyday lives and to encourage a greater awareness of the contributions engineers make to our well-being and prosperity; and

WHEREAS, National Engineers Week 2026 will be observed from **February 22 through February 28, 2026** as part of a national celebration of engineering's impact on society;

NOW, THEREFORE, I, **Dean Katerndahl**, Mayor of the City of Parkville, Missouri, do hereby proclaim **February 22–28, 2026**, as **ENGINEERS WEEK** in the **City of Parkville, Missouri**, and encourage all residents, businesses, schools, and civic organizations to join in acknowledging the achievements of engineers and to promote opportunities in engineering education and careers.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the City of Parkville to be affixed this 17th day of February, 2026.

---

Mayor Dean Katerndahl

# PROCLAMATION

WHEREAS, the City of Parkville, Missouri proudly recognizes Black History Month each February as a time to honor the history, culture, and enduring contributions of African Americans to our community, our state, and our nation; and

WHEREAS, Washington Chapel has long stood as a place of faith, fellowship, and service within the City of Parkville, providing spiritual leadership, community support, and a foundation of resilience and hope; and

WHEREAS, Washington Chapel represents an important part of Parkville's historical and cultural heritage, reflecting the perseverance, strength, and commitment to equality and justice that are central to the African American experience; and

WHEREAS, throughout its history, Washington Chapel has contributed to the social, moral, and civic life of the community by fostering unity, compassion, education, and service to others; and

WHEREAS, honoring Washington Chapel during Black History Month provides an opportunity for the community to reflect upon and celebrate the significant role faith institutions have played in advancing civil rights, strengthening neighborhoods, and shaping the shared history of Parkville;

NOW, THEREFORE, I, **Dean Katerndahl**, Mayor of the City of Parkville, Missouri, do hereby proclaim the month of **February** as **Black History Month** in the City of Parkville, and do further recognize and honor **Washington Chapel** for its lasting contributions to the community and its enduring legacy of faith, service, and leadership.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Parkville to be affixed this 17th day of February, 2026.

Appointment of Abby LackKamp as liaison to YMCA effective March 11, 2026

BACKGROUND:

Alderman Welch is the current Board of Aldermen liaison to the YMCA. Her last meeting with the YMCA as liaison will be March 10, 2026. Section 110.040.A.2 of the Code of Ordinances provides that appointment of City representatives to committees not created by the City are done by the Mayor, with the advice and consent of the Board of Aldermen. The Mayor has appointed Abby LackKamp as liaison to the YMCA, effective March 11, 2026.

STRATEGIC GOAL(S):

BUDGET IMPACT:

This item does not impact the budget.

ALTERNATIVES:

- Approve the appointment.
- Do not approve the appointment, and propose a new appointee.
- Do not appoint a liaison to the YMCA.

FINANCE COMMITTEE RECOMMENDATION:

Appointments are not reviewed by the Finance Committee.

STAFF RECOMMENDATION:

Staff does not make recommendations on appointments.

POLICY:

SUGGESTED MOTION:

I move to approve the Mayor's appointment of Abby LackKamp as the Board of Aldermen liaison to the YMCA effective March 11, 2026.

MARC 2026 Call for Projects – Planning Sustainable Places (PSP) Program funding

BACKGROUND:

The Mid-America Regional Council’s (MARC) Planning Sustainable Places (PSP) Program provides local governments with financial support to advance detailed local planning and project development activities in support of *Creating Sustainable Places, Connected KC 2050’s* Activity Centers and Corridors framework, and MARC’s adopted policy statement on regional land use direction. The primary focus is to support planning studies which link land use with multimodal transportation and environmentally supportive design.

Since 2013, the PSP Program has supported 82 projects across the Kansas City region, including the following projects awarded and completed for the City of Parkville:

- **2014 Call for Projects** - \$120,000 in PSP funding for *Route 9 Corridor Study (2015)*
- **2022 Call for Projects** - \$20,000 in PSP funding for *Parkville ADA Transition Plan (2024)*
- **2024 Call for Projects** - \$19,000 in PSP funding for *Parkville Sidewalk Gap Inventory and Rating Plan (2025)*

City of Parkville staff anticipate MARC will announce their 2026 Call for Projects for PSP program sometime in May 2026, with a deadline for application submittals in mid-June. Based on previous years, staff anticipates around \$900,000 in federal-aid funding will be available for Missouri communities across the metropolitan area.

APPLICATION PROJECT IDEAS

Because MARC’s PSP program presents a unique opportunity for the City of Parkville to pursue funding for the development of planning studies (with a large portion — potentially up to 80 percent of the total project cost — eligible to be supported via federal-aid funding), staff recommend submitting an application later this year for MARC’s 2026 Call for Projects. That said, city staff would like to receive input from the Board of Aldermen on project ideas to consider pursuing, as well as feedback on possibly pursuing planning studies currently budgeted for future years in the city’s Capital Improvements Program (CIP):

- **Parkville Housing and Density Study:** Estimated project cost of \$50,000. \$50,000 is already budgeted in the adopted 2026-2030 CIP for Fiscal Year (FY) 2027; thus, any PSP grant funding awarded through MARC would reduce the amount of local funding needed to be provided by the city. In collaboration with PACE, the City has developed an outline for the *Parkville Housing Study*, which includes the following scope of work:

1. *Parkville 2040 Master Plan* overview & housing profile, and density analysis
2. Housing inventory analysis
3. Future growth scenarios
4. Community housing benchmarks

Once completed, the study would serve as a resource for the City, PACE, and developers to utilize to provide the best housing typologies for residential and commercial developments to meet the needs of the community.

- **Update to the *Highway 45 Corridor Plan*:** Estimated project cost of \$50,000. \$50,000 is already addressed in the adopted 2026-2030 CIP for FY 2027; thus, any PSP grant funding awarded through MARC would reduce the amount of local funding needed and provided by the city.

On July 12, 2016, the Board of Aldermen approved the *Highway 45 Corridor Plan*. Through prior planning efforts, the community identified the desire to improve the appearance of Highway 45 with a preference for a parkway/boulevard appearance. The plan contains a vision strategy for high-quality character along Highway 45 and includes design guidance tools for the City, County, developers and landowners to implement as development occurs in the future. This guidance includes location placement, buffers, setbacks and distances from right-of-way, landscape criteria, planning spacing requirements, height for pedestrian scale, appropriate materials, and provides illustrative concepts and imagery for each segment. Costs for this project include improvements to the streetscape, site design and amenities along Hwy 45. This may include mowing/landscaping of the median islands and green buffer area along 45 Hwy right-of-way, maintenance of the multi-use trail along the corridor, planting of street trees, and implementation of amenities along the corridor such as pedestrian-level street lighting and benches.

Per feedback from the Board of Aldermen at the Annual Retreat held on August 10, 2018, there was support from the Board of Aldermen to update the 2016 study, as approximately 9,418 vehicles travel along Highway 45 daily, and there are many vacant property parcels and development opportunities along the roadway. Both Platte County and the Missouri Department of Transportation (MoDOT) have expressed interest in revisiting and updating the 2016 study, and potentially being project partners.

STRATEGIC GOAL(S):

Quality Development

BUDGET IMPACT:

MARC's PSP Program requires a minimum non-federal cash match of 20 percent, and the maximum available funds awarded per project is \$150,000. There is no minimum federal funds award, nor is there a minimum or maximum project budget size.

ALTERNATIVES:

1. Provide input to City staff
2. No not provide input to City staff.
3. Postpone the discussion to a future date.

FINANCE COMMITTEE RECOMMENDATION:

This item was not taken before the Finance Committee for input.

STAFF RECOMMENDATION:

City staff would like to receive input from the Board of Aldermen on project ideas to consider pursuing for PSP funding.

POLICY:

Per MARC policy, if MARC's Sustainable Places Committee awards PSP funding to the City of Parkville, an intergovernmental agreement, mutually agreed upon by MARC and the City of Parkville, would be required to administer the PSP project. All intergovernmental agreements require an ordinance. Ordinances can only be approved by the Board of Aldermen.

SUGGESTED MOTION:

No motion is needed as this is a Non-Action Agenda Item for discussion & input.

**BACKGROUND:**

**Transfer of Municipal Court Operations to the Circuit Court of Platte County**

The City of Parkville has established and maintained Municipal Court operations pursuant to Chapter 479 of the Revised Statutes of Missouri and Missouri Supreme Court Rule 37.495, which authorize municipalities to operate a local court and impose penalties for ordinance violations.

The City now proposes to transfer the Parkville Municipal Court to the Circuit Court of Platte County, Missouri. Under state law, cities with populations under 400,000 residents may elect to have municipal ordinance violations heard by the Circuit Court in lieu of maintaining their own municipal court and judge.

**Background and Rationale**

**Revenues and Costs:**

Historically, revenue collected from municipal fines has been retained by the City, while court cost fees associated with traffic and ordinance violations are remitted to the Circuit Court. However, following the passage of Senate Bill 5 (2017), municipal fine revenues have become a minimal portion of the City's annual budget. The cost of maintaining a municipal court—including salaries for the municipal judge, court clerk, and associated personnel, as well as facility and operational expenses—now outweighs the financial benefit. Upon transfer, these costs will be eliminated, as the Circuit Court of Platte County will absorb all court functions other than prosecution. The City will continue to provide for a Prosecuting Attorney to represent its interests.

**Compliance and Best Practices:**

This transition also aligns with state law and best practices established after the 2015 Ferguson-related reforms, which limit the percentage of a city's general revenue that may be derived from traffic fines. Transferring court operations ensures continued compliance and transparency, while reinforcing public confidence in the fairness and independence of the judicial process.

This Bill was originally presented for consideration at the November 18, 2025, Board of Aldermen meeting. No action was taken on the Bill at that time, as the Board requested staff to obtain additional information on certain issues relating to the proposed transfer. This information was subsequently

reviewed with the Finance Committee, and then the bill was again presented on December 16, 2025. After lengthy discussion, the Board of Aldermen asked for additional information from staff and current Municipal Court Judge Kevin Humiston. Information and documentation addressing the requested information is attached.

STRATEGIC GOAL(S):

Select one or more that apply:

- Governmental Operational Excellence
- Public Safety

BUDGET IMPACT:

Eliminating the City's independent municipal court will reduce annual operating expenditures related to judicial and clerical salaries, facility use, and administrative overhead. Revenues from municipal fines are expected to remain stable or decline slightly, but the overall fiscal effect will be positive due to cost avoidance and efficiency gains.

ALTERNATIVES:

1. Approve the item.
2. Approve the item, subject to changes.
3. Do not approve the item.
4. Postpone the item.

FINANCE COMMITTEE RECOMMENDATION:

The item is being brought back to the Board of Aldermen, as requested, with additional information.

STAFF RECOMMENDATION:

Given the declining financial return, reduced administrative burden, and the benefits of improved compliance with state standards and staffing availability of the Circuit Court of Platte County, staff recommends that the Board of Aldermen approve the transfer of the City of Parkville's Municipal Court operations to the Circuit Court of Platte County, Missouri. Future City ordinance and traffic violations will be adjudicated by a Platte County Associate Circuit Judge rather than a municipal court judge.

POLICY:

SUGGESTED MOTION:

I move to approve Bill No. 3357, an Ordinance Electing that Violations of Municipal Ordinances of the City of Parkville, Missouri, be Heard and Determined by a Platte County Associate Circuit Court Judge, on first reading.

I move to approve Bill No. 3357, an Ordinance Electing that Violations of Municipal Ordinances of the City of Parkville, Missouri, be Heard and Determined by a Platte County Associate Circuit Court Judge, on second reading to become Ordinance No. 3291.

**AN ORDINANCE ELECTING THAT VIOLATIONS OF MUNICIPAL ORDINANCES OF THE CITY OF PARKVILLE, MISSOURI, BE HEARD AND DETERMINED BY A PLATTE COUNTY ASSOCIATE CIRCUIT COURT JUDGE.**

WHEREAS, the City of Parkville, pursuant to Chapter 479 of the Revised Statutes of Missouri, and Missouri Supreme Court Rule 37.495, is authorized to establish a municipal court and impose penalties for municipal ordinance violations; and

WHEREAS, the City desires to transfer the City of Parkville’s municipal court to the Circuit Court of Platte County, Missouri.

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF PARKVILLE, MISSOURI AS FOLLOWS:

SECTION 1. The Board of Alderman of the City of Parkville, Missouri find that it is in the best interests of the City that City ordinance violations be heard and determined by a Platte County Associate Circuit Judge rather than a municipal court judge..

SECTION 2. Pursuant to Section 479.040, RSMo., the Board of Alderman elects that an Associate Circuit Judge of the 6<sup>th</sup> Judicial District located in Platte City, County of Platte, shall hear and determine violations of ordinances of the City of Parkville, Missouri.

SECTION 3. The City Attorney and the City Administrator are authorized to request the Presiding Judge of the Platte County Circuit Court that an Associate Circuit Judge commence hearing City municipal ordinance violations sooner than six months as provided for in Section 479.040.2, RSMo.

SECTION 4. The City Attorney and the City Administrator are authorized to take all actions necessary to transfer the Parkville Municipal Court to the Platte County Circuit Court and effectuate the transfer of Parkville Municipal Division cases to be heard in the Platte County Associate Circuit Court.

SECTION 5. The provisions of this Ordinance shall supersede any conflicting provisions contained within the City’s Code of Ordinance.

SECTION 6. This Ordinance shall be in full force and effect from and after the date of its passage and approval.

PASSED and APPROVED this 13th day of February, 2026.

## Municipal Court Transition

February 17, 2026

# Tonight's Agenda

1. Quick Review Topic
2. Transferring Parkville Municipal Court Services to Platte County Circuit Court (6<sup>th</sup>)
3. Cost-Benefit Analysis – “Regional Municipal Court” with neighboring community(ies)
4. Additional Information

# Review Current Status

- Parkville & neighboring community, Riverside, operate separate municipal courts within the 6th Judicial Circuit (Platte County) with similar staffing models. Each has:
  - Part-time elected judge
  - Full-time court clerk (Riverside also has a part-time clerk)
  - Part-time prosecutor
  - Part-time public defender
  - Separate court locations, dockets, and administrative processes

# Review Current Status

- Parkville Municipal Court saw 558 court cases in 2025 (Report 93)
- Of those cases, 92.1% were traffic related; 8% were non-traffic, code violation cases
- Parkville PD traffic stop data indicates 19% of traffic-related cases involved Parkville residents (98 of 514); most cases involve non-residents traveling through the community

## What This Means (Operational Impact)

- Under this approach, Parkville’s municipal court services would be handled by the Platte County Circuit Court, in Platte City
- The court in Parkville would help with transition and eventually close

## Potential Pros

- Reduced City Hall facility impacts (space, evening court operations, security logistics)
- Court operations occur in a more formal courthouse environment
  - Full staffing to assist public during all business hours
- Potentially stronger security and standardized procedures
- Reinforces the purpose of enforcement as public safety and behavioral change, not for convenience or revenue.
- Reduction to budgetary expenses

## Potential Cons

- Travel impacts would vary by location within Parkville, depending on where people are coming from.
- Potential scheduling changes with daytime court
- Additional work for staff during the transfer to the circuit court.
- Reduction-In-Force (1 FTE)

## Financial Impact

Under state guidelines:

- Elimination of positions would save the City money
- Minimal loss of revenue by the City
- Court fees remain with the presiding court to support court operations
  - About 7% of Parkville revenue collected via the Municipal Court in 2025 went directly to operations
- Fines, training fees, case related fees return to the City of Parkville
  - 93% of the revenue collected in 2025 fell in these categories

## Final Summation

Moving municipal court services to Platte County in Platte City will reduce Parkville's facility and administrative burden while maintaining the general revenue structure (~7% to the court / ~93% to the City of Parkville).

## Proposal – Regional Court Model

A regional model consolidates court operations into one court location, with shared staffing and administration while still processing each city's cases. Riverside, Weatherby Lake, and Platte Woods are the only other remaining cities in Platte County with a municipal court.

Consolidated municipal courts exist in St. Louis County, which contains 88 municipalities. The lack of a consolidated municipal court in this part of the state makes it difficult to assess the feasibility of such an approach.

## Potential Pros

- Possible Reduction in staffing duplication (e.g., possible elimination of part-time clerk role in neighboring city)
- Consolidated workflow / Standardization of processes and technology
- Operational resiliency through shared staffing coverage

## Potential Cons

- Financial Impact - Minimal or no direct cost savings for Parkville
  - Riverside and Parkville are similar size
  - Parkville does not have part-time clerk position to eliminate
- Reduced local control over scheduling, staffing, and service priorities
  - Riverside has 5.8X the caseload (3,264 vs 514 in 2025)
- Implementation complexity (agreements, transitions, accounting separation)
- Public perception risk: Parkville may appear to be regionalizing without clear benefit to the city
- Previous Riverside leadership said they may consider a consolidated court. (no further communications due to staffing changes -- would need to reengage).

## Final Summation

Based on the comparable size of both courts and the limited ability to reduce Parkville's direct staffing or operating costs, a regional municipal court model does not produce a meaningful financial or operational benefit to the City of Parkville.

The most likely savings / benefits would accrue to the other municipality, while Parkville assumes additional complexity and reduced local control without proportional advantage.

### Other Platte County cities that have moved to Circuit Court:

- Camden Point
- Dearborn
- Edgerton
- Farrelview
- Houston Lake
- Lake Waukomis
- Platte City
- Tracy (2019)
- Northmoor (2025)
- Weston (2025)

**The number of Parkville residents appearing in Municipal Court to testify, including residents seeking restitution or appearing for related matters (noting these are public records and that you could compile the information for the prior year).**

“Residents” appearing to testify is a complex statistic as “victims” and “witnesses” have rights to confidentiality (New redaction rules require names and addresses of victims and witnesses be redacted from all filings). A quick count of subpoenas issued for individuals to appear and provide testimony shows at least 56 matters had subpoenas issued for 2025. These 56 subpoenas were issued to individuals to appear and provide information/testimony regarding violations that occurred within the City of Parkville which would include testimony on evidence and damages/restitution. I am unable to provide specific information regarding the number of these who specifically reside in Parkville.

**Domestic violence-related case information, including the number of domestic violence cases heard in Municipal Court and, to the extent available, information regarding cases that proceed directly to the district/state court or are otherwise transferred. You indicated you would provide the numbers you are able to share**

Some domestic violence cases go directly to the Platte County for consideration as well as other types of cases. In 2025, Parkville had thirty-six (36) referrals to Platte County which resulted in approximately fifty-seven (57) charges/counts currently pending/resolved. The breakdown of those charges/counts is as follows:

Domestic Assault	3
Violating an Order of Protection	11
Stalking	1
DWI	8
Possession of Controlled Substance	3
Stealing/Fraud	9
DWS/DWR	7

The remaining are a combination of the following charges: Leaving the Scene of Accident, Careless and Imprudent Operation, Burglary, Assault 3<sup>rd</sup>/4<sup>th</sup> degree, Trespass, Resisting, Endangering the welfare of a child, General Traffic

The Show Me Courts tracking system classifies municipal violations slightly differently but does track domestic and alcohol/drug offenses separately. Parkville Municipal Court had the following breakdown for 2025:

Domestic Assault	7
Alcohol and Drug Related Offenses	18

2024 (Parkville Municipal Court)

Domestic Assault	7
Alcohol and Drug Related Offenses	18

Unfortunately, domestic violence and alcohol/drug related offenses remain prevalent in our society. As demonstrated, more cases of domestic violence were filed in the municipal court than in the state court. However, other charges potentially have a domestic component such as violating an order of protection and stalking (Parkville does not have an ordinance for violating an order of protection and all violations are prosecuted at the state level.)

Another unfortunate reality is the number of charges filed in municipal courts will likely continue to increase as population increases, the use of technology increases, and staffing improves. In January 2026, eighty-six (86) charges were filed in the Parkville Municipal Court while forty-five (45) charges were filed with the court in the first seven days of February.

January and February charges filed in Parkville by year:

1/2026	86	2/2026	45 (first 7 days 2026 only)
1/2025	4	2/2025	42
1/2024	63	2/2024	64
1/2023	43	2/2023	30
1/2022	71	2/2022	84
1/2021	51	2/2021	14
1/2020	73	2/2020	72
1/2019	69	2/2019	70

Since January 2020 (73 months), only 3 months have had more charges filed than January 2026 (86): July 2025 (92); July 2024 (134); and June 2021 (111).

**Transition data regarding municipal courts moving to circuit court, including general information you referenced based on your experience and role representing municipal judges within the district, and your understanding of the trend since 2020.**

Currently we have approximately 280 reported municipal courts operating in Missouri. This includes 80 courts in the western district, 85 courts in the southern district, and 115 courts in the eastern district. Since 2019 some municipal courts have transferred to the associate division while others have contracted with separate municipalities.

The breakdown is as follows:

Year	Transfer to Associate	Contract with Municipality
2019	8	3
2020	28	7
2021	18	4
2022	14	8
2023	10	5
2024	13	4
2025	15	2
Total	106	33

Most of the transferred municipal courts transferred from smaller municipalities.

In Platte County, the courts that have transferred to the State Court are (2020 estimated population): Camden Point (457); Dearborn (482); Edgerton (601); Ferrelview (642); Houston Lake (229); Lake Waukomis (888); Northmoor (291); Platte City (4,784); and Tracy (269).

In Clay County, the courts that have transferred to State Court are: Avondale (436); Birmingham (189); Glenaire (539); Holt (471); Missouri City (217); Mosby (101); Smithville (10,406); Village of Oakwood (198); and the Village of Praethersville (121).

From the list of twenty-six (26) comparable municipalities previously provided to the board, seven are currently heard in the State Courts:

Smithville- Clay County (10,971)  
Maryville- Nodaway County (10,193)  
Kennett- Dunklin County (10,137)  
Village of Oak Grove- Franklin County (9,129)  
Chillicothe- Livingston County (9,103)  
Perryville- Perry County (8,554)  
Nevada- Vernon County (8,294)
