**RESULT:** MOTION PASSED 8-0.

#### 4. ACTION AGENDA

A. **Approve a construction agreement with Gunter Construction for improvements to Route 9 from Highway 45 to Lakeview Drive**

Public Works Director Alysén Abel provided an overview of the planned improvements to Route 9 from Highway 45 to Lakeview Drive. She said the low bid was 10 percent higher than the engineer's estimate, partially due to a scarcity of supplies that caused higher prices. Prior to construction, a pre-construction meeting would be scheduled, the agreement had to be approved by the Missouri Department of Transportation and staff and the contractor would meet with property owners along the corridor. The item was presented to the Finance Committee on May 24.

Discussion focused on traffic flow and accessing businesses during construction and the timeline. Abel noted that construction was expected to begin in June with substantial completion by November. Any remaining improvements would be completed in spring 2022.

**ACTION:** IT WAS MOVED BY ALDERMAN SPORTSMAN AND SECONDED BY ALDERMAN RITTMAN TO **APPROVE A CONSTRUCTION AGREEMENT WITH GUNTER CONSTRUCTION FOR THE ROUTE 9 IMPROVEMENTS FROM HIGHWAY 45 TO LAKEVIEW DRIVE IN THE AMOUNT OF \$4,153,094.55.**

**RESULT:** MOTION PASSED 8-0.

B. **Approve the first reading of an ordinance to authorize the City to enter into a lease purchase agreement with BOFK, N.A., to approve a declaration of trust with BOFK, N.A. to which certain Certificates of Participation will be executed for the purpose of financing and refinancing certain street project costs; and to approve certain other documents and the taking of certain actions necessary to deliver the Certificates of Participation**

City Administrator Joe Parente provided an overview of the funding of the improvements to Route 9 from Highway 45 to Lakeview Drive, noting that the City had received approximately \$2.7 million in federal and state grants for the project. The City was responsible for the local match to cover engineering, right-of-way acquisition, consulting fees, construction inspection and other costs not covered by the grants. Parente said that the 9 Highway Corridor Community Improvement District (CID) was created to collect a one percent sales tax to help cover the local match, but it would not cover the annual payments due for the bond so the City was requesting financing to cover the remaining project costs. The City would be responsible for an annual appropriation and the annual CID revenues to cover the annual costs as security for the bonds.

Jack Ryan-Feldman, Baker Tilly, provided an overview of the financing; presentation attached as Exhibit A. He said the final debt payment for the financing would be September

1, 2037, which coincided with the end of the CID. Changes were made following the Finance Committee meeting on May 24 that included the addition of funds for contingencies and construction inspections and the mayor would be authorized to sign and execute all the documents necessary to complete the transaction, which provided more flexibility for the sale date and construction schedule.

**ACTION:** IT WAS MOVED BY ALDERMAN SPORTSMAN AND SECONDED BY ALDERMAN RITTMAN TO APPROVE BILL NO. 3124, AN ORDINANCE AUTHORIZING THE CITY TO ENTER INTO A LEASE PURCHASE AGREEMENT WITH BOKF, N.A. WHEREBY THE CITY WILL LEASE CERTAIN PROPERTY FROM THE BANK; APPROVING A DECLARATION OF TRUST WITH BOKF, N.A. PURSUANT TO WHICH CERTAIN CERTIFICATES OF PARTICIPATION WILL BE EXECUTED AND DELIVERED FOR THE PURPOSE OF FINANCING AND REFINANCING CERTAIN PROJECT COSTS FOR THE CITY; AND APPROVING CERTAIN OTHER DOCUMENTS AND THE TAKING OF CERTAIN ACTIONS NECESSARY TO DELIVER THE CERTIFICATES OF PARTICIPATION, ON FIRST READING AND POSTPONE THE SECOND READING TO JUNE 15, 2021.

**RESULT:** MOTION PASSED 8-0.

**5. STAFF UPDATES ON ACTIVITIES**

**6. MAYOR, BOARD OF ALDERMEN & COMMITTEE REPORTS & MISCELLANEOUS ITEMS**

Alderman Sportsman requested information about maintenance of the roundabout on Highway 45 at Brink-Myer Road and Public Works Director Alysén Abel responded that Creekside developer Brian Mertz was interested in landscaping the area and he needed to be coordinate through the Missouri Department of Transportation since it was a state highway.

Alderman Welch requested the status of the public input strategy committee for the ball fields in Platte Landing Park that staff mentioned at the Board of Aldermen meeting on March 16. Abel responded that staff was working with Vireo on a scope and fee for a public education strategy. City Administrator Joe Parente said that the plan was to have Vireo work side-by-side with staff and an engineer to develop design options that would address issues identified in previous discussions. The City only had an overlay concept, but needed to hire an engineer to prepare additional concepts. Parente said the public would have the opportunity to discuss any concepts after the total funding was known, including any grant funding if approved by Platte County.

Alderman Whitley said that he reached out to staff about adding a sidewalk from Bell Road near the Park Ridge Apartments to access Parkville Commons and Abel recommended that the safer option would be to add a sidewalk along Bell Road to 63rd Street because the slope would be too difficult at his proposed location.

Alderman Wylie asked if the Main Street Parkville Association's annual July 4th event would be held and Abel responded that they were moving forward with the event that would include a parade and fireworks.

Alderman Rittman said that on May 24 the Finance Committee discussed a letter of support from the Parkville Old Towne Market Community Improvement District (POTMCID) for the construction of public restrooms downtown. The Committee also discussed re-instituting an interim agreement with a downtown business for use of their restroom as a public restroom. Parente responded that staff was working with the city attorney to draft an agreement with Riverpark Eatery and Pub, who offered the use of their restroom in the interim, similar to a prior agreement with the American Legion. He noted that in the agreement the City would pay the restaurant a monthly fee and post signage. Abel added that staff requested a rendering of the proposed restroom from developer Brian Mertz and the POTMCID offered to pay up to \$35,000 for the project.

Alderman Sportsman asked if staff had received feedback from the Memorial Day carnival event downtown. Abel said that they used Ball Field No. 1 for additional parking and staff was assessing to see if there was any damage to the field. Police Chief Kevin Chrisman said there were no significant events or calls for service from the event. He also said he spoke with POTMCID chair Tom Hutsler who said the event went well.

## **7. ADJOURN**

The minutes for June 1, 2021, having been read and considered by the Board of Aldermen, and having been found to be correct as written, were approved on this the 15<sup>th</sup> day of June 2021.

Dear Ms. McChesney,

Enclosed please find an application for the Community Land and Recreation Board.  
My brief biography is below.

Community Land and Recreation Board Application Biography

A life long Missouri resident, I moved with my husband Gregg, to Parkville in 2018 when we found our "forever" home.

After graduation from Truman High School in Independence Missouri, I attended Baker University in Baldwin City Kansas.

Early employment history includes several local hospitals and physician offices where I worked as a pediatric staff nurse.

As my only child transitioned into her teenage years, I became a full time mom and volunteered with neighborhood organizations and served on boards of directors.

Neighborhood needs necessitated involvement with politics in Kansas City, MO. As a result, I took a job as Legislative Aide to a KCMO City Councilman in 1999. At the the end of his two terms, I started a political consulting group designed to advise candidates and run political campaigns. The business closed in 2011 and I retired. I've completed the Master Gardener course requirements and spend most summer days designing and tending my garden.

BACKGROUND:

The Main Street Parkville Association is a non-profit organization that will be selling liquor during Parkville Days August 20-22, 2021. In order for a non-profit organization to sell intoxicating liquor at an event (picnic, bazaar, fair or similar gathering), the State of Missouri requires an approval letter from the City of Parkville for a retail by the drink picnic license for up to seven days.

Following approval of the picnic license, the City Clerk will provide the Main Street Parkville Association the City's approval letter which the organization will then submit to the Missouri Division of Alcohol and Tobacco Control. A copy of the City's approval letter will be on file in the City Clerk's Office.

ISSUE:

Approve a construction agreement with Smico Contracting Group for the FF Highway Pump Station reconstruction project

BACKGROUND:

The City owns a pump station located off FF Highway that serves the communities to the north. The existing pump station is over 30 years old and is in need of repairs. The 2021 Budget includes funding for the reconstruction of the pump station. The project will include replacement of two pumps, as well as replacement of the mechanical and electrical facilities associated with the pump station.

On May 21, 2019, the Board of Aldermen approved a five-year agreement with North Hills Engineering (NHE) for on-call contract engineering services. This arrangement allows the City to execute individual work authorizations for supplemental engineering services for specific projects and studies. The scope of the work authorization included the design and project management of the repairs and equipment replacement for the existing pump station.

In May, the City released a bid request for the reconstruction of the FF Hwy Pump Station. On June 2, 2021, five contractors responded. Smico Contracting Group was the low bidder, with a bid of \$144,495. Smico Contracting Group successfully completed the South National Pump Station Improvements in 2018.

BUDGET IMPACT:

The 2021 Sewer Fund budget includes \$140,000 for the reconstruction of the FF Highway Pump Station. The estimated cost of construction is \$127,500. The cost of engineering and project management was \$11,627.

The bid from Smico Contracting Group was in the amount of \$144,495, which is \$16,995 (or 11.8%) over budget. The cost of materials is the main reason for the increased project costs.

There were project savings with the purchase of the zero turn mower and the UV bulbs and ballasts earlier this year, with a total savings of about \$7,000. Staff will continue to monitor the Sewer Fund and determine if there are additional changes necessary to ensure a positive balance.

#### ALTERNATIVES:

1. Approve a construction agreement with Smico Contracting Group for the FF Hwy Pump Station Reconstruction.
2. Provide feedback to staff related to the FF Hwy Pump Station Reconstruction.
3. Postpone this item.

#### FINANCE COMMITTEE RECOMMENDATION:

At the meeting on June 7, 2021, the Finance Committee, by a vote of 5-0, recommended that the Board of Aldermen approve a construction agreement with Smico Contracting Group for the FF Highway Pump Station reconstruction in the amount of \$144,495.

#### STAFF RECOMMENDATION:

Staff recommends the approval of a construction agreement with Smico Contracting Group for the FF Highway Pump Station reconstruction.

#### POLICY:

The Purchasing Policy, Resolution No. 17-016, requires Board of Aldermen approval for all purchases above \$10,000 upon recommendation of the Finance Committee.

#### SUGGESTED MOTION:

I move to approve a construction agreement with Smico Contracting Group for the FF Highway Pump Station reconstruction in the amount of \$144,495.

## ITEM 5.A.

For 6/15/2021

Board of Aldermen Meeting

### CITY OF PARKVILLE Policy Report

Date: June 8, 2021

Prepared By:

Joe Parente, City Administrator

Reviewed By:

Rick McConnell Bond Counsel

ISSUE:

Approve the second reading of an ordinance to authorize the City to enter into a lease purchase agreement with BOFK, N.A., to approve a declaration of trust with BOFK, N.A. to which certain Certificates of Participation will be executed for the purpose of financing and refinancing certain street project costs; and to approve certain other documents and the taking of certain actions necessary to deliver the Certificates of Participation (Administration)

BACKGROUND:

On January 5, 2016, the Board of Aldermen adopted the Route 9 Corridor Study that contained preliminary engineering designs for multimodal improvements for 12 project segments along Route 9 from Route 45 to Mattox Road in Riverside, Mo. On March 15, 2016, the Board of Aldermen approved an application to the Mid-America Regional Council (MARC) for federal funding for the first phase of improvements along the Route 9 corridor from Route 45 to Clark Avenue. On January 5, 2017, the City received official award of \$965,000 in federal funding through MARC

On March 5, 2017, the Board of Aldermen adopted Ordinance No. 2889 authorizing a lease purchase transaction with Bank Liberty, which included financing for various street improvement projects inside the City, including the 2017 enhanced street improvement program and the first phase of the Route 9 Improvement Project. For the Route 9 project, there were two components funded with the Bank Liberty lease transaction. The first was \$323,100 for the City's local cost share for a federal transportation grant. The funds for repayment of the debt are being provided by the 9 Highway Corridor Community Improvement District, which was established to help pay for the City's portion of the project costs. The second was for \$1,020,300, supported by a \$965,000 federal transportation grant (on February 18, 2020, the Board of Aldermen adopted an ordinance authorizing a first amendment to the lease purchase agreement extending the temporary financing until 2022. The amendment was with Central Bank of the Midwest, who acquired Bank Liberty).

On August 1, 2017, the Board of Aldermen approved a professional services agreement with George Butler Associates (GBA) to perform engineering design services for the first phase of the project.

In December 2017, the City was notified that it received a second grant for the project from the Missouri Department of Transportation (MoDOT) Cost Share program. The additional grant funds allowed the project to expand from the first phase, Highway 45 to Clark Avenue, to include a second phase, Highway 45 to Lakeview Drive. Both phases were combined into one project. By doing this, the City was able to leverage the two grants against each other, reducing the City's obligation for the

grant regulations required cost share to pay for the project.

On May 15, 2018, the City entered into an agreement with GBA for a supplemental engineering agreement to complete the design for the expanded project. GBA completed the preliminary design work, and proceeded to the final design of the project. During the course of the design process, GBA was required to redesign portions of the project to accommodate potential conflicts related to the acquisition of property easements and right of way. The modifications kept some utilities within existing right of way, and reduced the areas for easements and additional right of way that had to be acquired from adjacent property owners. Utility relocation work commenced in 2019 and was mostly completed in 2020. Property and easement acquisitions were also mostly completed in 2020, with the exception of one parcel which required legal proceedings prior to an agreement being reached in January, 2021. In March 2021, MoDOT obtained approval from the Federal Transit Administration and authorized the bidding of the project. Bids were received earlier this month, and a contract award is before the Finance Committee for a recommendation to the Board of Aldermen on June 1, 2021.

The City intends to enter into a lease purchase agreement with a trustee to issue Certificates of Participation to finance the remaining costs for the project and, together with other available funds, and prepay the prior lease purchase with Central Bank. The proposed financing/refinancing is \$2,965,000, and includes \$2,745,000 for the Route 9 Project and \$220,000 in city road maintenance obligations from the 2017 issuance. The Route 9 financing will be supported by funds from the 9 Highway Corridor Community Improvement District (CID) and general city revenues. The remaining payment for the 2017 city road maintenance project will be made in 2022 out of the Transportation Fund.

Other sources of funding for the project includes the receipt of \$2,699,500 in state and federal grants, a portion of which is obligated toward the refunding the extended 2017 Grant Anticipation financing. In addition, the City has available project funds remaining from the original financing, which has paid for the project design and property acquisition costs.

All funding sources combined, the City will have \$4,503,095 available for the remaining project costs. This will cover the low construction bid of \$4,153,096 and a combination contingency and construction inspection fund of \$350,000. The contingency/construction fund fund will mostly be utilized to pay for construction inspection and material testing, with a reserve for change orders. Staff has had discussions with GBA concerning the potential for change orders related to this project and has reserved funds based on this discussion. It has also examined alternatives for the payment of change orders above the reserve amount, should they occur.

The proposed financing will require annual principal and interest payments through 2037, coinciding with the expiration of the CID. The CID collects a 1% sales tax from purchases made within the district. The funds will be applied toward the debt payments. Because of the final project cost, it is currently projected the CID will not generate adequate funding to support the total payments, resulting in the requirement for an annual appropriation from other city funds. The CID collections have ranged between \$140,000 and \$160,000 over the first three years. The estimated average annual principal and interest payment over the life of the bonds is \$195,795. Any difference in annual CID collections and the scheduled payment will require an annual appropriation in the city's

General Fund or Transportation Fund operating budgets.

The City's Financial Advisor, Baker Tilly Municipal Advisors, and Bond Counsel, Armstrong Teasdale, are working on the details of the financing. The proposed ordinance (Attachment 1) authorizing a lease purchase agreement with the trustee, BOFK, N.A., will set forth the parameter's for the sale, which will also enable the timing of going to market with the bonds at a time determined to be most advantageous to the City. Also accompanying ordinance are the supporting documents for the transaction (Attachments 2 and 3). The draft structure of the Certificates of Participation from Baker Tilly is provided as Attachment 3.

#### BUDGET IMPACT:

The proposed financing for the Route 9 Project will be supported by revenues from the CID and an annual appropriation from the City's operating budget. The CID collects a 1% sales tax within the district, which has generated between \$140,000 and \$160,000 during its first three years. The average annual principal and interest payment is presently projected as \$195,795. Any difference in CID collections and the annual payment will require an annual budget appropriation from either the City's General Fund, or Transportation Fund. Both the Certificates of Participation and the Route 9 Community Improvement Districts and scheduled to expire in 2037.

The project budget includes \$350,000 in funds for construction inspection, material testing, and contingency funds for change orders. Should the final costs for these items exceed this amount, the City would be required to appropriate additional funds for any overage.

#### ALTERNATIVES:

1. Approve the first reading of an ordinance for the lease purchase agreement and the issuance of certificates of participation for the Route 9 Project and refinancing of certain remaining debt from the 2017 streets projects.
2. Provide direction to City Administration regarding the proposed debt financing for the Route 9 Project.
3. Postpone the item.

#### FINANCE COMMITTEE RECOMMENDATION:

At the May 24, 2021 meeting of the Finance Committee, the Finance Committee voted 5-0 to recommend approval to the Board of Aldermen to adopt the Ordinance.

#### STAFF RECOMMENDATION:

Staff recommends adopting the ordinance authorizing the City to enter into a lease purchase agreement with BOFK, N.A. pursuant to which certain Certificates of Participation will be executed for Route 9 and City Road Capital Maintenance financing.

#### POLICY:

The recommendation was evaluated for compliance with the City's Debt Management Policy.

#### SUGGESTED MOTION:

I move approve Bill No. 3124, an ordinance authorizing the City to enter into a lease purchase agreement with BOKF, N.A. whereby the City will lease certain property from the bank; approving a declaration of trust with BOKF, N.A. pursuant to which certain Certificates of Participation will be

executed and delivered for the purpose of financing and refinancing certain project costs for the City; and approving certain other documents and the taking of certain actions necessary to deliver the Certificates of Participation, on second reading to become Ordinance No. \_\_\_\_.

**OFFICIAL STATEMENT**  
  
**\$2,985,000\***  
**CERTIFICATES OF PARTICIPATION**  
**CITY OF PARKVILLE, MISSOURI**  
**SERIES 2021A**

**INTRODUCTION**

*This introduction is only a brief description and summary of certain information contained in this Official Statement and is qualified in its entirety by reference to the more complete and detailed information contained in the entire Official Statement, including the cover page and appendices hereto, and the documents summarized or described herein. A full review should be made of the entire Official Statement.*

**General**

The purpose of this Official Statement is to furnish information in connection with the offering and sale of Certificates of Participation City of Parkville, Missouri, Series 2021A, in the aggregate principal amount of \$2,985,000\* (the "**Series 2021A Certificates**"). The Series 2021A Certificates represent undivided interests in Basic Rent to be paid by the City of Parkville, Missouri (the "**City**") pursuant to an annually renewable Lease Purchase Agreement dated as of July 1, 2021 (the "**Lease**"), between BOKF, N.A., Kansas City, Missouri (the "**Trustee**"), as lessor, and the City, as lessee. The Trustee has agreed to execute and deliver the Series 2021A Certificates pursuant to a Declaration of Trust dated as of July 1, 2021 (the "**Declaration**"). The Basic Rent constitutes rent for use of certain personal property (the "**Leased Property**," as further described herein) pursuant to the Lease.

**The City**

The City is a fourth class city and political subdivision organized and existing under the constitution and laws of the State of Missouri.

**Plan of Financing**

Proceeds from the sale of the Series 2021A Certificates will be used, together with other available funds (a) to provide for the financing of a portion of the costs related to construction of multimodal improvements for a segment of the Missouri Route 9 corridor in the City (collectively, the "**Project**" as further described herein), (b) prepay an existing lease purchase obligation of the City (the "Prepaid Lease"), and (c) to pay the costs of issuance of the Series 2021A Certificates. The "**Leased Property**" as referred to herein consists of certain personal property acquired in the completion of capital City road maintenance funded with the Refunded Lease, and includes asphalt, gravel and all other similar materials acquired with proceeds of the Prepaid Lease for such purpose. See "**PLAN OF FINANCING – The Project**" herein. **The Leased Property does not include any interest in real property or any interest in materials related to Route 9 improvements.**

Simultaneously with the delivery of the Series 2021A Certificates, the Trustee, as lessor under the Lease, will lease the Leased Property to the City for an initial term ending December 31, 2021, with successive one-year renewal options (the "**Renewal Terms**"), with a final Renewal Term ending March 1, 2037. Each Renewal Term is subject to annual appropriation by the City Council.

---

\* Preliminary, subject to change.

A portion of each Base Rental will be used to pay interest distributable with respect to the Series 2021A Certificates, and a portion of each Base Rental will be used to pay principal and prepayment premium, if any, distributable with respect to the Series 2021A Certificates. See the caption "**PLAN OF FINANCING**" herein.

### **Limited Obligations**

Under the Lease, the City has agreed to pay Basic Rent consisting of a Principal Portion and an Interest Portion (collectively, the "**Basic Rent**") that are distributable with respect to the Series 2021A Certificates, but only if and to the extent that the City annually appropriates sufficient money to pay the Basic Rent coming due during each succeeding Renewal Term.

Neither the Series 2021A Certificates, the Lease nor any payments required under the Lease will constitute a mandatory payment obligation of the City in any year beyond the year during which the City is a lessee under the Lease, or constitute or give rise to a general obligation or other indebtedness of the City. The City is not legally obligated to budget or appropriate money for any fiscal year beyond the current fiscal year or any subsequent fiscal year in which the Lease is in effect, and there can be no assurance that the City will appropriate funds to make Basic Rent or renew the Lease after the Initial Term or any Renewal Term of the Lease. The City may terminate its obligations under the Lease on an annual basis. The City will have the option to purchase the Trustee's interest in the Leased Property as provided in the Declaration and the Lease.

Neither the Series 2021A Certificates nor the Lease will constitute a debt or liability of the City, the State of Missouri or any political subdivision thereof, nor will they constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. The execution and delivery of the Lease will not obligate the City to levy any form of taxation for the payments required thereunder or to make any appropriation for such payments in any fiscal year subsequent to a fiscal year in which the Lease is in effect.

### **Risk Factors**

Payment of the principal and interest distributable with respect to the Series 2021A Certificates is subject to certain risks. See the caption "**RISK FACTORS AND INVESTMENT CONSIDERATIONS.**"

### **Parity Obligations**

The Declaration provides for the future delivery of Additional Certificates, if delivered, to be secured on a parity with the Series 2021A Certificates and any other Additional Certificates then Outstanding under the Declaration. The Series 2021A Certificates, together with any Additional Certificates, are collectively the "Certificates." See the caption "**FORMS OF THE DOCUMENTS** " in *Appendix C* hereto.

## Continuing Disclosure Information

The City will enter into a Continuing Disclosure Undertaking (the “Continuing Disclosure Undertaking”) for the benefit of the beneficial owners of the Series 2021A Certificates to send certain information annually and to provide notice of certain events to the Municipal Securities Rulemaking Board (“MSRB”) through its Electronic Municipal Market Access system (“EMMA”) pursuant to the requirements of SEC Rule 15c2-12 (the “Rule”) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended. The form of Continuing Disclosure Undertaking is set forth in *Appendix D*, attached hereto and made a part hereof and entitled “CONTINUING DISCLOSURE UNDERTAKING.”

The City believes that it has timely filed required operating and financial data required by previous undertakings since the fiscal year ended December 31, 2016, other than the annual operating data for the fiscal year 2016 was not filed within the time period specified by the prior undertakings. The City did not file notices of defeasances, redemptions and rating changes, if any, which were available from other sources.

A failure by the City to comply with the Continuing Disclosure Undertaking will not constitute a default under the respective authorizing resolutions (the “Resolutions”), and beneficial owners of the Series 2021A Certificates are limited to the remedies described in the Continuing Disclosure Undertaking. A failure by the City to comply with the Continuing Disclosure Undertaking must be reported in accordance with the Rule, and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Obligations in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Obligations and their market price.

## Definitions and Descriptions; Inspection of Documents

All capitalized terms used in this Official Statement not defined in the text hereof are defined under the in *Appendix C* to this Official Statement. Brief descriptions of the Series 2021A Certificates, the Lease, the Declaration and certain other matters are included in this Official Statement. Such descriptions do not purport to be comprehensive or definitive. All references herein to the Lease and the Declaration are qualified in their entirety by reference to such documents, copies of which may be requested from Baker Tilly Municipal Advisors, LLC via the following email address: [bond\\_service@bakertilly.com](mailto:bond_service@bakertilly.com). ## THE SERIES 2021A CERTIFICATES

### Description

The Series 2021A Certificates are dated the date set forth on the cover page hereof. The Principal Portion of Basic Rent distributable with respect to each Series 2021A Certificate will bear interest at specified rates as set forth on the inside cover page hereof. The Interest Portion of Basic Rent distributable with respect to the Series 2021A Certificates will be payable semiannually on March 1 and September 1 of each year beginning on March 1, 2022 (collectively the “**Payment Dates**”). The Principal Portion of Basic Rent distributable with respect to the Series 2021A Certificates is payable on March 1 of each year in the principal amounts set forth on the inside cover page of this Official Statement.

Interest distributable with respect to the Series 2021A Certificates is payable by (a) check or draft mailed by the Trustee to the person in whose name each Certificate is registered on the 15th day of the month next preceding each Payment Date at such person's address as it appears on the registration books kept by the Trustee under the Declaration (the “**Register**”), or (b) in the case of the payment of Interest Portions to the Securities Depository or any Registered Owner of \$500,000 or more in aggregate principal amount of Series 2021A

Certificates, by electronic transfer to such Registered Owner upon written notice given to the Trustee by such Registered Owner not less than five days prior to the Record Date for such Interest Portions, containing the electronic transfer instructions including the bank (which shall be in the continental United States), ABA routing number and account name and account number to which such Registered Owner wishes to have such transfer directed. Principal distributable with respect to the Certificates is payable upon presentation and surrender thereof at the principal corporate trust office of the Trustee.

### **Prepayment Provisions**

***Optional Prepayment.*** The Series 2021A Certificates or portions thereof with a stated maturity of March 1, 2032 and thereafter are subject to prepayment on March 1, 2031 and thereafter in whole or in part at any time at a prepayment price equal to 100% of the Principal Portion of Basic Rent represented thereby plus the Interest Portion of Basic Rent accrued thereon to the Prepayment Date.

***Partial Prepayment of Certificates.*** Certificates will be prepaid only in the principal amount of \$5,000 each or integral multiples thereof. In the case of a partial prepayment of Certificates when Certificates of denominations greater than \$5,000 are then outstanding, each \$5,000 of principal amount will be treated as though it were a separate Certificate of the denomination of \$5,000.

***Selection of Certificates.*** With respect to any partial prepayment of the Certificates and unless otherwise provided in the Declaration, the particular Certificates to be prepaid will be prepaid in such order of stated payment dates as the City determines and within each stated payment date by such equitable manner as the Trustee determines.

***Notice of Prepayment.*** Official notice of any prepayment of Certificates is required to be given by the Trustee by mailing a copy of the notice at least 30 days prior to the prepayment date by first class mail to the Owner of the Certificate or Certificates to be prepaid, at the address shown on the Register on the date the notice is mailed, as more fully described in the Declaration.

### **Acceleration**

If the Lease is terminated upon the occurrence of an Event of Nonappropriation or an Event of Default occurs under the Declaration or the Lease and in either case the terms and conditions of the Declaration are satisfied, the Principal Portion of Basic Rent then due and unpaid during the then current fiscal year with respect to the Certificates will be declared immediately due and payable. If sufficient money is not available to pay in full all interest and principal then due with respect to the Certificates, the Trustee will, after the payment of costs and expenses related to exercising remedies under the Declaration, apply all available money first to the payment of all interest due with respect to the Certificates, *pro rata* if necessary, and second to the payment of the principal due with respect to the Certificates, *pro rata* if necessary. See "**RISK FACTORS AND INVESTMENT CONSIDERATIONS**" below and "**FORMS OF THE DOCUMENTS**" in *Appendix C* hereto.

### **BOOK-ENTRY ONLY SYSTEM**

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2021A Certificates. The Series 2021A Certificates will be delivered as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2021A Certificates, each in the aggregate principal amount of such maturity.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency"

registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation, and Emerging Markets Clearing Corporation (NSCC, FICC and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA+". The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series 2021A Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2021A Certificates on DTC's records. The ownership interest of each actual purchaser of each Certificate ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021A Certificates are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2021A Certificates, except in the event that use of the book-entry system for the Series 2021A Certificates is discontinued.

To facilitate subsequent transfers, all Series 2021A Certificates deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2021A Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2021A Certificates; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2021A Certificates are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2021A Certificates may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2021A Certificates, such as prepayments, defaults, and proposed amendments to the related documents. For example, Beneficial Owners of Series 2021A Certificates may wish to ascertain that the nominee holding the Series 2021A Certificates for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Prepayment notices shall be sent to DTC. If less than all of the Series 2021A Certificates within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2021A Certificates unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2021A Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of Principal Portions and Interest Portions on the Certificates will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Trustee, on each payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of prepayment proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2021A Certificates at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2021A Certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2021A Certificates will be printed and delivered.

**The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof, and neither the DTC Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.**

#### **Transfer Outside Book-Entry Only System**

If the Book-Entry Only System is discontinued the following provisions would apply. The Certificates are transferable only upon the Register upon presentation and surrender of the Certificates, together with instructions for transfer. Certificates may be exchanged for other Certificates of any denomination authorized by the Declaration in the same aggregate principal amount, series, payment date and interest rate, upon presentation to the Trustee, subject to the terms, conditions and limitations and upon payment of any tax, fee or other governmental charge required to be paid with respect to any such registration, exchange or transfer.

### **SECURITY FOR THE CERTIFICATES**

#### **Limited Obligations; Sources of Payment**

Each Certificate evidences the undivided interest of the Owner thereof in the right to receive Basic Rent to be made by the City under the Lease. The Series 2021A Certificates are payable solely out of the Basic Rent and other money and investments held by the Trustee under the Declaration.

The City's obligation to make Basic Rent and other payments under the Lease is subject to annual appropriation by the City and will not constitute a debt or liability of the City, the State of Missouri or any political subdivision thereof, or an indebtedness within the meaning of any constitutional or statutory debt

limitation or restriction. The execution and delivery of the Lease and the Certificates will not obligate the City to levy any form of taxation therefor or to make any appropriation for their payment in any fiscal year subsequent to a fiscal year in which the Lease is in effect.

Under the terms of the Lease, if the City elects to renew the Lease at the end of the Initial Term or any Renewal Term, it is obligated to budget, appropriate and set aside a portion of its general revenues derived from user fees and other sources, which appropriation must be sufficient to make the Basic Rent coming due during the ensuing fiscal year. The City is obligated to make Basic Rent to the Trustee on the 15th of each month preceding each Payment Date, which payments will be distributable as principal and interest with respect to the Certificates (but only if the City elects to renew the Lease for each Renewal Term). **There can be no assurance that the City will appropriate funds for Basic Rent or renew the Lease after the initial term. The City is not legally required to budget or appropriate money for any subsequent fiscal year beyond the current fiscal year.**

The City anticipates that it will fund the majority of Basic Rent payments from the proceeds of a 1% sales tax levied by the 9 Highway Corridor Community Improvement District (the "CID"). The CID is a separate political division with an independent Board of Directors. The CID sales tax must be annually appropriated by the CID Board of Directors for payment to the City. **As a consequence, potential investors should evaluate the capability of the City to make Basic Rent payments from sources other than the CID sales tax.**

#### **Parity Obligations**

Additional Certificates may be delivered without the consent of the Owners of the Certificates to (a) refund the Certificates of any series, and (b) fund the costs of completing the Project or for additional projects for the City.

All Additional Certificates will be secured by the lien of the Declaration and will rank on a parity with the Series 2021A Certificates and any Additional Certificates. Unless provided otherwise in a supplement to the Declaration, any Additional Certificates will be in substantially the same form as the Series 2021A Certificates, but will bear such date or dates, bear such interest rate or rates, have such payment date or dates, prepayment dates and prepayment premiums, and be issued at such prices as are approved in writing by the City, subject to the requirements of the Declaration.

#### **THE TRUSTEE**

BOKF, N.A., Kansas City, Missouri, will be the Trustee under the Declaration and a party to the Lease. The Trustee may consult with counsel, and the opinion of such counsel will be full and complete authorization and protection with respect to any action taken or suffered by the Trustee in good faith in accordance with such opinion. The Trustee may execute any trusts or powers or perform the duties required by the Declaration or the Lease by or through attorneys, agents or receivers and will not be answerable for the default or misconduct of any such attorney, agent or receiver selected by it in good faith.

The Series 2021A Certificates are executed by the Trustee, not individually or personally but solely as Trustee under the Declaration, in the exercise of the power and authority conferred upon and invested in it as such Trustee. Except for its negligence or willful misconduct, nothing contained in the Declaration or the Lease is to be construed as creating any liability on the Trustee, individually or personally, to perform any covenant either express or implied in the Certificates, the Declaration or the Lease, all such liability, if any, being expressly waived by the Owners of the Certificates by the acceptance thereof and by each and every person now or hereafter claiming by, through or under the Trustee or the Owners of the Certificates. Insofar as the City is concerned, the Trustee and the Owner of any Certificate and any person claiming by, through or under the Trustee or the Owner of any Certificate may look solely to the Trust Estate described in the Declaration for payment of the interests evidenced by the Certificates.

As security for the compensation, expenses, disbursements and indemnification to which it is entitled upon the occurrence of an Event of Default under the Declaration or an Event of Nonappropriation under the Lease, the Trustee will have a first lien with right of payment prior to payment on account of any principal or interest with respect to the Certificates for such compensation, expenses, disbursements and indemnification.

## **RISK FACTORS AND INVESTMENT CONSIDERATIONS**

*The purchase of the Series 2021A Certificates involves certain investment risks that are discussed throughout this Official Statement. Each prospective purchaser of the Series 2021A Certificates should make an independent evaluation of all of the information presented in this Official Statement in order to make an informed investment decision. Certain risk factors relating to the Series 2021A Certificates are described below.*

### **Limited Obligations**

The Series 2021A Certificates represent an interest in the right to receive amounts due under the Lease, which constitute currently budgeted expenditures of the City, payable only if the City appropriates sufficient money to extend the term of the Lease for each successive fiscal year. The Initial Term of the Lease expires on December 31, 2021. The Lease is thereafter subject to successive one-year Renewal Terms commencing on January 1 of each year, and a final renewal term ending March 1, 2037. The City's obligations under the Lease do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Although the City intends to satisfy its obligations to pay Basic Rent out of the revenues generated from various sources, none of those revenues are pledged to the payment of the Certificates.

The City has declared its current intention and expectation that the Lease will be renewed annually until the City exercises its option to acquire the Trustee's interest in the Leased Property. However, such a declaration may not be construed as contractually obligating or otherwise binding the City. Accordingly, the likelihood that the City will renew the Lease for all Renewal Terms and continue to pay the Basic Rent thereunder for distribution by the Trustee with respect to the Series 2021A Certificates is dependent upon certain factors which are beyond the control of the Owners, including (1) the availability of funds from the Series 2021A Certificates or other sources in an amount sufficient to complete the Project, (2) the City's continuing need for the Leased Property, (3) the demographic conditions within the City, (4) the City's ability to generate sufficient funds from various sources to pay its obligations under the Lease and its other obligations, and (5) the value of the Leased Property if assigned or subleased in proceedings instituted by the Trustee if the term of the Lease is terminated as a result of an Event of Default or Event of Nonappropriation.

The City anticipates that it will fund the majority of Basic Rent payments from the proceeds of a 1% sales tax levied by the 9 Highway Corridor Community Improvement District (the "CID"). The CID is a separate political division with an independent Board of Directors. The CID sales tax must be annually appropriated by the CID Board of Directors for payment to the City. **As a consequence, potential investors should evaluate the capability of the City to make Basic Rent payments from sources other than the CID sales tax.**

### **No Reserve Fund**

No debt service reserve fund is being established for the Series 2021A Certificates.

## **Expiration or Termination of the Lease**

The Lease will expire by its terms on December 31 during each year from 2021 through 2037 (with an final term ending March 1, 2037), unless the City in its sole discretion exercises the option provided in the Lease to extend its term for each next succeeding Renewal Term. If the City does not extend in any year the term of the Lease, the City's obligation to make payments will terminate on the December 31 occurring at the end of the Initial Term or the then current Renewal Term. Upon (1) the expiration of the Initial Term or any Renewal Term during which an Event of Nonappropriation occurs or (2) a default under the Lease and an election by the Trustee to terminate the City's possessory interest under the Lease, the City's right of possession of the Leased Property under the Lease will expire or be terminated, as appropriate. See **"FORMS OF THE DOCUMENTS"** in *Appendix C* hereto.

If the City's right of possession of the Leased Property under the Lease expires or is terminated for either of the reasons described in the preceding paragraph, the City's obligation to make payments thereunder will continue through the Initial Term or the Renewal Term then in effect, but not thereafter, and the Series 2021A Certificates will be payable from, among other sources, such money as may be available by way of recovery from the City of the Basic Rent that are due through the Initial Term or the Renewal Term then in effect. If the Lease expires at the end of the Initial Term or a Renewal Term without any extension for the next succeeding Renewal Term or if an event occurs as described above pursuant to which the Trustee terminates the City's right of possession of the Leased Property under the Lease, the Trustee may take possession of or sell its interest in the Leased Property as provided in the Lease and the Declaration. The net proceeds of any sale or assignment of the Trustee's interest in the Leased Property, together with certain other money then held by the Trustee under the Declaration, are required to be used to pay the Certificates to the extent of such money.

**Due to the nature of the Leased Property, no assurance can be given that the Trustee could sell or assign its interest in the Leased Property for the amount necessary (after taking into account money legally available from other sources) to pay in full the Principal and Interest Portions of Basic Rent then due with respect to the Certificates. The Leased Property consists of gravel and asphalt that has been incorporated into City streets. The Leased Property does not include any interest in real property. Furthermore, it is unlikely that the amount, if any, realized upon any sale or assignment of the Trustee's interest in the Leased Property will be available to provide for the payment of the Certificates on a timely basis or in a sufficient amount for that purpose. The value of the Leased Property is less than the principal amount of the Series 2021A Certificates.**

## **Delays in Exercising Remedies**

A termination of the City's right of possession of the Leased Property under the Lease as a result of an Event of Default or an Event of Nonappropriation or expiration of the term of the Lease at the end of the Initial Term or any Renewal Term without an extension for the next succeeding Renewal Term will give the Trustee the right to possession of, and the right to sell or assign its interest in, the Leased Property in accordance with the provisions of the Lease and the Declaration. However, the enforceability of the Declaration is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and liens securing such rights, the exercise of judicial authority by the State of Missouri or federal courts and the exercise by the United States of America of the powers delegated to it by the U.S. Constitution.

Further, the Leased Property is used by the City for the performance of its governmental functions. Due to the governmental use of the Leased Property and the delays inherent in obtaining possession of the Leased Property and other judicial remedies, no assurance can be given that (1) a court, in the exercise of judicial discretion, would enforce these remedies in a timely manner, or (2) any money realized by the Trustee upon an exercise of any remedies would be sufficient to pay in full the principal and Interest Portions of Basic Rent with respect to the Certificates. The legal opinions to be delivered with the delivery of the Series 2021A Certificates will be qualified as they relate to the enforceability of the various legal instruments by reference to the limitations on enforceability of those instruments under (1) applicable bankruptcy, insolvency, reorganization or similar laws

affecting the enforcement of creditors' rights, (2) general principles of equity, and (3) the exercise of judicial discretion in appropriate cases. If such money is insufficient to pay all outstanding Certificates in full, the Certificates would be paid in part on a *pro rata* basis. Any delays in the ability of the Trustee to obtain possession of the Leased Property will, of necessity, result in delays in any payment of principal and Interest Portions of Basic Rent with respect to the Certificates.

### **Damage or Destruction of the Leased Property**

The Lease requires the Leased Property to be insured as described in "**FORMS OF THE DOCUMENTS**" in *Appendix C* hereto. If the Leased Property is damaged or destroyed, the City is nevertheless required to continue to make payments under the Lease, subject to the exercise of its option to extend the term of the Lease for each next succeeding Renewal Term and to the application of Net Proceeds from insurance and certain other sources to repair, restore, modify, improve or replace the affected portion of the Leased Property. If the Net Proceeds from insurance and such other sources are sufficient to repair, restore, modify, improve or replace the affected portion of the Leased Property, such proceeds are to be so applied. If the Net Proceeds are insufficient for such purpose, (1) the City is obligated to commence and thereafter complete the work and pay any cost in excess of such net proceeds, but only from Supplemental Rent appropriated by the City, in order for the affected portion of the Leased Property to be repaired, restored and replaced, (2) if the failure to repair or restore does not materially detract from the value of the Leased Property, such net proceeds may be deposited into the Certificate Payment Fund or (3) the City may apply net proceeds to the payment of all or a portion of the Option Price applicable on the next available Optional Payment Date.

There can be no assurance either as to the adequacy of or timely payment under property damage insurance in effect at that time or that the City will elect to extend the term of the Lease for the next Renewal Term succeeding such damage or destruction. See "**FORMS OF THE DOCUMENTS**" in *Appendix C* hereto.

### **Construction Risks**

Weather, labor disputes, availability of materials and supplies, casualty damages, unanticipated subsoil conditions, unanticipated construction difficulties and other "force majeure" occurrences or events or financial failure or failure to perform by a contractor, subcontractor or supplier may affect the timely construction of certain portions of the Project. No assurance can be given that the Project will be completed on schedule, within budget or without material errors and defects. Any such failure could affect the City's decision to continue appropriations and the Trustee's ability to sell or assign its interest in the Leased Property.

### **Effect on Tax-Exemption of Termination of the Lease**

Special Tax Counsel is not rendering an opinion with respect to the tax-exempt status of the Interest Portion of the Basic Rent distributable to owners of the Series 2021A Certificates subsequent to the termination of the Lease for any reason (including an Event of Default or an Event of Nonappropriation under the Lease). If the Lease is terminated while Series 2021A Certificates are outstanding, there is no assurance that payments made to Series 2021A Certificate owners after such termination with respect to interest will be excluded from gross income of the owners thereof for federal or Missouri income tax purposes.

### **Amendment of the Declaration and Lease**

Certain amendments to the Declaration and the Lease may be made with consent of the owners of not less than a majority in principal amount of the Certificates (including any Additional Certificates which may be hereafter delivered) then outstanding affected by such supplemental Declarations or supplemental leases. Such amendments may adversely affect the security of the owners of the Certificates.

### **Potential Risks Relating to COVID-19**

In December 2019, a novel strain of coronavirus (which leads to the disease known as “COVID-19”), was discovered in Wuhan, China. Since that date, the virus has spread throughout the world and has been characterized by the World Health Organization as a pandemic. The impact of the COVID-19 pandemic on the U.S. economy is expected to be broad based and to negatively impact national, state and local economies.

In response to such expectations, the President of the United States on March 13, 2021, declared a “national emergency,” which, among other effects, allows the executive branch to disburse disaster relief funds to address the COVID-19 pandemic and related economic dislocation. On March 13, 2021, the Governor of the State signed an Executive Order declaring a state of emergency in the State in response to COVID-19. On April 24, 2021, the Governor signed another Executive Order extending the state of emergency in the State through June 15, 2021. On June 11, 2021, the Governor signed another Executive Order extending the state of emergency in the State through December 30, 2021. The stated purpose of the Executive Orders is to allow more flexibility in utilizing resources and deploying them around the State where they are most appropriate, including allowing the Governor to waive certain State laws and regulations where necessary.

On April 3, 2021, the Governor issued a “stay at home order,” which began on April 6, 2021, and ended on May 4, 2021, requiring all Missourians to avoid leaving their residences unless necessary and to practice social distancing when travel outside their residences was necessary. On April 27, 2021, the Missouri Department of Health and Senior Services (“DHS”) issued the “Show Me Strong Recovery Order,” which went into effect on May 4, 2021 and ended on May 31, 2021. On May 28, 2021, DHS issued the “Economic Reopening Order,” which went into effect on June 1, 2021 and ended on June 15, 2021. Both DHS orders provide guidelines for individuals and businesses in the State to gradually reopen economic and social activity. The DHS orders expired on June 16, 2021, and the State is not currently under a statewide public health order. Despite the expiration of statewide orders, the State remains under a “State of Emergency” through December 30, 2021 per Executive Order 20-12 and cities and counties have the ability, and continue, to impose local public health orders restricting economic activities within the State.

According to Platte County, Missouri (where the City is located) as of May 4, 2021 43.43% of eligible Platte County residents within the County Health Departments’ jurisdiction had received at least one dose of COVID-19 vaccine and 35.06% were fully vaccinated. Neither the City or County has any current mask mandates or similar public health orders.

### **Other Factors**

The City intends to satisfy its obligation to pay Basic Rent under the Lease out of various revenues of the City. Purchasers of the Certificates should be aware, however, that such revenues are not pledged to the payment of the Certificates. Additionally, one or more of the following factors or events could adversely affect the City’s operations and financial performance to an extent that cannot be determined at this time:

1. *Changes in Management.* Changes in key management personnel could affect the capability of the management of the City.

2. *Future Economic Conditions.* Adverse economic conditions or changes in demographics in the City, including increased unemployment and inability to control expenses in periods of inflation, could adversely impact the City’s financial condition.

3. *Insurance Claims.* Increases in the cost of general liability insurance coverage and the amounts paid in settlement of liability claims not covered by insurance could adversely impact the City’s financial performance.

4. *Environmental Hazards.* The City has covenanted in the Lease to comply with all applicable environmental laws. The City is not aware of any environmental condition at the Leased Property that requires

any present remedial action. The discovery of such a condition may adversely affect the City's willingness to renew the Lease after the expiration of the Initial Term or any Renewal Term.

5. *Natural Disasters.* The occurrence of natural disasters, such as floods, droughts or earthquakes, could damage the facilities of the City, interrupt services or otherwise impair operations of the City.

## TAX MATTERS

The following is a summary of the material federal and State of Missouri income tax consequences of holding the Series 2021A Certificates. This summary is based upon laws, regulations, rulings and judicial decisions now in effect, all of which are subject to change (possibly on a retroactive basis). This summary does not (1) discuss all aspects of federal income taxation that may be relevant to investors in light of their personal

investment circumstances; (2) describe the tax consequences to certain types of owners subject to special treatment under the federal income tax laws; (3) except for the income tax laws of the State of Missouri, discuss the consequences to an owner under any state, local or foreign tax laws; or (4) deal with the tax treatment of persons who purchase the Series 2021A Certificates in the secondary market.

*Prospective investors are advised to consult their own tax advisors regarding federal, state, local and other tax considerations of holding and disposing of the Series 2021A Certificates.*

### **Federal Income Tax Consequences of Owning Series 2021A Certificates**

The Internal Revenue Code of 1986, as amended (the “Code”), imposes certain requirements that must be met subsequent to the issuance and delivery of the Series 2021A Certificates in order for the Interest Portion of Basic Rent paid by the County under the Lease and distributed to the owners of the Series 2021A Certificates (the “Interest Portion”) to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements would cause the Interest Portion to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2021A Certificates. The City has covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of interest of the Interest Portions from gross income for federal income tax purposes pursuant to Section 103 of the Code. Special Counsel assumes compliance with these requirements. In addition, the County has made certain representations and certifications in regards to the Series 2021A Certificates and the Lease. Special Counsel will not independently verify the accuracy of those representations and certifications.

In the opinion of Special Counsel, under existing law and assuming compliance with the aforementioned covenants, and the accuracy of the aforementioned representations and certifications of the County, the Interest Portion (including any original issue discount properly allocable to an owner of the Series 2021A Certificates) is excludable from gross income for federal income tax purposes under Section 103 of the Code and is not an item of tax preference for purposes of the federal alternative minimum tax. The Series 2021A Certificates have been designated as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. Special Counsel expresses no opinion regarding any other federal tax consequences arising with respect to the ownership or disposition of, or the accrual or receipt of interest on, the Series 2021A Certificates.

### **State Taxes**

Special Counsel is also of the opinion that, under existing law and assuming that the Interest Portion is excluded from gross income for federal income tax purposes, the Interest Portion (including any original issue discount properly allocable to an owner of the Series 2021A Certificates) is excluded from Missouri taxable income for purposes of the personal income tax and corporate income tax imposed by the State of Missouri under Chapter 142 of the Revised Statutes of Missouri. Special Counsel expresses no opinion as to whether the Interest Portion is exempt from the taxes imposed by the State of Missouri on financial institutions under Chapter 148 of the Revised Statutes of Missouri.

### **Original Issue Discount**

Special Counsel is also of the opinion that, subject to the conditions set forth above, the original issue discount (as described below) is the selling price of any Series 2021A Certificate sold in the initial offering to the public at a price less than the par amount thereof (hereinafter referred to as the “OID Certificates”), to the extent properly allocable to each owner of such Series 2021A Certificate, is excluded from gross income for federal income tax purposes with respect to such owner. Original issue discount is the excess of the stated redemption price at maturity of an OID Certificate over its issue price. Under Section 1288 of the Code, the issue price of an OID Certificate is generally the first price at which a substantial amount of the Series 2021A Certificates of that maturity have been sold to the public. Under Section 1288 of the Code, original issue discount on tax-exempt obligations accrues on a compound basis. For an owner who acquires an OID Certificate in this

offering, the amount of original issue discount that accrues during any accrual period generally equals (1) the issue price of that OID Certificate, plus the amount of original issue discount accrued in all prior accrual periods, multiplied by (2) the yield to maturity on that OID Certificate (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), less (3) any interest payable on that OID Certificate during that accrual period. The amount of original issue discount accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for federal income tax purposes, and will increase the owner's tax basis in that sale or exchange of such OID Certificate. Any gain realized by an owner from a sale, exchange, payment or redemption of an OID Certificate would be treated as gain from the sale or exchange of such OID Certificate. Owners of OID Certificates should consult with their individual tax advisors to determine whether the application of the original issue discount rules and regulations for federal tax purposes require inclusion for state and local income tax purposes of an amount of interest on the OID Certificates as income, even though no corresponding cash interest payment is actually received during the tax year.

### **Original Issue Premium**

The Series 2021A Certificates to be sold in the initial offering at a price greater than the principal amount thereof (hereinafter referred to as the "OIP Certificates") are offered at a price in excess of the principal amount thereof resulting in a yield less than the interest rate for each such maturity as shown on the cover page hereof. Under the Code, the difference between the principal amount of an OIP Certificate and the cost basis of such OIP Certificate to an owner thereof is "bond premium." Under the Code, bond premium is amortized over the term of an OIP Certificate for federal income tax purposes. An owner of an OIP Certificate is required to decrease its basis in such OIP Certificate by the amount of the amortizable bond premium attributable to each taxable year (or portion thereof) it owns the OIP Certificate. The amount of the amortizable bond premium attributable to each taxable year is determined on an actuarial basis at a constant interest rate determined with respect to the yield on an OIP Certificate compounded on each interest payment date. The amortizable bond premium attributable to a tax year is not deductible for federal income tax purposes. Owners of OIP Certificates (including purchasers of OIP Certificates in the secondary market) should consult their own tax advisors with respect to the precise determination for federal income tax purposes of the treatment of bond premium upon sale, redemption, or other disposition of such OIP Certificates and with respect to the state and local consequences of owning and disposing of such OIP Certificates.

### **Other Federal Tax Matters**

Ownership of the Series 2021A Certificates may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, individuals seeking to claim the earned income credit and taxpayers (including banks, thrift institutions, and other financial institutions) who may be deemed to have incurred or continued indebtedness to purchase or to carry the Series 2021A Certificates.

Interest paid on tax-exempt obligations such as the Lease (the proportionate ownership of which is represented by the Series 2021A Certificates) is subject to information reporting to the Internal Revenue Service (the "IRS") in a manner similar to interest paid on taxable obligations. In addition, the Interest Portion paid with respect to the Series 2021A Certificates may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner's taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Special Counsel is not rendering any opinion as to any federal tax matters other than those described under the caption "Tax Matters." Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning

and disposing of the Series 2021A Certificates, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

THE FOREGOING DISCUSSION IN “**TAX MATTERS**” WAS NOT INTENDED OR WRITTEN BY SPECIAL COUNSEL TO BE USED, AND IT CANNOT BE USED, FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON AN OWNER OF THE SERIES 2021A CERTIFICATES. THE FOREGOING DISCUSSION IN “TAX MATTERS” WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE SERIES 2021A CERTIFICATES. EACH PROSPECTIVE PURCHASER OF THE SERIES 2021A CERTIFICATES SHOULD SEEK ADVICE BASED ON THE PROSPECTIVE PURCHASER’S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

### **RATING**

Application for a rating on the Series 2021A Certificates has been made to S&P Global Ratings (“S&P”), 55 Water Street, New York, New York. If ratings are assigned, they will reflect only the opinion of S&P. Any explanation of the significance of the ratings may be obtained only from S&P.

There is no assurance that a rating, if assigned, will continue for any given period of time, or that such rating will not be revised, suspended or withdrawn, if, in the judgment of S&P, circumstances so warrant. A revision, suspension or withdrawal of a rating may have an adverse effect on the market price of the Obligations.

### **ABSENCE OF LITIGATION**

There is not now pending or, to the City's knowledge, threatened, any litigation seeking to restrain or enjoin or in any way limit the approval or the delivery of this Official Statement or the Series 2021A Certificates or the proceedings or authority under which they are to be delivered. There is no litigation pending or, to the City's knowledge, threatened which in any manner challenges or threatens the City's powers to enter into or carry out the transactions contemplated by the Declaration, the Lease and this Official Statement, or which would materially and adversely affect the financial condition of the City.

### INTRODUCTION

The issuance of debt is a strategy for financing major capital expenditures that otherwise might not be achievable with pay-as-you-go financing. Determining the method and timing for financing is subject to numerous considerations. For the purpose of this policy, debt financing includes general obligation bonds, special assessment bonds, revenue bonds, temporary notes, lease/purchase agreements including certificates of participation, and other City obligations permitted to be issued or incurred under Missouri law.

The Debt Management Policy sets forth guidelines for the financing of capital expenditures. It is the objective of the policies that (1) the City obtain financing only when necessary, (2) the process for identifying the timing and amount of debt or other financing be as efficient as possible, (3) the most favorable interest rate and other related costs be obtained, and (4) when appropriate, future financial flexibility be maintained.

The cost of financing through the issuance of debt is also affected by the strength of the City's financial position. Bond ratings and investor's bids are influenced by the City's debt management policies, as well as, the overall financial policies of the City. The City's debt policies are intended to encourage conservative debt management while maintaining the flexibility to use the various financing mechanisms that are available to the City.

### POLICIES

#### 1. General Policies

- a. To enhance creditworthiness and prudent financial management, the City is committed to systematic capital planning, intergovernmental cooperation and coordination, and long-term financial planning. Evidence of this commitment to capital planning will be demonstrated through adoption and periodic adjustment of the Parkville Master Plan and the annual adoption of a Capital Improvement Program (CIP) identifying the benefits, costs, and method of funding each capital improvement planned for the succeeding five years.
- b. Long-term borrowing shall be limited to capital equipment and capital improvements that cannot be financed from current revenues. Long-term debt shall not be used for ongoing operating and maintenance expenditures.

- c. In general, long-term financing will only be considered under the following circumstances:
  - i. When the project/equipment is included in the City's CIP and is in conformance with the Parkville Master Plan.
  - ii. When the project/equipment is not included in the City's CIP but it is an urgent need or it is a project/equipment mandated immediately by state or federal requirements, or it is a desirable project/equipment for which grant money has been offered and the matching funds are not readily available from other sources.
  - iii. When the project is the result of growth-related activities within the community that require unanticipated and unplanned infrastructure or capital improvements by the City.
  - iv. When there are designated revenues sufficient to service debt, whether from project revenues, other specified and reserved resources, or infrastructure cost sharing revenues.
- d. Any capital improvement projects or capital equipment financed through debt should be financed for a period not to exceed the expected useful life of the project or equipment.
- e. Total debt outstanding, including overlapping debt, will be considered when planning additional debt issuance.
- f. Financing requirements will be reviewed annually. The timing for financing will be based upon the City's need for funds, market conditions and debt management policies.
- g. The City seeks to maintain the highest possible credit ratings for all categories of short- and long-term general obligation and revenue debt that can be achieved without compromising the delivery of basic City services and the achievement of adopted City policy objectives. The City recognizes that external economic, natural, or other events may from time to time affect the creditworthiness of its debt. Nevertheless, the City is committed to ensuring that actions within its control are prudent.
- h. In general, the City will issue general obligation debt through a competitive bidding process. Bids will be awarded on a true interest cost basis (TIC), provided other bidding requirements are satisfied. Issuance of other City debt will be by competitive bidding process or negotiated sale depending on the nature of the debt being issued. Factors to be considered in determining the form of sale include, but are not limited to, the complexity of the issue; the need for specialized expertise; maximizing savings in time or money; or circumstances in which market conditions or City credit are unusually volatile or uncertain. The underwriter(s) for a negotiated sale will be selected through a competitive request for proposals process that considers criteria such as experience, capacity, expertise, and price.

- i. The primary responsibility for administering this policy rests with the City Administrator, who shall be assisted by other City staff. The primary responsibility for adopting, and for periodically reviewing and as needed amending, this policy rests with the Board of Aldermen upon recommendation from the Finance Committee.

## **2. Evaluation Criteria**

The following criteria will be used to evaluate pay-as-you-go versus debt financing in funding capital improvements and equipment:

- a. Factors which favor pay-as-you-go financing include the following:
  - i. Current revenues and fund balances are available.
  - ii. Phasing-in of projects is feasible.
  - iii. Additional debt levels would adversely affect the City's credit rating.
  - iv. Market conditions are unfavorable or suggest difficulties in marketing new debt.
- b. Factors which favor debt financing include the following:
  - i. Revenues available for debt issues are considered sufficient and reliable so that long-term financing can be marketed with an appropriate credit rating, which can be maintained;
  - ii. Market conditions present favorable interest rates and demand for City debt financing.
  - iii. A project is mandated by state or federal government and current revenues or fund balances are insufficient to pay project costs.
  - iv. A project is immediately required to meet or relieve capacity needs.
  - v. The life of the project or asset financed is five years or longer.
  - vi. The life of the project or asset is less than five years, but short-term financing that does not exceed the useful life of the project or asset is feasible.
  - vii. Cost savings can be achieved by completing improvements as a single large project rather than as a multi-year series of pay-as-you-go smaller projects.
- c. The City shall use an objective analytical approach to determine whether it can afford to assume new general obligation bonds beyond what it retires each year. Generally this process will evaluate debt levels compared to key demographic data such as debt per capita, debt as a percentage of taxable value, debt service payments as a percent of current revenues and expenditures, and the overlapping debt of all local

taxing jurisdictions. The process shall also examine the direct costs and benefits of any proposed expenditures.

- d. For eligible projects, the City should consider a Fewson Fund loan as an alternative to traditional debt financing in order to eliminate or reduce financing costs. Fewson Fund loans should be evaluated based on the criteria outlined in the Fewson Fund Policy, adopted by Resolution No. 12-01-13.
- e. For the City to issue new revenue bonds, projected annual revenues shall exceed projected debt payments to a level that will ensure prudent coverage provisions based on type of revenues and market conditions.
- f. The City shall exercise caution with the issuance of tax increment financing bonds, special assessment bonds, or other debt instruments for economic development purposes. In general, the following conditions will apply:
  - i. Economic development debt financing will only be considered for public improvements that accommodate growth and development with a direct economic impact.
  - ii. The City should avoid use of debt financing for speculative projects.
  - iii. The applicant must demonstrate that future city property and/or sales taxes will equal or exceed the value of the debt financing incentive during the term of debt issue. The City reserves the right to perform an independent cost-benefit analysis, at the applicant's cost, to verify (1) the project's return on investment for the City and (2) feasibility and capacity of the development to generate revenues adequate to cover annual debt service.
  - iv. The applicant must receive approval for a preliminary or final development plan before or in conjunction with the Board of Aldermen's consideration of economic development debt financing. The City desires to confirm that the proposed development is consistent with the Parkville Master Plan and all applicable development standards and regulations before conferring economic development incentives.
  - v. The applicant may be required to enter into a development agreement with the City as a condition of debt financing. The development agreement will address the standards and conditions unique to each project such as, but not limited to, collateral to secure the City's debt financing risk and milestones that must be met by the applicant before debt is issued.

### **3. Administration and Financing**

- a. All payments of general obligation bonds and revenue bonds shall be from a segregated debt service fund established for that purpose. The fund balance plus anticipated revenues will be maintained at a level equal to or greater than the total

principal and interest payable from that Fund for the upcoming semi-annual debt service payment.

- b. All general obligation and revenue bond proceeds shall be invested separate from the City's consolidated cash pool unless otherwise specified by the bond legislation. Investments will be consistent with those authorized by state law and the City's applicable investment policies in order to maintain safety and liquidity of the funds.
- c. The City will retain external bond counsel for all debt issues. All debt issued by the City will include a written opinion by bond counsel affirming that the City is authorized to issue the debt, stating that the City has met all State constitutional and statutory requirements necessary for issuance, and determining the debt's federal income tax status. The bond counsel retained must have comprehensive municipal debt experience and a thorough understanding of Missouri law as it relates to the issuance of municipal debt.
- d. The City will retain an external independent financial advisor to be selected through a competitive request for proposals process. The financial advisor shall not have a relationship with any underwriters. The major criteria in the selection process for a financial advisor will be comprehensive municipal debt experience, experience with diverse financial structuring and pricing of municipal securities, as well as overall cost of services.

#### **4. Debt Limitations**

- a. Debt will be structured to achieve the lowest possible net cost to the City given market conditions, the urgency of the capital project, the type of debt being issued, and the nature and type of repayment source. Moreover, to the extent possible, the City will design the repayment of its overall debt so as to rapidly recapture its debt capacity for future use.
- b. The Missouri Constitution permits a city, by vote of two-thirds of the voting electorate, to incur general obligation indebtedness for city purposes not to exceed 10% of the assessed value of taxable tangible property. The City may issue additional debt not to exceed 10% of assessed valuation (20% total) for street and sewer improvements, or purchasing or constructing water or electric utility plants. The City's total general obligation indebtedness should not exceed 80% of the limit prescribed by State law.
- c. The City does not have a prescribed limit for per capita general obligation bond principal. In evaluating opportunities to issue debt, the City will maintain per capita debt levels at rates reflective of infrastructure needs, population growth, bond rating standards, and other relevant factors.
- d. The City will not issue short term tax anticipation debt.

#### **5. Refunding of Debt**

- a. Periodic reviews of all outstanding debts will be undertaken to determine refunding opportunities. Refunding will be considered (within federal tax law constraints) if and when there is a net economic benefit of the refunding or the refunding is essential in order to modernize covenants essential to operations and management.
- b. City staff and the financial advisor shall monitor the municipal bond market for opportunities to obtain interest cost savings by refunding outstanding debt. As a general rule, current refundings will be undertaken only if there is a present value savings, and advanced refundings will be undertaken only if the present value savings, after refinancing costs, exceed 3% of the refunded debt service.
- c. Refunding issues that produce net present value savings of less than the targeted amount may be considered on a case-by-case basis. Refunding issues with negative savings will not be considered unless there is a compelling public policy objective.

## **6. Conduit Financings**

- a. The City may sponsor conduit financings in the form of Chapter 100 Industrial Revenue Bonds for those economic activities that have a general public purpose and are consistent with the City's overall service and policy objectives as determined by the Board of Aldermen. All conduit financings must insulate the City completely from any credit risk or exposure and must first be approved by the Finance Committee before being submitted to the Board of Aldermen for consideration. The City will retain the right to approve the underwriter and bond counsel, require compliance with disclosure and arbitrage requirements, and establish minimum ratings or credit worthiness acceptable for conduit debt. Credit enhancements, such as insurance or letters of credit, may be required for certain issues.

## **7. Post Issue Management**

- a. The City will establish procedures for ensuring the City is compliant with tax-exempt financing rules and regulations.
- b. Federal arbitrage legislation is intended to discourage governmental entities from issuing tax-exempt obligations unnecessarily. In compliance with the spirit of this legislation, the City will issue obligations only when it appears the proceeds will be utilized in a timely fashion. Because of the complexity of arbitrage regulations and the severity of non-compliance penalties, the City will engage outside consultants when arbitrage related questions arise and to calculate potential arbitrage liability.
- c. The City is committed to meeting secondary disclosure requirements on a timely and comprehensive basis. The City is committed to full and complete primary and secondary financial disclosure and to cooperating fully with rating agencies, institutional and individual investors, City departments and agencies, other levels of government, and the general public to share clear, comprehensible, and accurate financial information.

- d. Official statements accompanying debt issues, audited financial statements, and continuing disclosure statements will meet (at a minimum), the standards articulated by the Government Accounting Standards Board (GASB), the National Federation of Municipal Analysts, the Securities and Exchange Commission (SEC), and Generally Accepted Accounting principles (GAAP).
- e. The City shall take care to stay in compliance with all continuing disclosure agreements entered into in connection with issuance of debt. The City should thoroughly understand its obligations to gather and keep current the required information. The City will post the year-end financial report along with any other required information to the Electronic Municipal Market Access (EMMA) site maintained by the Municipal Securities Rulemaking Board (MSRB) within the time agreed to in the disclosure agreement. If a material event occurs as identified by the agreement, the City will file a notice to EMMA within 10 business days.

### COVENANT AS TO LEASE

**Section 2.01. Covenant as to Lease.** The Trustee covenants and agrees that, except in accordance with the terms of this Declaration of Trust and the Lease, it will not take any action that would result in the occurrence of an Event of Default and that it will not agree to any abatement, reduction, abrogation, waiver, diminution or other modification in any manner or to any extent whatsoever of the obligations of the City under the Lease to pay Basic Rent and to meet its other obligations as provided in the Lease.

### ARTICLE III

#### THE CERTIFICATES

**Section 3.01. Title and Amount of Certificates.** No Certificates may be executed and delivered under the Declaration of Trust except in accordance with this Article. The Certificates shall be designated and shall be in such aggregate amount as provided in **Section 3.08** hereof.

**Section 3.02. General Provisions Concerning the Certificates.**

(a) The Certificates and the form of assignment to appear thereon shall be in substantially the form set forth in **Exhibit A**, with necessary or appropriate variations, omissions and insertions as permitted or required hereby or by any Supplemental Declaration of Trust.

(b) The Certificates shall be fully registered Certificates without coupons, transferable to subsequent owners only on the books kept by the Registrar pursuant to **Section 3.06** as hereinafter provided. Each Certificate shall be in the denomination of \$5,000 and integral multiples thereof.

(c) Each of the Certificates shall represent the Interest Portion and Principal Portion of Basic Rent payable with respect thereto and shall be on a parity with the other Certificates as to the entire Trust Estate.

(d) Each series of Certificates shall be numbered from 1 upward, shall be dated and the Principal Portion shall be payable, subject to prior prepayment upon the terms and conditions hereinafter set forth, and shall represent Interest Portions of Basic Rent calculated at certain rates as set forth in this Declaration of Trust or any Supplemental Declaration of Trust authorizing such series of Certificates.

(e) The Interest Portion of the Basic Rent represented by each Certificate shall be payable from the date thereof or the most recent date to which said Interest Portion has been paid. The Interest Portion of the Basic Rent represented by the Certificates shall be paid on each March 1 and September 1, commencing on March 1, 2022.

(f) Payment of the Interest Portion of the Basic Rent represented by any Certificates shall be made to the person appearing on the registration books of the Registrar as the Owner thereof on the Record Date, such Interest Portion to be paid to such Owner by check or draft drawn on the Trustee and mailed to such Owner's address as it appears on the registration books of the Registrar on the Record Date or in the case of such Interest Portion to any Owner of \$100,000 or more in aggregate principal amount of Certificates, by electronic transfer to such Owner upon written notice given to the Trustee by such Owner not less than 5 days prior to the Record Date for such Interest Portion, containing the electronic transfer

instructions including the bank (which shall be in the continental United States), ABA routing number and account name and number to which such Owner wishes to have such transfer directed.

(g) The Interest Portion of the Basic Rent represented by any Certificates shall be computed with respect to such Certificates on the basis of a 360-day year of twelve 30-day months.

(h) The Principal Portion of the Basic Rent and prepayment premium, if any, represented by the Certificates shall be payable (whether at maturity or upon prepayment or acceleration) by check or draft to the Owners of such Certificates upon presentation and surrender of such Certificates at the payment office of the Trustee.

(i) Payment of Certificate Payments and of the Prepayment Price of Certificates shall be made in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for public and private debts.

**Section 3.03. Execution of Certificates.** The Certificates shall be executed by and in the name of the Trustee by the manual signature of an authorized signatory of the Trustee.

**Section 3.04. Transfer of Certificates.** Any Certificate may be transferred upon the books required to be kept pursuant to the provisions of **Section 3.06**, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Certificate for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Trustee. The Trustee or the Securities Depository shall also require the payment by the Owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer. In the event any Owner fails to provide a correct taxpayer identification number to the Trustee, the Trustee may impose a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Internal Revenue Code, such amount may be deducted by the Trustee from amounts otherwise payable to such Owner hereunder or under the Certificates.

**Section 3.05. Exchange of Certificates.** Certificates may be exchanged at the payment office of the Trustee for a like aggregate principal amount of Certificates of the same maturity, interest rate and tenor. The Trustee shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. No exchange of any Certificate shall be required of the Trustee after such Certificate has been called for prepayment.

**Section 3.06. Registration Books.** The Registrar will keep or cause to be kept at its payment office, sufficient books for the registration and transfer of the Certificates, which shall at all reasonable times be open to inspection by the City, and, upon presentation for such purpose, the Registrar shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Certificates as hereinbefore provided.

The person in whose name any Certificate shall be registered on the registration books maintained by the Registrar on the Record Date shall be deemed the owner thereof for all purposes hereof, and payment of or on account of the Interest Portions and Principal Portions of Basic Rent, represented by such Certificate shall be made only to or upon the order in writing of such Registered Owner, which payments shall be valid and effectual to satisfy and discharge the liability under the Lease as represented by such Certificate to the extent of the sum or sums so paid.

**Section 3.07. Certificates Mutilated, Lost, Destroyed or Stolen.** If any Certificate shall become mutilated, the Trustee, at the expense of the Owner of said Certificate, shall execute and deliver a new Certificate of like tenor, maturity, interest rate and number in exchange and substitution for the Certificate so mutilated (except that such number may be preceded by a distinguishing prefix), but only upon surrender to the Trustee of the Certificate so mutilated. Every mutilated Certificate so surrendered to the Trustee shall be canceled by it and destroyed. If any Certificate shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory to the Trustee and indemnity of the Trustee and the City satisfactory to the Trustee shall be given, the Trustee, at the expense of the Owner of the Certificate, shall execute and deliver a new Certificate of like tenor, maturity, interest rate, and number as the Trustee shall determine in lieu of and in substitution for the Certificate so lost, destroyed or stolen. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Certificate executed and delivered under this Section and of the expenses that may be incurred by the Trustee under this Section. Any Certificate executed and delivered under this Section in lieu of any Certificate alleged to be lost, destroyed or stolen shall be equally and proportionately entitled to the benefits of this Declaration of Trust with all other Certificates secured by this Declaration of Trust. The Trustee shall not be required to treat both the original Certificate and any replacement Certificate as being Outstanding for the purpose of determining the principal amount of Certificates which may be Outstanding hereunder or for the purpose of determining any percentage of Certificates Outstanding hereunder, but both the original and replacement Certificate shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new Certificate for a Certificate which has been mutilated, lost, destroyed or stolen and which has matured, is about to mature or has been selected for prepayment, the Trustee may make payment of such Certificate.

**Section 3.08. Series 2021A Certificates.** There shall be initially prepared, executed and delivered under this Declaration of Trust a series of Certificates in the aggregate principal amount of \$[Amount], to be known as “Certificates of Participation, Series 2021A” (the “**Series 2021A Certificates**”). The Series 2021A Certificates shall be dated their date of delivery, and shall be payable on the dates, in the principal amounts, and with the Interest Portions accruing at the rates set forth on **Exhibit C**.

Prior to or simultaneously with the execution of and delivery of the Series 2021A Certificates by the Trustee the following documents shall be filed with the Trustee:

- (a) A copy, certified by the City Clerk, of the Ordinance adopted by the City Council authorizing the execution of the Lease and the Declaration of Trust;

- (f) A request and authorization to the Trustee by the City to authenticate the Series 2021A Certificates and to deliver the Series 2021A Certificates to or upon the order of the

purchaser thereof upon payment, for the account of the City, of the purchase price thereof. The Trustee shall be entitled to rely conclusively upon such request and authorization as to the name(s) of the purchaser(s) and the amount of such purchase price; and

- (h) Such other certificates, statements, receipts, opinions and documents required by this Declaration of Trust or the Lease, or as the Trustee may reasonably require for the delivery of the Series 2021A Certificates.

When the documents specified above have been filed with the Trustee, and when the Series 2021A Certificates have been executed as required by this Declaration of Trust, the Trustee shall deliver the Series 2021A Certificates to or upon the order of the purchaser thereof, but only upon payment to the Trustee of the purchase price of the Series 2021A Certificates. The net proceeds of the sale of the Series 2021A Certificates paid over to the Trustee shall be deposited and applied as provided in **Article VI**.

### **Section 3.09. Additional Certificates.**

(a) Upon the execution and delivery of a Supplemental Lease that provides for an increase in the amount of Basic Rent payable under the Lease and so long as no Event of Default or Event of Nonappropriation exists, Additional Certificates evidencing the right of the Owners thereof to receive the Principal Portion and the Interest Portion of such additional Basic Rent may be executed and delivered under and equally and ratably secured by this Declaration of Trust on a parity with the Series 2021A Certificates and any other Additional Certificates, at any time and from time to time, upon compliance with the conditions provided in this Section to (a) refund the Certificates of any series, and (b) fund the costs of completing the Project or for additional projects for the City.

(b) Before any Additional Certificates may be executed and delivered under the provisions of this Section, the City will (1) adopt an ordinance authorizing the execution and delivery of such Additional Certificates, fixing the amount and terms thereof and describing the Certificates to be refunded, if any, (2) consent in writing to the Trustee's execution of a Supplemental Declaration of Trust for the purpose of executing and delivering such Additional Certificates, and (3) authorize the Trustee to enter into an amendment to the Lease with the City to provide for Basic Rent Payments at least sufficient to pay the Principal Portion, premium, if any, and Interest Portion of the Certificates then to be Outstanding (including the Additional Certificates to be executed and delivered) as the same become due, and for such other matters as are appropriate because of the execution and delivery of the Additional Certificates proposed to be delivered.

(c) The Additional Certificates will have the same designation as the Series 2021A Certificates, except for an identifying series letter or date and any other changes necessary to appropriately identify such Additional Certificates. The Principal Portion and the Interest Portion of Basic Rent represented by such Additional Certificates will be payable on the dates, in the amounts and (with respect to such Interest Portion) at the rates as may be provided by the Supplemental Declaration of Trust authorizing such Additional Certificates. **Exhibit C** will be amended by such Supplemental Declaration of Trust to reflect separately the Principal Portion of Basic Rent allocable to each series of Certificates. Such Additional Certificates will be on a parity with and will be entitled to the same benefit and security of this Declaration of Trust as the Series 2021A Certificates and any other Additional Certificates.

(d) Such Additional Certificates will be executed substantially in the form and manner as provided in this Article, but prior to or simultaneously with the delivery of such Certificates by the Trustee, the following items will be on file with the Trustee:

(i) A copy, certified by the City Clerk, of the ordinance passed by the City Council authorizing such Supplemental Lease and authorizing the execution and delivery of the Additional Certificates, fixing the amount and terms thereof and describing the Certificates to be refunded, if any;

(ii) An original executed counterpart of the Supplemental Declaration of Trust authorizing such Additional Certificates;

(iii) An original executed counterpart of the Supplemental Lease;

(iv) An Opinion of Special Counsel to the effect that the execution and delivery of such Additional Certificates will not adversely affect the federal tax status of any Certificates Outstanding; and

(v) Such other certificates, statements, receipts, opinions and documents required by this Declaration of Trust or the Lease or as the Trustee may reasonably require for the delivery of the Additional Certificates.

(e) When the documents mentioned in subsection (d) of this Section have been filed with the Trustee, and when such Additional Certificates have been executed and registered as required by this Declaration of Trust, the Trustee will deliver such Additional Certificates to or upon the order of the purchaser named in the certificate purchase agreement relating to such Additional Certificates, but only upon payment of the purchase price of such Additional Certificates as specified in the certificate purchase agreement relating to such Additional Certificates. The Proceeds of Additional Certificates, including accrued interest, if any, paid to the Trustee will be deposited as provided in the Supplemental Declaration of Trust.

### **Section 3.10. Book-Entry Certificates; Securities Depository.**

(a) The Certificates shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing their respective interests in the Certificates, except in the event the Trustee delivers Replacement Certificates as provided in subsection (b) hereof. It is anticipated that during the term of the Certificates, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal, premium, if any, and interest components with respect to the Certificates to the Participants until and unless the Trustee authenticates and delivers Replacement Certificates to the beneficial owners as described in subsection (b).

(b) (1) If the City determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Certificates being delivered to any Owner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Certificates, or (2) if the Trustee receives written notice from Participants having interests in not less than 50% of the Certificates Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Certificates being delivered to any Owner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Certificates, then the Trustee shall notify the Owners of such determination of such notice and of the availability of certificates to Owners requesting the same, and the Trustee shall register in

the name of and authenticate and deliver Replacement Certificates to the beneficial owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (1)(A) or (1)(B) of this subsection (b), the City, with the consent of the Trustee, may select a successor securities depository in accordance with **Section 2.09(c)** to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository is the registered owner of at least one Certificate. Upon the delivery of Replacement Certificates, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Replacement Certificates. If the Securities Depository resigns and the City, the Trustee or the Owners are unable to locate a qualified successor of the Securities Depository in accordance with **Section 2.09(c)**, then the Trustee shall authenticate and cause delivery of Replacement Certificates to Owners, as provided herein. The Trustee may rely on information from the Securities Depository and its Participants as to the names and addresses of, and principal amounts held by, the beneficial owners of the Certificates. The cost of printing Replacement Certificates shall be paid for by the City.

(c) If the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of a Certificate or Certificates for cancellation shall cause the delivery of Certificates to the successor Securities Depository in appropriate denominations and form as provided herein.

### **Section 3.11. Cancellation and Destruction of Certificates upon Payment.**

(a) All Certificates that have been paid or prepaid or which the Trustee has purchased or which have otherwise been surrendered to the Trustee under this Declaration of Trust, either at or before maturity, if not reissued in an exchange pursuant to **Section 3.05**, shall be canceled by the Trustee immediately upon the payment, prepayment or purchase of such Certificates and the surrender thereof to the Trustee. The Trustee shall execute a certificate describing the Certificates to be canceled, and shall file an executed counterpart of such certificate with the City.

(b) All Certificates canceled under any of the provisions of this Declaration of Trust shall be destroyed by the Trustee in accordance with then applicable record retention requirements.

(a) *Optional Prepayment.* At the option of the City, the Certificates will be subject to prepayment in whole or in part beginning on March 1, 2031, at a Prepayment Price equal to 100% of the Principal Portion being prepaid, plus the Interest Portion accrued to the Prepayment Date.

(b) *Extraordinary Optional Prepayment.* At the option of the City, the Certificates will be subject to prepayment, as a whole, at a Prepayment Price equal to 100% of the Principal Portion of Basic Rent represented thereby plus the Interest Portion of Basic Rent accrued to the Prepayment Date, in the event of substantial damage to or destruction or condemnation (other than by the City or any entity controlled by or otherwise affiliated with the City), or as a result of changes in the Constitution of Missouri or legislative or administrative action by the State or the United States, the Lease Agreement becomes unenforceable.

**Section 5.03. Selection of Certificates for Prepayment; Notice to Trustee.** If less than all of the Outstanding Certificates are called for optional prepayment, Certificates shall be prepaid in such order of stated payment dates as is determined by the City. Within a stated payment date the Trustee shall select the Certificates or any given portion thereof to be prepaid in such equitable manner as the Trustee determines in principal amounts of \$5,000 or integral multiples thereof. In case of any optional prepayment, at the election of the City, the City shall, at least 45 days prior to the Prepayment Date (unless a shorter notice shall be satisfactory to the Trustee), give written notice to the Trustee directing the Trustee to call Certificates for prepayment and give notice of prepayment and specifying the Prepayment Date, the principal amount and maturities of Certificates to be called for prepayment, the applicable prepayment price and the provision or provisions of the Declaration of Trust pursuant to which such Certificates are to be called for prepayment.

**Section 5.04. Partial Prepayment of Certificate.** Upon surrender of any Certificate prepaid in part only, the Trustee shall execute and deliver to the Owner thereof, at the expense of the City, a new Certificate or Certificates of the same maturity, equal in aggregate principal amount to the unprepaid portion of the Certificate surrendered.

**Section 5.05. Notice of Prepayment.** Unless otherwise provided herein, notice of prepayment shall be given by the Trustee, not less than 30 days prior to the Prepayment Date, to the City and the Owner of each Certificate affected at the address shown on the registration books of the Registrar on the date such notice is mailed. Each notice of prepayment shall state (a) the Prepayment Date, (b) the place of prepayment, (c) the Prepayment Price (d) if less than all, the identification number of the Certificates to be prepaid and (e) if a Certificate is being prepaid in part, the portion thereof being prepaid. Such notice shall also state that the Interest Portion of the Basic Rent represented by the Certificates designated for prepayment shall cease to accrue from and after such Prepayment Date and that on said date the Prepayment Price will become due and payable on each of said Certificates. The failure of the Owner of any Certificate to be so prepaid to receive notice of prepayment mailed as herein provided or any defect therein shall not affect or invalidate the validity of any proceedings for the prepayment of such Certificate.

The Trustee is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the prepayment of any Certificate to be prepaid.

The Trustee, as long as a book-entry system is used for the Certificates, will send notices of prepayment only to the Securities Depository, as the Owner of the Certificates. Any failure of the Securities

Depository to advise any of the Participants, or of any participant or any nominee to notify any beneficial owner of the Certificates, of any such notice and its content or effect will not affect the validity or sufficiency of the proceedings relating to the prepayment of the Certificates called for prepayment.

**Section 5.06. Effect of Prepayment.** Notice of prepayment having been duly given as aforesaid, and upon funds for payment of the Prepayment Price of such Certificates (or portions thereof) being held by the Trustee, on the Prepayment Date designated in such notice, the Certificates (or portions thereof) so called for prepayment shall become due and payable at the Prepayment Price specified in such notice and the Interest Portion of Basic Rent represented by the Certificates so called for prepayment shall cease to accrue, said Certificates (or portions thereof) shall cease to be entitled to any benefit or security under this Declaration of Trust and the Owners of such Certificates shall have no rights in respect thereof except to receive payment of the Prepayment Price.

- (b) Lease Revenue Fund.

Separate subaccounts shall be established for each series of Certificates or as otherwise required by this Declaration of Trust. The money in all of the funds and the accounts shall be applied as hereinafter provided.

**Section 6.02. Application of Proceeds of the Series 2021A Certificates and Other Moneys.** The Proceeds of the Series 2021A Certificates paid to the Trustee, together with certain other funds of the City, shall be deposited as follows:

**Section 6.03. Application of Lease Revenues.** Lease Revenues shall be deposited, as received pursuant to the Lease, as follows:

- (a) The Basic Rent shall be deposited to the Lease Revenue Fund;

#### **Section 6.04. Disbursements from the Project Fund.**

(a) Moneys in the Project Fund shall be used to pay for Costs of the Project. Payment shall be made from moneys in the Project Fund upon receipt by the Trustee of a requisition certificate therefor signed by an Authorized Representative of the City, which requisition certificate shall contain the statements, representations and certificates set forth in the form thereof attached hereto as **Exhibit B** and shall be otherwise substantially in such form.

In making disbursements for Costs of the Project, the Trustee shall be entitled to conclusively rely upon each written requisition certificate executed by the Authorized Representative of the City without inquiry or investigation. It is understood that the Trustee shall *not* make any inspections of the Project nor any improvements thereon, make any provision to obtain completion bonds, mechanic's or materialmen's lien releases or otherwise supervise any phase of the acquisition or installation of the Project. The approval of each requisition certificate by the Authorized Representative of the City shall constitute unto the Trustee an irrevocable determination that all conditions precedent to the payment of the specified amounts from the Project Fund have been completed. The Trustee shall make disbursements to pay Costs of the Project for which any such request is made within five Business Days of the receipt of a properly executed certificate with all necessary supporting information.

(b) The Completion Date of the acquisition and installation of the Project and the payment of all Costs of the Project (other than Costs of the Project for which sufficient amounts are retained in the Project Fund) shall be evidenced by the filing with the Trustee of the Completion Certificate pursuant to **Section 5.03** of the Lease. As soon as practicable thereafter any balance remaining in the Project Fund shall be transferred and deposited without further authorization as provided in **Section 5.03** of the Lease.

**Section 6.05. Application of Moneys in the Lease Revenue Fund.** Except as otherwise provided herein, all amounts in the Lease Revenue Fund shall be used and withdrawn by the Trustee solely to pay Basic Rent represented by the Certificates when due and payable (including principal and accrued interest with respect to any Certificates paid prior to maturity pursuant to this Declaration of Trust).

**Section 6.06. [Reserved].**

**Section 6.07. [Reserved].**

**Section 6.08. Repayment to the City from the Lease Revenue Fund.** After payment in full of all Rent Payments through the maximum Lease Term or the earlier purchase of the Trustee's interest in the Leased Property pursuant to **Section 10.01** of the Lease, all amounts remaining in the Funds shall be paid to the City.

**Section 6.09. Payments Due on Days Other than Business Days.** In any case where the date of maturity of the Principal Portion or Interest Portion of Basic Rent represented by the Certificates, or premium related thereto, or the date fixed for prepayment of any Certificates shall not be a Business Day, then payment of Principal Portion or Interest Portion of Basic Rent represented by the Certificates, or premium related thereto need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for prepayment, and no interest shall accrue for the period after such date.

**Section 6.10. Nonpresentment of Certificates.** If any Certificate shall not be presented for payment when the Principal Portion of Basic Rent represented by the Certificates becomes due, either at maturity or otherwise, or at the date fixed for prepayment thereof, if funds sufficient to pay such Certificate shall have been made available to the Trustee, all liability of the Trustee and the City to the Owner thereof for the payment of such Certificate shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the Owner of such Certificate, who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature under this Declaration of Trust or on, or with respect to, said Certificate. If any Certificate shall not be presented for payment within one year following the date when such Certificate becomes due, whether by maturity or otherwise, the Trustee shall repay, without liability for interest thereon, to the City the funds theretofore held by the Trustee for payment of such Certificate, and such Certificate shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

**Section 6.11. Separate Accounting of Funds Allocable to each Series of Certificates.** The Trustee will maintain separate accounts for funds and securities attributable to each series of Certificates in the Funds held by the Trustee hereunder so that the calculations for each series of Certificates can be made separately for such series. Any transfer of funds or securities or earnings thereon from one fund or account to another will be made to the appropriate account or subaccount of the same series of Certificates to which such funds or securities are attributed. If, at any time, a payment is made to any such fund that is less than the amount due and payable to such fund, the amount payable will be credited *pro rata* to each such separate account within such fund, based on the amount owed to each such account.

## ARTICLE VII

### DEPOSITARIES OF MONEYS, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

**Section 7.01. Moneys to be Held in Trust.** All moneys deposited with or paid to the Trustee for account of the Funds under this Declaration of Trust shall be held by the Trustee in trust and shall be applied only in accordance with this Declaration of Trust and the Lease and until used or applied as herein provided, shall constitute part of the Trust Estate and shall not be subject to any lien other than the lien of this Declaration of Trust. The Trustee shall not be under any liability for interest on any moneys received hereunder except such as provided herein.

**Section 7.02. Investment of Moneys.** Moneys held in the Funds shall, subject to the requirements of the Arbitrage Instructions and as hereinafter provided, be invested and reinvested by the Trustee, pursuant to written direction of the City, signed by an Authorized Representative of the City, in Investment Securities that mature or are subject to redemption by the holder prior to the date such funds will be needed. In the absence of such instructions, the Trustee is authorized to invest moneys in Investment Securities described in subparagraph (d) of the definition of Investment Securities in **Section 1.01**. The Trustee is specifically authorized to implement its automated cash investment system to assure that cash on hand is invested and to charge its normal cash management fees, which may be deducted from income earned on investments.

The Trustee shall sell and reduce to cash a sufficient amount of such Investment Securities held by the Trustee in any fund hereunder whenever the cash balance in such Fund is insufficient for the purpose of such Fund. Any such Investment Securities shall be held by or under the control of the Trustee and shall be deemed at all times a part of the Fund or Account in which such moneys are originally held, and the interest accruing thereon and any profit realized from such Investment Securities shall be credited to such Fund or Account, and any loss resulting from such Investment Securities shall be charged to such Fund or Account.

For purposes of determining the amount in any Fund or account, the value of any investments shall be computed at the market value thereof, the purchase price thereof or principal amount, whichever is lower. The Funds and accounts shall be valued on February 1 of each year.

The Trustee may, in making or disposing of any investment permitted by this Section, deal with itself (in its individual capacity) or with any one or more of its affiliates, whether it or such affiliate is acting as an agent of the Trustee or for any third person or dealing as principal for its own account.

### AMENDMENT OF THE DECLARATION OF TRUST OR THE LEASE

**Section 8.01. Amendments Permitted.**

(a) This Declaration of Trust, the Lease and the rights and obligations of the City and of the Owners of the Certificates and of the Trustee may be modified or amended from time to time and at any

time by an amendment or supplement hereto or thereto which the parties hereto or thereto may enter into when the written consent of the Trustee and the City, if not a party hereto or thereto, and the Owners of a majority in aggregate Principal Portion of Basic Rent Payments represented by the Certificates then Outstanding shall have been filed with the Trustee. No such modification or amendment shall (i) extend the stated maturity of any Certificate, or reduce the amount of principal represented thereby, or extend the time of payment or reduce the amount of any Prepayment Price provided in the Declaration of Trust for the payment of any Certificate, or reduce the rate of interest with respect thereto, or extend the time of payment of interest with respect thereto without the consent of the Owner of each Certificate so affected, (ii) reduce the aforesaid percentage of Certificates the consent of the Owners of which is required to effect any such modification or amendment or, except in connection with the delivery of any Additional Certificates, permit the creation of any lien on the moneys in the Project Fund or the Lease Revenue Fund or deprive the Owners of the trust created by this Declaration of Trust with respect to the moneys in the Project Fund and the Lease Revenue Fund or (iii) create a preference or priority of any Certificate or Certificates over any other Certificate or Certificates without the consent of the Owners of all of the Certificates then Outstanding. Promptly after the execution by the Trustee of any amendment pursuant to this subsection (a), the Trustee shall give Notice by Mail, setting forth in general terms the substance of such amendment to the Owners at the addresses listed on the registration books kept by the Trustee pursuant to **Section 3.06**. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment.

(b) Notwithstanding subsection (a), this Declaration of Trust and the Lease and the rights and obligations of the City, of the Trustee and of the Owners of the Certificates may also be modified or amended from time to time and at any time by an agreement which the parties hereto or thereto may enter into without the consent of any Certificate Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the Trustee in this Declaration of Trust, other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Certificates (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the City; provided, however, that no such covenant, agreement, pledge, assignment or surrender shall, in the sole judgment of the Trustee, materially adversely affect the interests of the Trustee or the security of the Owners of the Certificates;

(ii) to add to the covenants and agreements of the City in the Lease, other covenants and agreements thereafter to be observed or to surrender any right or power therein reserved to or conferred upon the Trustee or the City; provided, however, that no such covenant, agreement or surrender shall, in the sole judgment of the Trustee, materially adversely affect the security of the Owners of the Certificates;

(iii) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision, contained in this Declaration of Trust, the Lease, or in regard to matters or questions arising under this Declaration of Trust, the Lease as the Trustee and the City may deem necessary or desirable and not inconsistent with said agreements, or as may be requested by the City or the Trustee and which shall not, in any such case, in the sole judgment of the Trustee, materially adversely affect the security of the Owners of the Certificates;

(iv) to modify, amend or supplement this Declaration of Trust in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar

federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, and which shall not, in the sole judgment of the Trustee, materially adversely affect the security of the Owners of the Certificates;

(v) to provide for any additional procedures, covenants or agreements necessary to maintain the federal tax status of the Certificates Outstanding;

(vi) to provide for the execution and delivery of Additional Certificates; or

(vii) to make any other change that, in the sole judgment of the Trustee, does not have a materially adverse effect on the security of the Certificate Owners.

**Section 8.02. Effect of Amendments.** Upon the execution of any amendments hereto, pursuant to this **Article VIII**, this Declaration of Trust shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Declaration of Trust of the Trustee and all Owners of Certificates Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such amendment shall be deemed to be part of the terms and conditions of the Declaration of Trust for any and all purposes.

**Section 8.03. Endorsement of Certificates; Preparation of New Certificates.** Certificates delivered after the execution of any amendment pursuant to this **Article VIII** may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form determined by the Trustee as to any modification or amendment provided for in such amendment. In that case, upon presentation of a Certificate for such purpose at the payment office of the Trustee, a suitable notation shall be made on such Certificate. If the amendment shall so provide, new Certificates so modified as to conform, in the opinion of the Trustee, to any modification or amendment contained in such amendment, shall be prepared and executed by the Trustee, and upon demand of the Owners of any Certificates then Outstanding shall be exchanged at the payment office of the Trustee, without cost to any Certificate Owner, for Certificates then Outstanding, upon surrender for cancellation of such Certificates in equal aggregate principal amounts of the same maturity, interest rate and tenor.

**Section 8.04. Amendment of Particular Certificates.** The provisions of this Article shall not prevent any Certificate Owner from accepting any amendment as to the particular Certificates held by him, provided that due notation thereof is made on such Certificates.

**Section 8.05. Opinion of Counsel.** Anything to the contrary in this **Article VIII** notwithstanding, before the Trustee or the City consent to any modification or amendment of this Declaration of Trust or the Lease, there shall have been delivered to the Trustee an Opinion of Special Counsel to the effect that such amendment (1) is permitted by this Declaration of Trust and the instrument modified or amended (if other than this Declaration of Trust), (2) complies with their terms, (3) will, upon execution and delivery thereof, be valid and binding upon the City in accordance with the terms of the instrument modified or amended, and (4) will not adversely affect the federal tax status of any Certificates Outstanding. In any instance in which the Trustee may be required to determine that a modification or amendment will not materially adversely affect the interest of the Owners of the Certificates, prior to consenting to such modification or amendment, the Trustee shall be entitled to require that there be delivered to it an Opinion of Counsel to the effect that no such materially adverse affect would result from such modification or amendment. The Trustee shall be fully protected and shall incur no liability in relying upon such Opinion of Counsel in making such determination. The Trustee may, but shall not be obligated to enter into any such supplemental Declaration of Trust or Lease

which affects the Trustee's own rights, duties or immunities under this Declaration of Trust or Lease or otherwise.

## ARTICLE IX

### DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND OWNERS OF CERTIFICATES

**Section 9.01. Defaults.** The occurrence of any of the following events, subject to the provisions of **Section 9.09**, is hereby defined as an "Event of Default":

- (a) Default in the due and punctual payment of any Interest Portion of Basic Rent represented by a Certificate; or
- (b) Default in the due and punctual payment of the Principal Portion of Basic Rent represented by a Certificate, whether at the stated payment date thereof or the Prepayment Date set therefor in accordance with the terms hereof; or
- (c) Any Event of Lease Default.

**Section 9.02. Acceleration.** Upon the occurrence of an Event of Default, the Trustee may, and upon receipt of a Directive shall, by notice in writing delivered to the City, declare the Principal Portion and Interest Portion of Basic Rent represented by all Certificates Outstanding to the end of the then current Fiscal Year immediately due and payable.

**Section 9.03. Other Remedies Upon an Event of Default.** Upon the occurrence of an Event of Lease Default or Event of Nonappropriation, the Trustee may exercise any remedies available under the Lease and, to the extent consistent therewith, may sell, lease or manage all or any portion of the Leased Property and apply the net proceeds thereof in accordance with **Section 9.05** and, whether or not it has done so, may pursue any other remedy available to it under the Lease or at law or in equity.

No remedy by the terms of this Declaration of Trust conferred upon or reserved to the Trustee or to the Certificate Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Certificate Owners hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default hereunder whether by the Trustee or by the Certificate Owners shall extend to or shall affect any subsequent default or shall impair any rights or remedies consequent thereon.

**Section 9.04. Rights of Certificate Owners.** If an Event of Default or Event of Nonappropriation shall have occurred and be continuing and if instructed to do so by a Directive and if indemnified as provided in **Section 9.07** and **Section 11.03**, the Trustee shall be obligated to exercise such one or more of the rights and the remedies conferred by this Article as the Trustee, upon the advice of counsel, shall deem to be in the interests of the Certificate Owners; provided that such Directive shall not

be otherwise than in accordance with the provisions of law and of this Declaration of Trust, and provided further that the Trustee shall have the right to decline to follow any such Directive if the Trustee in good faith shall determine that the proceedings so directed would involve it in personal liability.

Any other provision herein to the contrary notwithstanding, the Owners of not less than a majority in aggregate principal amount of Certificates then Outstanding shall have the right, at any time, by a Directive, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of this Declaration of Trust, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Declaration of Trust, and provided, further, that the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall determine that the proceeding so directed would involve it in personal liability.

**Section 9.05. Application of Moneys.** All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, be deposited into the Lease Revenue Fund and all moneys in the Lease Revenue Fund shall be applied as follows:

(a) unless the Principal Portions of Basic Rent represented by all the Certificates shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST - To the payment to the persons entitled thereto of the Interest Portions of Basic Rent represented by the Certificates in the order of the maturity of the installments of such interest and, to the payment ratably, according to the amount due on such installments, to the persons entitled thereto, without any discrimination or privilege; and

SECOND - To the payment to the persons entitled thereto of the unpaid Principal Portions of Basic Rent represented by any Certificates that shall have become due (other than Principal Portions of Basic Rent represented by Certificates with respect to the payment of which moneys are held pursuant to the provisions of this Declaration of Trust) in the order of such due dates, with interest from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the Principal Portions of Basic Rent represented by Certificates due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege except as to any difference in the respective rates of interest specified respecting the Certificates.

(b) If the Principal Portions of Basic Rent represented by all Certificates shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the Principal Portions and the Interest Portions of the Basic Rent then due and unpaid upon the Certificates without preference or priority of principal over the interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Certificate over any other Certificate, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege except as to any difference in the respective rates of interest specified respecting the certificates.

(c) If the Principal Portions of the Basic Rent represented by all Certificates shall have been declared due and payable and if such declaration shall thereafter have been rescinded and

annulled under the provisions of this Article then subject to the provisions of paragraph (b) of this Section in the event that the Principal Portions of Basic Rent represented by all the Certificates shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of paragraph (a) of this Section.

Whenever moneys are to be applied pursuant to the provision of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for the application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be a Basic Rent Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the Owner of any Certificate until such Certificate shall be presented to the Trustee for appropriate endorsement or for cancellation if paid in full.

Whenever the Principal Portion and the Interest Portion of all Certificates have been paid under the provisions of this Section and all fees, expenses and charges of the Trustee have been paid, any balance remaining in the Funds shall be paid to the City.

**Section 9.06. Remedies Vested in Trustee.** All remedies and rights of action (including the right to file proof of claims) under this Declaration of Trust or under any of the Certificates may be enforced by the Trustee without the possession of any of the Certificates or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Owners of the Certificates. Any recovery of judgment or other amounts shall be for the equal benefit of the Owners of the Outstanding Certificates.

**Section 9.07. Rights and Remedies of Certificate Owners.** No Owner of any Certificates shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of the Lease or this Declaration of Trust, for the execution of any trust thereof, for the appointment of a receiver or to enforce any other remedy thereunder or hereunder, unless (a) an Event of Default or an Event of Nonappropriation has occurred; (b) the Owners shall have made by a Directive a written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) such Certificate Owners have provided to the Trustee indemnification satisfactory to the Trustee; and (d) the Trustee shall thereafter fail or shall refuse to exercise the powers hereinbefore granted or to institute such action suit or proceedings in its, his, her or their name or names. Such notification, request and indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and the trusts of this Declaration of Trust and to any action or cause of action for the enforcement of this Declaration of Trust or for the appointment of a receiver or for any other right or remedy hereunder. No one or more Owners of the Certificates shall have any right in any manner whatsoever to affect, to disturb or to prejudice the lien of this Declaration of Trust by its, his, her or their action or to enforce any right or remedy hereunder except in the manner herein provided and all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Owners of all Certificates then Outstanding. Nothing in this Declaration of Trust contained shall, however, affect or impair the right of any Certificate Owner to enforce the payment of the Principal Portion of and the Interest Portion of the Basic Rent represented by any Certificate at and after the maturity or earlier mandatory prepayment thereof.

**Section 9.08. Termination of Proceedings.** If the Trustee shall have proceeded to enforce any right or remedy under the Lease or this Declaration of Trust by the appointment of a receiver, by entry or otherwise and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then and in every such case, the City, the Owners and the Trustee shall be restored to their former respective positions and rights thereunder and hereunder and all rights remedies and powers of the Trustee shall continue as if no such proceeding had been taken.

**Section 9.09. Waivers of Defaults.** The Trustee shall waive any Event of Default and its consequences and rescind any declaration of maturity of principal upon the written request of the Owners of (a) a majority in aggregate principal amount of all Certificates then Outstanding with respect to which a default in the payment of Principal Portion of Basic Rent represented thereby exists; or (b) a majority in aggregate principal amount of all Certificates then Outstanding in the case of any other default; provided, however, that there shall not be waived (i) any Event of Default respecting the payment of the Principal Portion of Basic Rent represented by any Certificate at its maturity date, or (ii) any Event of Default respecting the payment of the Interest Portion of Basic Rent represented by any Certificate, unless prior to such waiver or rescission, all arrears of principal and interest when due, as the case may be, and all fees, charges and expenses of the Trustee in connection with such default shall have been paid or provided for and, in case any such waiver or rescission or in case any proceeding(s) taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Trustee, the City and the Certificate Owners shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default or impair any right consequent thereon.

**Section 9.10. Notices of Defaults.** Within 30 days after the occurrence of any default hereunder of which the Trustee is required to take notice or if notice of default has been given as provided in **Section 11.01(f)**, the Trustee shall give written notice thereof to the City and Notice by Mail to the Owners of all Certificates then Outstanding (unless such default has been cured or waived; provided, however, that, except in the case of a default in the payment of the Principal Portion or Interest Portion of Basic Rent Payments represented thereby, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of such Owners). For the purpose of this Section, the term “**default**” means any event which is an “Event of Default” as defined in **Section 9.01**.

## **ARTICLE X**

### **DEFEASANCE**

#### **Section 10.01. Discharge of Declaration of Trust.**

(a) When (i) the obligations of the City under the Lease shall have been satisfied in connection with the exercise by the City of its option to purchase the Leased Property in accordance with **Article X** of the Lease by the irrevocable deposit in escrow of cash or Government Obligations (maturing as to principal and interest in such amounts and at such times as are necessary to make any required payments without reinvestment of any earnings thereon) or both cash and such Government Obligations, and (ii) the City shall have delivered to the Trustee, (x) an Opinion of Counsel to the effect that the conditions for such discharge contained herein and in **Section 10.02** have been satisfied or irrevocably provided for and (y) for an advance refunding, an accountant’s certificate verifying the sufficiency of cash or Government Obligations or both so deposited for the payment of the Principal Portion and Interest Portion of the Certificates and any

applicable Prepayment Price to be paid with respect to the Certificates and (iii) the City shall have deposited sufficient moneys to pay the fees, charges and expenses of the Trustee (or has made provision satisfactory to the Trustee for their payment), thereupon the obligations created by this Declaration of Trust shall cease, determine and become void except for the right of the Certificate Owners and the obligation of the Trustee to apply such moneys and Government Obligations to the payment of the Certificates as herein set forth; provided, however, that all provisions hereof relating to the compensation or indemnification of the Trustee shall survive the satisfaction and discharge of this Declaration of Trust.

(b) After all amounts owing to the Certificate Owners have been paid hereunder and under the Lease and all fees, expenses and charges of the Trustee have been paid, the Trustee shall turn over to the City any surplus in the Lease Revenue Fund and all balances remaining in any other funds or accounts other than moneys and Government Obligations held for the payment of the Certificates at maturity or on prepayment, which moneys and Government Obligations shall continue to be held by the Trustee in trust for the benefit of the Certificate Owners and shall be applied by the Trustee to the payment, when due, of the Principal Portions and any premium and Interest Portions of Basic Rent represented by the Certificates.

**Section 10.02. Deposit of Moneys or Securities.** If moneys or Government Obligations as hereinabove provided, are deposited with and held by the Trustee or other bank or trust company, the Trustee or other bank or trust company shall within 30 days after such Government Obligations shall have been deposited with it give Notice by Mail, to the Owners at the addresses listed on the registration books kept by the Registrar pursuant to **Section 3.06**, setting forth (i) the maturity date or Prepayment Date, as the case may be, of the Certificates, (ii) a description of the Government Obligations, if any, so held by it, and (iii) that this Declaration of Trust has been released in accordance with the provisions of this Section. Whenever in this Declaration of Trust or the Lease it is provided or permitted that there be deposited with or held in trust by the Trustee or other bank or trust company moneys or Government Obligations in the necessary amount to pay or prepay any Certificates, the money or Government Obligations so to be deposited or held may include money or Government Obligations held by the Trustee in the Funds established pursuant to this Declaration of Trust (exclusive of the Project Fund) the principal of and interest on which when due together with any moneys held by the Trustee or other bank or trust company for such purpose will provide moneys sufficient to pay the Principal Portions and Interest Portions of the Basic Rent represented by the Certificates as same becomes due, except that, in the case of Certificates which are to be prepaid prior to maturity and in respect of which irrevocable notice of such prepayment shall have been given as in **Article V** provided or irrevocable provision satisfactory to the Trustee shall have been made for the giving of such notice, the amount to be deposited or held shall be the Prepayment Price with respect to such Certificates and all unpaid interest to the Prepayment Date.

## ARTICLE XI

### THE TRUSTEE

#### Section 11.01. Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to an Event of Default or Event of Nonappropriation, and after the curing of all Events of Default or Events of Nonappropriation that may have occurred, perform only such duties as are specifically set forth in this Declaration of Trust. The Trustee will have no implied duties. The permissive right or power to take any action may not be construed as a duty to take action under any circumstances, and the Trustee will not be liable except in the event of its negligence or willful misconduct. The Trustee shall, during the existence of any Event of Default or Event of Nonappropriation, exercise such of the rights and powers vested in it by this Declaration of Trust, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Trustee will not be obligated to risk its own funds in the administration of the Trust Estate. Notwithstanding any provision herein to the contrary, the Trustee need not take any action under this Declaration of Trust which may involve it in any expense or liability until indemnified to its satisfaction for any expense or liability, including liability related to environmental contamination, it reasonably believes it may incur.

(c) The Trustee is not responsible for any recitals contained in this Declaration of Trust or in the Certificates, or for the recording, filing, rerecording or refileing of the Declaration of Trust or security agreements (excluding the continuation of Uniform Commercial Code financing statements) in connection therewith, or for the sufficiency of the security for the Certificates. The Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof, or as to the validity or sufficiency of this Declaration of Trust or of the Certificates. The Trustee shall not be accountable for the use or application by the City of any of the Certificates or the proceeds thereof or of any money paid to or upon the order of the City under any provision of this Declaration of Trust or the Lease.

(d) The Trustee will not be required to give any bond or surety or report to any court despite any statute, custom or rule to the contrary.

(e) The Trustee may execute any of the duties under this Declaration of Trust by or through agents, attorneys, trustees or receivers and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, attorney, trustee or receiver appointed with due care by it hereunder.

(f) The Trustee will not be required to take notice or be deemed to have notice of any default, or Event of Default or other fact or event under this Declaration of Trust other than the City's failure to pay Basic Rent Payments required by **Section 4.01** of the Lease, unless the Trustee is specifically notified in writing of the default or Event of Default, fact or event by the City or the Owners of not less than 25% of the unpaid Principal Portion of Basic Rent Payments represented by the Certificates then Outstanding.

(g) The Trustee may consult legal counsel, may conclusively rely on the opinion or advice of such legal counsel and will not be liable for any act or omission taken or suffered pursuant to the opinion or advice of such counsel. The fees and expenses of the counsel will be deemed to be a proper expense of the Trustee.

(h) Unless specifically required by the terms of this Declaration of Trust, the Trustee need not take notice of or enforce any other document or relationship, including any contract, settlement, arrangement, plan, assignment, pledge, release, decree or the like, other than the Lease, but its duties will be solely as set out in this Declaration of Trust.

(i) The Trustee may be removed at any time by a Directive or shall resign at any time the Trustee shall cease to be eligible in accordance with subsection (l) of this Section, or shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the property or affairs for the purpose of rehabilitation, conservation or liquidation, and thereupon a successor Trustee shall be appointed by a Directive. Written notice of any removal or resignation pursuant to this subsection (i) shall be given by the Trustee to the City.

(j) The Trustee may at any time resign by giving written notice of such resignation to the City and by giving the Certificate Owners Notice by Mail of such resignation at the addresses listed on the registration books kept by the Trustee pursuant to **Section 3.06**. Upon receiving such notice of resignation, a successor Trustee shall be appointed by a Directive.

(k) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within 45 days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Certificate Owner (on behalf of himself and all other Certificate Owners) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Declaration of Trust shall signify its acceptance of such appointment by executing and delivering to the City and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee held by it as security for the Certificates, including its interest in the Lease, with like effect as if originally named Trustee herein and the duties and obligations of the predecessor Trustee hereunder shall thereafter cease and terminate; but, nevertheless at the request of the City or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Declaration of Trust and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the City shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, such successor Trustee shall cause Notice by Mail of such acceptance to be given to the Owners at the addresses listed on the registration books kept by the Trustee pursuant to **Section 3.06**.

(l) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a state or national trust company or bank having the powers of a trust company and being duly authorized to execute trust powers having its payment office in the State, in good standing in the State, having a combined capital and surplus of at least fifty million dollars (\$50,000,000), and subject to supervision and examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining

authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (l), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

(m) Notwithstanding anything elsewhere in this Declaration of Trust or the Lease contained, before taking any action under this Declaration of Trust, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all reasonable fees, costs and expenses to which it may be put and to protect it against all liability which it may incur in or by reason of such action, including without limitation liability in connection with environmental contamination, and the cleanup thereof, except liability which is adjudicated to have resulted from its negligence or willful misconduct by reason of any action so taken.

(n) The Trustee may elect not to proceed in accordance with the directions of the Owners of the Certificates without incurring any liability to the Certificate Owners if in the opinion of the Trustee such direction may result in environmental or other liability to the Trustee, in its individual capacity, for which the Trustee has not received indemnity from the Certificate Owners, and the Trustee may rely upon an Opinion of Counsel addressed to the Trustee in determining whether any action directed by Certificate Owners may result in such liability.

(o) The Trustee may inform the Certificate Owners of environmental hazards that the Trustee has reason to believe exist, and the Trustee has the right to take no further action and, in such event no fiduciary duty exists which imposes any obligation for further action with respect to the Trust Estate or any portion thereof if the Trustee, in its individual capacity, determines that any such action would materially and adversely subject the Trustee to environmental or other liability for which the Trustee has not received indemnity pursuant to this Declaration of Trust.

(p) Notwithstanding any other provision of this Declaration of Trust to the contrary, any provision intended to provide authority to act, right to payment of fees and expenses, protection, immunity and indemnification to the Trustee shall be interpreted to include any action of the Trustee whether it is deemed to be in its capacity as Trustee, Registrar or Paying Agent.

(q) The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with **Section 7.02**.

(r) The Trustee shall not be responsible for the use of any Certificates executed and delivered hereunder.

(s) Any action taken by the Trustee pursuant to and in accordance with this Declaration of Trust upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent is the Owner of any Certificate shall be conclusive and binding upon all future Owners of the same Certificate and upon Certificates issued in exchange therefor or upon transfer or in place thereof.

(t) The Trustee shall have the right, but shall not be required, to demand, in respect of the execution of any Certificate, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Declaration of Trust, appraisals or other information, or corporate

action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee as are deemed desirable for the purpose of establishing the right of the City to any such action.

**Section 11.02. Merger or Consolidation.** Any entity into which the Trustee may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion or consolidation to which it shall be a party or any entity to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under **Section 11.01(l)** shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

**Section 11.03. Liability of Trustee; Indemnity.** The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee may become the owner of Certificates with the same rights it would have if it were not Trustee, and, to the extent permitted by law, may act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Certificate Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Certificates then Outstanding.

**Section 11.04. Right of Trustee to Rely on Documents.** The Trustee shall be protected in acting upon any notice, resolution, ordinance, request, consent, order, certificate, report, opinion, Directive or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel of or to the City, with regard to legal questions or the interpretation of the provisions hereof, and the opinion or advice of such counsel may be conclusively relied upon by the Trustee and shall be full and complete authorization and protection in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of the trusts imposed upon it by this Declaration of Trust the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a statement of the Authorized Representative, and such statement shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Declaration of Trust in reliance upon such statement, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

**Section 11.06. Compensation of the Trustee.** The City shall, from time to time, upon the written request of the Trustee, (a) pay to the Trustee reasonable compensation for its services as agreed to by the City and the Trustee (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and (b) reimburse the Trustee for all reasonable advances, fees, costs and expenditures, including but not limited to, advances to and reasonable fees and expenses of independent appraisers, accountants, consultants, counsel, agents and attorneys or other experts employed by it in the exercise and performance of its powers and duties hereunder. Said compensation is to be paid as Supplemental Rent pursuant to the Lease. The Trustee will have a first lien against the Trust Estate for its reasonable costs, fees, expenses and advancements hereunder. In every instance in which this Declaration of Trust or the Lease provides for compensation, reimbursement or indemnification of the Trustee, such provision shall be deemed to provide for, whether or not expressly so stated, the payment of all related fees, costs, charges, advances and expenses of the Trustee (including without limitation, attorneys' fees and expenses), unless the context shall clearly indicate otherwise.

#### DEMISING OF THE PROPERTY; LEASE TERM

**Section 3.01. Lease of Leased Property.** The Trustee hereby demises, leases and lets to the City, and the City rents, leases and hires from the Trustee, the Leased Property in accordance with this Lease for the Lease Term.

**Section 3.02. Lease Term.** The Original Term of this Lease shall terminate the last day of the current Fiscal Year. The Lease Term may be continued, solely at the option of the City, at the end of the Original Term or any Renewal Term for an additional one year, provided that the final Renewal Term shall not extend beyond March 1, 2037. At the end of the Original Term and at the end of each Renewal Term, unless the City has terminated this Lease pursuant to **Sections 3.04** or **10.01** and for no other reason, the City shall be deemed to have exercised its option to continue this Lease for the next Renewal Term. **Section 3.03. Continuation of Lease Term by the City.** The City reasonably believes that legally available funds in an amount sufficient to make all payments of Rent during the Original Term and each of the Renewal Terms can be obtained. The City further covenants that its responsible financial officer shall do all things lawfully within his or her power to obtain and maintain funds from which the Rent may be paid, including making provision for such payments to the extent necessary in each proposed budget or appropriation request submitted for adoption in accordance with applicable provisions of law and to exhaust all available reviews and appeals in the event such portion of the budget or appropriation request is not approved. Notwithstanding the foregoing, the decision to budget and appropriate funds or to extend this Lease for any Renewal Term is to be made in accordance with the City's normal procedures for such decisions by then current governing body of the City.

**Section 3.04. Nonappropriation.** The City is obligated only to pay periodic payments under this Lease as may lawfully be made from Available Revenues. If an Event of Nonappropriation occurs, this Lease shall be deemed terminated at the end of then current Original Term or Renewal Term. An Event of Nonappropriation shall be deemed to have occurred if the City fails to budget, appropriate or otherwise provide for sufficient funds to pay Basic Rent and any reasonably anticipated Supplemental Rent to come due during the immediately following Renewal Term. The City agrees to deliver notice to the Trustee of

such termination at least 90 days prior to the end of then current Original Term or Renewal Term, but failure to give such notice shall not extend the term beyond such Original Term or Renewal Term. If this Lease is terminated in accordance with this Section, the City agrees peaceably to transfer and surrender possession of the Leased Property to the Trustee.

**Section 3.05. Enjoyment of Leased Property.** The Trustee shall provide the City during the Lease Term with quiet use and enjoyment of the Leased Property, and the City shall during the Lease Term peaceably and quietly have, hold and enjoy the Leased Property, without suit, trouble or hindrance from the Trustee, except as expressly set forth in this Lease. The City shall have the right to use the Leased Property for any essential governmental or proprietary purpose of the City, subject to the limitations contained in this Lease.

Notwithstanding any other provision in this Lease, the Trustee shall have no responsibility to cause the Leased Property to be acquired or installed or to maintain or repair the Leased Property. The City shall comply with all statutes, laws, ordinances, orders, judgments, decrees, regulations, directions and requirements of all federal, state, local and other governments or governmental authorities, now or hereafter applicable to the Leased Property, as to the manner and use or the condition of the Leased Property. The City shall also comply with the mandatory requirements, rules and regulations of all insurers under the policies required to be carried by the provisions of **Article VII**. The City shall pay all costs, expenses, claims, fines, penalties and damages that may in any manner arise out of, or be imposed as a result of, the failure of the City to comply with the provisions of this Section. Notwithstanding any provision contained in this Section, however, the City shall have the right, at its own cost and expense, to contest or review by legal or other appropriate procedures the validity or legality of any such governmental statute, law, ordinance, order, judgment, decree, regulation, direction or requirement, or any such requirement, rule or regulation of an insurer and during such contest or review, the City may refrain from complying therewith, if the City furnishes, on request, to the Trustee, at the City's expense, indemnity satisfactory to the Trustee.

**Section 3.06. Inspection.** The Trustee and its agents shall have the right at all reasonable times and with reasonable notice during business hours to enter into and upon the property on which the Leased Property is located for the purpose of inspecting the Leased Property.

## ARTICLE IV

### RENT

**Section 4.01. Basic Rent.** The City shall promptly pay all Basic Rent, subject to **Sections 3.04** and **4.03**, in lawful money of the United States of America on each Basic Rent Payment Date in such amounts as are described on **Exhibit A**. A portion of each Basic Rent Payment is paid as, and represents payment of, interest as set forth on **Exhibit A** (said interest to be attributable to the various principal components in accordance with the per annum rates set forth on **Exhibit A**).

To provide for the timely payment of Basic Rent, the City shall pay to the Trustee for deposit in the Lease Revenue Fund not less than five Business Days before each Basic Rent Payment Date, the amount due on such Basic Rent Payment Date.

The City will, in accordance with the requirements of law and its normal budgeting procedures, fully budget and appropriate sufficient funds for the current Fiscal Year to make the Rent Payments

scheduled to come due during the Original Term, and to meet its other obligations for the Original Term, and such funds will not be expended for other purposes.

**Section 4.02. Supplemental Rent.** The City shall pay, subject to **Sections 3.04** and **4.03**, as Supplemental Rent (a) all Impositions (as defined in **Article VI**); (b) all amounts required under **Sections 4.04** or **4.06** and all other payments of whatever nature which the City has agreed to pay or assume under this Lease; (c) all expenses, including attorneys' fees and expenses to the extent permitted by law, incurred in connection with the enforcement of any rights under this Lease by the Trustee; (d) all fees, charges and expenses of the Trustee as further provided in **Section 4.07**; and (e) any payments required to be made pursuant to the Arbitrage Instructions. Amounts required to be paid under this Section shall be paid directly to the person or entity owed.

**Section 4.03. Rent Payments to Constitute a Current Expense and Limited Obligation of the City.** NOTWITHSTANDING ANY OTHER PROVISION HEREOF, THE TRUSTEE AND THE CITY UNDERSTAND AND INTEND THAT THE OBLIGATION OF THE CITY TO PAY RENT HEREUNDER BE LIMITED TO PAYMENT FROM AVAILABLE REVENUES AND SHALL CONSTITUTE A CURRENT EXPENSE OF THE CITY AND SHALL NOT IN ANY WAY BE CONSTRUED TO BE A DEBT OF THE CITY IN CONTRAVENTION OF ANY APPLICABLE CONSTITUTIONAL OR STATUTORY LIMITATION OR REQUIREMENT CONCERNING THE CREATION OF INDEBTEDNESS BY THE CITY, NOR SHALL ANYTHING CONTAINED HEREIN CONSTITUTE A PLEDGE OF THE GENERAL TAX REVENUES, FUNDS OR MONEYS OF THE CITY, AND ALL PROVISIONS OF THIS LEASE SHALL BE CONSTRUED SO AS TO GIVE EFFECT TO SUCH INTENT.

**Section 4.04. Advances.** In the event the City shall fail to keep the Leased Property in good repair, the Trustee may, but shall be under no obligation to, maintain and repair the Leased Property and pay the cost thereof. All amounts so advanced by the Trustee shall constitute Supplement Rent for the then current Original Term or Renewal Term, and the City covenants and agrees to pay such amounts so advanced by the Trustee with interest thereon from the due date until paid at the Trustee's current prime rate plus 2% per annum or the maximum amount permitted by law, whichever is less. In accordance with Section 427.120 of the Revised Statutes of Missouri, unless the City provides evidence of the insurance coverage required by this Lease, the Trustee may purchase insurance at the City's expense to protect the Trustee's interests hereunder. This insurance may, but need not, protect the City's interests. The coverage that the Trustee may purchase may not pay any claim that the City may make or any claim that may be made against the City in connection with the Leased Property. The City may later cancel any insurance purchased by the Trustee, but only after providing evidence that the City has obtained insurance as required by this Lease. If the Trustee purchases insurance for the Leased Property, the City will be responsible for the costs of that insurance, including the insurance premium, interest and any other charges the Trustee may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance will be added as Supplemental Rent. The costs of the insurance may be more than the cost of insurance the City may be able to obtain on its own.

**Section 4.05. Credit against Basic Rent Payment Obligation.** The City shall receive credit against its obligation to pay the Interest Portion or Principal Portion of Basic Rent to the extent moneys are on deposit in the Lease Revenue Fund and are available to pay the Interest Portion or the Principal Portion of Basic Rent represented by the Certificates.

**Section 4.06. Net Lease; Rent Payments to be Unconditional.** THIS LEASE IS INTENDED TO BE NET, NET, NET TO THE TRUSTEE, SUBJECT TO **SECTIONS 3.04, 4.03** AND **4.05**, AND

THE OBLIGATIONS OF THE CITY TO MAKE PAYMENT OF THE RENT PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS AND AGREEMENTS CONTAINED HEREIN SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SETOFF OR DEFENSE, FOR ANY REASON, INCLUDING ANY FAILURE OF THE PROJECT TO BE CONSTRUCTED OR INSTALLED, ANY DEFECTS, MALFUNCTIONS, BREAKDOWNS OR INFIRMITIES IN THE PROJECT OR ANY ACCIDENT, CONDEMNATION OR UNFORESEEN CIRCUMSTANCES.

Nothing in this Lease shall be construed as a waiver by the City of any rights or claims the City may have against the Trustee under this Lease or otherwise, but any recovery upon such rights and claims shall be from the Trustee separately, it being the intent of this Lease that the City shall be unconditionally and absolutely obligated to perform fully all of its obligations, agreements and covenants under this Lease, including its obligation to pay Basic Rent and Supplemental Rent. The City may, however, at its own cost and expense and in its own name or in the name of the Trustee, prosecute or defend any action or proceeding or take any other action involving third persons which the City deems reasonably necessary in order to secure or protect its right of possession, occupancy and use hereunder, and in such event the Trustee hereby agrees, subject to receipt by the Trustee of satisfactory indemnity in accordance with **Section 11.03** of the Declaration of Trust, to cooperate fully with the City and to take all action necessary to effect the substitution of the City for the Trustee in any such action or proceeding if the City shall so request.

**Section 4.07. Compensation of the Trustee.** The City shall, from time to time, upon the written request of the Trustee, (a) pay to the Trustee reasonable compensation for its services as agreed to by the City and the Trustee from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and (b) reimburse the Trustee for all reasonable advances, fees, charges and expenditures, including but not limited to, advances to and reasonable fees and expenses of independent appraisers, accountants, consultants, counsel, agents and attorneys or other experts employed by it in the exercise and performance of its powers and duties hereunder. Compensation under this Section (except that the initial fee is to be paid on the delivery date of the Series 2021A Certificates) is to be paid as Supplemental Rent as set forth in **Section 4.02**. The Trustee will have a first lien against the Trust Estate for its reasonable costs, fees, expenses and advancements hereunder.

**Section 4.08. Increased Basic Rent.** Notwithstanding any other provision of this Lease, the Trustee and the City may enter into a Supplemental Lease or Supplemental Leases that increase the amount of Basic Rent payable by the City on any Basic Rent Payment Date in connection with any Additional Certificates issued under the Declaration of Trust, including any supplement thereto. Each such Supplemental Lease will include an amended **Exhibit A** reflecting separately the Principal Portion and the Interest Portion of Basic Rent allocable to the original Lease and to each Supplemental Lease due on each Basic Rent Payment Date as well as the total Basic Rent due on each Basic Rent Payment Date.

## ARTICLE V

### ACQUISITION AND INSTALLATION OF THE PROJECT

**Section 5.01. Acquisition and Installation.** The City represents, warrants, covenants and agrees as follows:

(a) It has entered into or will enter into Contracts providing for the acquisition and installation of the Leased Property in accordance with the plans and specifications or will acquire and install the Leased Property with City employees in accordance with the plans and specifications;

(b) It will cause the acquisition and installation of the Project to be completed with all reasonable dispatch in accordance with the applicable provisions of this Lease;

(c) All Contracts entered into or to be entered into by the City relating to such work shall be in accordance with all applicable requirements of the laws of the State and shall have the performance bonds required by **Section 7.01(d)**;

(d) It has obtained or shall obtain all necessary or required permits, licenses, consents and approvals that are material for the purchase, installation, operation and maintenance of the Project and shall comply with all lawful requirements of any governmental body regarding the use or condition of the Project, whether existing or later enacted or foreseen or unforeseen or whether involving any change in governmental policy or requiring structural or other change to the Project and irrespective of the cost of so complying;

(e) It will pay all fees, costs and expenses incurred in completing the Project or, to the extent there are moneys in the Project Fund available therefor, will request the Trustee to make such payments from the Project Fund in the manner hereinafter and in the Declaration of Trust provided;

(f) It will ask, demand, sue for and use its best efforts to recover and receive such sums of money, debts or other demand to which it may be entitled under any contract, order, receipt, guaranty, warranty, writing or instruction in connection with the purchase and installation of the Project; and

(g) It will use its best efforts, to the extent economically reasonable, to enforce the provisions of any contract, agreement, obligation, bond or other security in connection therewith, and any such amounts received in connection with the foregoing, after deduction of expenses incurred in recovering such amounts, for payment to the Trustee for deposit in the Project Fund if the Completion Date has not occurred or for deposit in the Lease Revenue Fund if the Completion Date has occurred.

If the purchase and installation of the Project or any portion thereof is delayed or fails to occur for any reason, there shall be no diminution in or postponement of the payments to be made by the City hereunder.

The Trustee is not the agent or representative of the City, and the City is not the agent of the Trustee, and this Lease shall not be construed to make the Trustee liable to materialmen, contractors, subcontractors, craftsmen, laborers or others for goods or services delivered by them in connection with the Project, or for debts or claims accruing to the aforesaid parties against the City. This Lease shall not create any contractual relation either expressed or implied between the Trustee and any materialmen, contractors, subcontractors, craftsmen, laborers or any other person supplying any work, labor or materials in connection with the Project. Notwithstanding anything herein or in the Declaration of Trust to the contrary, during the Lease Term, the Trustee shall not be deemed to exercise control over or be an operator or owner of the Project and shall not be responsible or liable for the operation, use and maintenance of the Project.

**Section 5.02. Payment for the Project.** Costs and expenses of every nature incurred in the acquisition and installation of the Project that qualify as Costs of the Project shall be paid by the Trustee from the Project Fund upon receipt by the Trustee of a completed request of the City signed by the Authorized Representative of the City and containing the statements, representations and certifications set forth in the form of such request attached to the Declaration of Trust as **Exhibit B**.

In making disbursements for Costs of the Project, the Trustee shall be entitled to conclusively rely upon each written requisition certificate executed by the Authorized Representative of the City without inquiry or investigation. It is understood that the Trustee shall *not* make any inspections of the Project nor any improvements thereon, make any provision to obtain completion bonds, mechanic's or materialmen's lien releases or otherwise supervise any phase of the acquisition or installation of the Project. The approval of each requisition certificate by the Authorized Representative of the City shall constitute unto the Trustee an irrevocable determination that all conditions precedent to the payment of the specified amounts from the Project Fund have been completed.

**Section 5.03. Completion Date; Excess Funds.** The Completion Date shall be evidenced to Trustee upon receipt by the Trustee of a certificate signed by the Authorized Representative of the City (the "**Completion Certificate**") stating (a) the date on which the installation of the Project was substantially completed, (b) that all other facilities necessary in connection with the Project have been purchased and installed, (c) that the Project and such other facilities have been purchased and installed in accordance with the plans and specifications therefor and in conformance with all applicable zoning, planning, building, environmental and other similar governmental regulations, (d) that, except for Costs of the Project described in accordance with clause (e), all Costs of the Project have been paid, and (e) the amounts, if any, to be retained in the Project Fund for the payment of Costs of the Project, if any, not yet due or Costs of the Project whose liability the City is contesting, and amounts that otherwise should be retained and the reasons they should be retained. The Completion Certificate may state that it is given without prejudice to any rights of the City that then exist or may subsequently come into being against third parties. Any amounts remaining in the Project Fund that are not needed to pay any remaining Costs of the Project shall be transferred to the Lease Revenue Fund.

**Section 5.04. Warranties.** The Trustee hereby assigns to the City for and during the Lease Term, all of its interest in all warranties, guarantees or other contract rights against any architect, contractor, subcontractor or supplier, expressed or implied, issued on or applicable to the Project, and the Trustee hereby authorizes the City to obtain the customary services furnished in connection with such warranties, guarantees or other contract rights at the City's expense. The City's sole remedy for the breach of such warranties, guarantees or other contract rights shall be against any architect, contractor, subcontractor or supplier, and not against the Trustee, nor shall such matter have any effect whatsoever on the rights of the Trustee with respect to this Lease, including the right to receive full and timely Basic Rent Payments and Supplemental Rent Payments. The City expressly acknowledges that the Trustee does not make nor has it made any representation or warranty whatsoever as to the existence or availability of such warranties, guarantees or other contract rights of the manufacturer or supplier of any portion of the Project.

**Section 5.05. DISCLAIMER OF WARRANTIES.** THE TRUSTEE MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION OR FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE PROJECT OR ANY PART THEREOF, OR WARRANTY WITH RESPECT THERETO. IN NO EVENT SHALL THE TRUSTEE BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE IN CONNECTION WITH OR ARISING OUT OF THIS LEASE OR

THE EXISTENCE, FURNISHING, FUNCTIONING OR THE CITY’S USE OF THE PROJECT OR ANY PART THEREOF.

**Section 5.06. Deficiency of Project Fund.** If the Project Fund shall be insufficient to pay fully all Costs of the Project and to complete fully the Project lien free, the City shall pay, in cash, the full amount of any such deficiency by making payments directly to the contractors and to the suppliers of materials and services as the same shall become due. The Trustee is not obligated to pay and shall not be responsible for any such deficiency, and the City shall save the Trustee whole and harmless from any obligation to pay such deficiency.

## ARTICLE VI

### IMPOSITIONS

**Section 6.01. Impositions.** The City shall bear, pay and discharge, before the delinquency thereof, as Supplemental Rent, all taxes and assessments, general and special, if any, which may be lawfully taxed, charged, levied, assessed or imposed upon or against or be payable for or in respect of the Leased Property, including any taxes and assessments not of the kind enumerated above to the extent that the same are lawfully made, levied or assessed in lieu of or in addition to taxes or assessments now customarily levied against real or personal property, and further including all water and sewer charges, assessments and other general governmental charges and impositions whatsoever, foreseen or unforeseen, which if not paid when due would impair the security of the Trustee or encumber the Leased Property (all of the foregoing being herein referred to as “**Impositions**”).

**Section 6.02. Contest of Impositions.** The City shall have the right, in its own name or in the Trustee’s name, to contest the validity or amount of any Imposition which the City is required to bear, pay and discharge pursuant to the terms of this Article by appropriate legal proceedings instituted at least ten days before the Imposition complained of becomes delinquent and may permit the Imposition so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Trustee shall notify the City that, in the opinion of counsel, by nonpayment of any such items the interest of the Trustee in the Leased Property will be endangered or the Leased Property or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay such taxes, assessments or charges or provide the Trustee with full security against any loss which may result from nonpayment in form satisfactory to the Trustee. The Trustee agrees to cooperate with the City in connection with any and all administrative or judicial proceedings related to Impositions. The City shall hold the Trustee whole and harmless from any costs and expenses the Trustee may incur with respect to any Imposition.

## ARTICLE VII

### INSURANCE; INDEMNITY

**Section 7.01. Insurance Required.** The City shall, during the Lease Term, cause the Leased Property to be kept continuously insured against such risks customarily insured against for facilities such as the Leased Property and shall pay (except as otherwise provided herein), as the same become due, all premiums in respect thereof, such insurance to include the following policies of insurance:

(a) Insurance insuring the Leased Property against loss or damage by fire, lightning and all other risks covered by the extended coverage insurance endorsement then in use in the State in an amount not less than the greater of the Principal Portion of the Certificates then Outstanding or the replacement value of the Leased Property and issued by such insurance company or companies authorized to do business in the State as may be selected by the City. The policy or policies of such insurance shall name the City and the Trustee as insureds, as their respective interests may appear. All proceeds from such policies of insurance shall be applied as provided in **Article IX**;

(b) Comprehensive general accident and public liability insurance (including coverage for all losses whatsoever arising from the ownership, maintenance, operation or use of any automobile, truck or other motor vehicle), under which the City and the Trustee are named as insureds, in amounts equal to the City's customary insurance practice for bodily injury (including death) but in no event less than the limitation on awards for liability in effect from time to time under Section 537.610, R.S.Mo., and for property damage arising out of or in any way relating to the condition or the operation of the Leased Property (subject to reasonable loss deductible clauses not to exceed \$25,000);

(c) Workers' compensation and unemployment coverages to the extent, if any, required by the laws of the State; and

(d) Performance and labor and material payment bonds with respect to the Contracts in the full amount of the Contracts from surety companies qualified to do business in the State.

Not less than 15 days prior to the expiration dates of the expiring policies, originals or copies of the policies required by this Section or certificates evidencing such insurance shall be delivered by the City to the Trustee. All policies of such insurance, and all renewals thereof, shall contain a provision that such insurance may not be cancelled by the issuer thereof without at least 30 days' written notice to the City and the Trustee.

Nothing in this Lease shall be construed as preventing the City from satisfying the insurance requirements herein set forth by using blanket policies of insurance or self-insurance provided each and all of the requirements and specifications of this Lease respecting insurance are complied with.

The City may elect to be self-insured for all or any part of the foregoing requirements of this **Section 7.01** if (i) the City annually obtains a written evaluation with respect to such self-insurance program from an individual or firm selected by the City and acceptable to the Trustee qualified to survey risks and to recommend insurance coverage for entities engaged in operations similar to those of the City and having a favorable reputation for skill and experience in making such surveys and recommendations (an **"Insurance Consultant"**), (ii) the evaluation is to the effect that the self-insurance program is sound, (iii) unless the evaluation states that such reserves are not necessary, the City maintains adequate reserves for the self-insurance program, and (iv) in the case of workers' compensation, adequate reserves created by the City for such self-insurance program are maintained in such amount and manner as are acceptable to the State. The City will pay any fees and expenses of such Insurance Consultant in connection therewith.

**Section 7.02. Enforcement of Contract and Surety Bonds.** In the event of material default of any contractor or subcontractor under a Contract or any other contract made in connection with the acquisition and installation of the Project, or in the event of a material breach of warranty with respect to any materials, workmanship or performance, the City will promptly proceed, either separately or in conjunction with others, to pursue diligently the remedies of the City against the contractor or subcontractor

in default and against each surety on a bond securing the performance of such contract. Any amounts recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing, after deduction of expenses incurred in such recovery and after reimbursement to the City of any amounts theretofore paid by the City not previously reimbursed to the City for correction or remedying of the default which gave rise to the proceedings against the contractor or subcontractor or surety, shall be paid to the Trustee for deposit in the Project Fund if received before the Completion Date and, if such funds are received after the Completion Date, for deposit in the Lease Revenue Fund to be used solely for the purpose of paying Basic Rent under this Lease.

**Section 7.03. Release and Indemnification.** To the extent permitted by law, the City shall indemnify, protect, hold harmless, save and keep the Trustee and its officials, officers, shareholders, employees, directors, attorneys and agents harmless from and against any and all liability, obligation, loss, claim, tax (other than income taxes or other taxes on or attributable to Rent Payments, if any, which are received by the Trustee in its individual capacity) and damage whatsoever and all expenses in connection therewith (including attorneys' fees and expenses) that are not caused by the negligence or willful misconduct of the Trustee, its agents or employees arising out of or as the result of (a) the entering into of this Lease and the Declaration of Trust, (b) the acquisition and installation of the Project, (c) injury, actual or claimed, of whatsoever kind or character, to property or persons, occurring or allegedly occurring in, on or about the Project during the Lease Term, and/or (d) the breach of any covenant by the City herein or any material misrepresentation by the City contained herein; provided that the City shall have the right to conduct the Trustee's defense through counsel designated by the City and approved by the Trustee, which approval shall not be unreasonably withheld. The indemnification arising under this Section shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease and the Declaration of Trust or the termination of this Lease for any reason.

## ARTICLE VIII

### COVENANTS OF THE CITY

**Section 8.01. Maintenance and Modification of Leased Property by the City.** The City will at its own expense (a) keep the Leased Property in a safe condition, (b) with respect to the Leased Property, comply with all applicable health and safety standards and all other industrial requirements or restrictions enacted or promulgated by the State, or any political subdivision or agency thereof, or by the government of the United States of America or any agency thereof, and (c) keep the Leased Property in good repair and in good operating condition and make from time to time all necessary repairs thereto and renewals and replacements thereof; provided, however, that the City will have no obligation to operate, maintain, preserve, repair, replace or renew any element or unit of the Leased Property the maintenance, repair, replacement or renewal of which becomes uneconomical to the City because of damage, destruction or obsolescence, or change in economic or business conditions, or change in government standards and regulations. The City shall not permit or suffer others to commit a nuisance in or about the Leased Property or itself commit a nuisance in connection with its use or occupancy of the Leased Property. The City will pay all costs and expenses of operation of the Leased Property.

The City may, also at its own expense, make from time to time any additions, modifications or improvements to the Leased Property that it may deem desirable for its business purposes and that do not materially impair the structural strength or effective use, or materially decrease the value, of the Leased Property. All additions, modifications or improvements made by the City pursuant to the authority of this Section shall (a) be made in a workmanlike manner and in strict compliance with all laws and ordinances

applicable thereto, (b) when commenced, be pursued to completion with due diligence and (c) when completed, be deemed a part of the Leased Property.

During the Lease Term, the Leased Property will be used by the City only for the purpose of performing essential governmental or proprietary functions of the City consistent with the permissible scope of the City's authority.

#### **Section 8.02. Tax Covenants.**

(a) The City covenants for the benefit of the purchasers and Owners of the Certificates from time to time Outstanding that so long as any of the Certificates remain Outstanding, it will not take any action or permit any action to be taken or omit to take any action or permit the omission of any action reasonably within its control which action or omission will cause any Certificates to be "arbitrage bonds" within the meaning of Section 148 of the Code, which will cause any Certificates to be subject to treatment under Section 141 of the Code as "private activity bonds."

(b) The City covenants and agrees that it will pay or provide for the payment from time to time of all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any Treasury Regulations applicable to the Certificates from time to time. The City specifically covenants to pay or cause to be paid to the United States the required rebate amounts at the times and in the amounts as determined by the Treasury Regulations and the Arbitrage Instructions. Notwithstanding anything to the contrary contained herein, the Arbitrage Instructions may be amended or replaced if, in the written opinion of Special Counsel, such amendments will not adversely affect the federal tax status of any Certificates Outstanding.

(c) The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of the Certificates pursuant to **Article X** of the Declaration of Trust or any other provision of the Declaration of Trust, until the final maturity date of all Certificates Outstanding.

**Section 8.03. The City's Continuing Existence.** The City will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a body corporate and politic.

### **ARTICLE IX**

#### **CASUALTY AND CONDEMNATION**

**Section 9.01. Damage, Destruction and Condemnation.** The City shall bear the risk of loss with respect to the Leased Property during the Lease Term. If (a) the Leased Property or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Leased Property or any part thereof shall be nonexistent or deficient or taken under the exercise or threat of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, the City will cause the Net Proceeds of any insurance claim, condemnation award or sale under threat of condemnation to be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property, unless the City shall have exercised its option to purchase the Trustee's interest in the Leased Property by making payment of the Purchase Price as provided herein. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to the Trustee who shall deposit such moneys as set forth in the Declaration of Trust.

If the City determines that the repair, restoration, modification or improvement of the Leased Property is not economically feasible or in the best interest of the City, then, in lieu of making such repair, restoration, modification or improvement and if permitted by law, the City shall promptly purchase the Trustee's interest in the Leased Property pursuant to **Section 10.01(c)** by paying the Purchase Price and such Net Proceeds shall be applied by the City to such payment to the extent required for such payment. Any balance of the Net Proceeds remaining after paying the Purchase Price shall belong to the City.

**Section 9.02. Insufficiency of Net Proceeds.** If the Net Proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement referred to in **Section 9.01** and the City has not elected to purchase the Trustee's interest in the Leased Property pursuant to **Section 10.01(c)**, the City shall complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds and, if the City shall make any payments pursuant to this Section, the City shall not be entitled to any reimbursement therefor from the Trustee nor shall the City be entitled to any diminution of Rent.

### **Section 9.03. Eminent Domain.**

(a) Under Missouri statutes, the City has the power to condemn property for its purposes, and the City acknowledges that condemnation of the Leased Property would adversely affect the Trustee. The City and the Trustee have reached agreement on the terms of the acquisition of the Leased Property, at City's option, and to the use of the Leased Property, all as set forth in this Lease. Any acquisition of the Trustee's interest in the Leased Property or rights to its use by the City (whether pursuant to the exercise of eminent domain powers or otherwise) shall be pursuant to and in accordance with the Lease, including payment of Rent Payments and the applicable Purchase Price. If the City allows the Lease to expire without exercising its option to purchase (whether by failure to exercise its option to extend the Lease for a Renewal Term, failure to exercise its option to purchase at the conclusion of the maximum Lease Term or failure to cure an Event of Default), that action shall constitute an irrevocable determination by the City that the Leased Property is not required by it for any public purpose for the term of this Lease.

The City hereby covenants and agrees, to the extent it may lawfully do so, that if for any reason it exercises the power of eminent domain with respect to the Leased Property, the appraisal value of the Leased Property shall not be less than the Rent Payments then due plus the then applicable Purchase Price.

(b) In the event that title to all or a portion of the Leased Property is challenged or threatened by means of competent legal or equitable action, the City covenants that it shall cooperate with the Trustee and shall take all reasonable actions, including where appropriate the lawful exercise of the City's power of eminent domain, in order to quiet title to the Leased Property in the City.

## **ARTICLE X**

### **OPTION TO PURCHASE; PARTIAL PREPAYMENT**

**Section 10.01. Purchase Option.** The City shall have the option to purchase the Trustee's interest in the Leased Property, upon giving written notice to the Trustee at least 30 days before the date of purchase, at the following times and on the following terms:

(a) At any time on or after March 1, 2031, upon payment in full of Rent Payments then due hereunder plus a Purchase Price equal to the remaining Principal Portions of Basic Rent

for the maximum Lease Term plus the Interest Portion of Basic Rent accrued to the prepayment date;

(b) On any date upon deposit of funds or Government Obligations or both with the Trustee in accordance with **Article X** of the Declaration of Trust in the amount necessary to provide for the Basic Rent Payments until and on the prepayment date, and the Purchase Price calculated as described in (a) above on the Certificates; or

(c) In the event of substantial damage to or destruction or condemnation (other than condemnation by the City or any entity controlled by or otherwise affiliated with the City) of, or loss of title to, substantially all of the Leased Property, or as a result of changes in the Constitution of Missouri or legislative or administrative action by the State or the United States, this Lease or the Declaration of Trust becomes unenforceable, on the date the City specifies as the purchase date in the City's notice to the Trustee of its exercise of the purchase option, upon payment in full of the Rent Payments then due hereunder plus then remaining Principal Portions of Basic Rent for the maximum Lease Term and the Interest Portion of Basic Rent to the purchase date.

Upon payment in full of all Rent Payments calculated as described above, the City shall be deemed to have purchased the Leased Property pursuant to this Section.

**Section 10.02. Partial Prepayment.** At the option of the City the Series 2021A Certificates will be subject to optional partial prepayment as described in the Declaration of Trust, at which time the Rental Payments hereunder may be partially prepaid in the same amounts.

**Section 10.03. Determination of Fair Rent and Purchase Price.** The City hereby agrees and determines that the Rent hereunder during the Original Term and any Renewal Term represents the fair value of the use of the Leased Property and that the Purchase Price required to exercise the City's option to purchase the Trustee's interest in the Leased Property pursuant to **Section 10.01** represents, as of the end of the Original Term or any Renewal Term, the fair Purchase Price of the Leased Property. The City hereby determines that the Rent does not exceed a reasonable amount so as to place the City under an economic practical compulsion to renew this Lease or to exercise its option to purchase the Leased Property hereunder. In making such determinations, the City has given consideration to the Costs of the Project, the uses and purposes for which the Leased Property will be employed by the City, the benefit to the City by reason of the acquisition and installation of the Leased Property and the use and occupancy of the Leased Property pursuant to the terms and provisions of this Lease and the City's option to purchase the Leased Property. The City hereby determines and declares that the acquisition and installation of the Project and the leasing of the Leased Property pursuant to this Lease will result in a Project of comparable quality and meeting the same requirements and standards as would be necessary if the acquisition and installation of the Project were performed by the City other than pursuant to this Lease. The City hereby determines and declares that the maximum Lease Term does not exceed the useful life of the Leased Property.

## ARTICLE XI

### ASSIGNMENT

**Section 11.01. Assignment and Subleasing by the City.** Except as hereinafter expressly provided, none of the City's right, title and interest in, to and under this Lease and in the Leased Property may be assigned or encumbered by the City for any reason; except that the City may sublease any one or

more parts of the Leased Property if the City obtains and delivers to the Trustee an Opinion of Special Counsel that such subleasing will not adversely affect the tax status of the Interest Portion of the Basic Rent Payments. Any such sublease of all or part of the Leased Property shall be subject to this Lease and the rights of the Trustee in, to and under this Lease and the Leased Property.

## ARTICLE XII

### EVENTS OF DEFAULT

**Section 12.01. Events of Default Defined.** Any of the following shall constitute an “Event of Default” under this Lease:

(a) Failure by the City to make any deposits required by **Section 4.01** to pay Basic Rent in the Lease Revenue Fund at the time specified herein;

(b) Failure by the City to make any Supplemental Rent Payment when due and the continuance of such failure for ten days after written notice specifying such failure and requesting that it be remedied is given to the City by the Trustee;

(c) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder, other than as referred to in subparagraph (a) or (b) above, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to the City by the Trustee unless such party shall agree in writing to an extension of such time prior to its expiration; provided that, if the failure stated in the notice cannot be corrected within the applicable period, such party will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the City within the applicable period and diligently pursued until the default is corrected;

(d) Any statement, representation or warranty made by the City in or pursuant to this Lease or the execution, delivery or performance of either of them shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made;

(e) Any provision of this Lease shall at any time for any reason cease to be valid and binding on the City, or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by the City or any governmental agency or authority if the loss of such provision would materially adversely affect the rights or security of the Trustee; or

(f) The City becomes insolvent or admits in writing its inability to pay its debts as they mature or applies for, consents to, or acquiesces in the appointment of a trustee, receiver or custodian for the City or a substantial part of its property; or in the absence of such application, consent or acquiescence, a trustee, receiver or custodian for the City or a substantial part of its property; or in the absence of such application, consent or acquiescence, a trustee, receiver or custodian is appointed by the City or a substantial part of its property and is not discharged within 60 days; or any bankruptcy, reorganization, debt arrangement, moratorium or any proceeding under bankruptcy or insolvency law, or any dissolution or liquidation proceeding, is instituted by or against the City and, if instituted against the City, is consented to or acquiesced in by the City or is not dismissed within 60 days.

**Section 12.02. Remedies on Default.** Whenever any Event of Default exists, the Trustee shall have the right, without any further demand or notice, to take one or any combination of the following remedial steps:

(a) By written notice to the City, the Trustee may declare all Rent payable by the City hereunder to the end of then current Original Term or Renewal Term to be due;

(b) With or without terminating this Lease, the Trustee may take possession of the Leased Property (in which event the City shall take all actions necessary to authorize, execute and deliver to the Trustee for the remainder of the Trustee's leasehold term all documents necessary to vest in the Trustee all of the City's interest in the Leased Property), and sell the Leased Property or lease the Leased Property or, for the account of the City, sublease the Leased Property continuing to hold the City liable for the difference between (a) the Rent payable by the City hereunder for then current Original Term or Renewal Term, as the case may be, and (b) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of the Trustee in exercising its remedies under this Lease, including without limitation all expenses of taking possession, removing, storing, reconditioning, and selling or leasing or subleasing the Leased Property and all brokerage, auctioneers and attorneys' fees);

(c) The Trustee may terminate any rights the City may have in any funds held by the Trustee under the Declaration of Trust; and

(d) The Trustee may take whatever action at law or in equity necessary or desirable to enforce its rights in the Leased Property and under this Lease.

**Section 12.03. No Remedy Exclusive.** No remedy herein conferred upon or reserved to the Trustee is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease now or hereafter existing at law or in equity. ### GENERAL COVENANTS

#### **Section 2.1. Covenants of the City.** The City covenants as follows:

(a) *Organization and Authority.* The City (1) is a political subdivision organized and existing under the laws of the State of Missouri, (2) has lawful power and authority to enter into, execute the Lease, deliver the Certificates and execute this Tax Agreement and to carry out its obligations under the Lease, the Certificates and this Tax Agreement and (3) by all necessary action has been duly authorized to execute the Lease, deliver the Certificates and execute this Tax Agreement, acting by and through its duly authorized officials.

(b) *Tax-Exempt Status of Certificates – General Covenants.* In order to maintain the exclusion of the Interest Component of the Base Rentals represented by the Certificates from gross income for federal income tax purposes, the City (1) will take whatever action, and refrain from whatever action, necessary to comply with the applicable requirements of the Code, (2) will not use or invest, or permit the use or Investment of, any Certificate proceeds, other money held under the Declaration, or other funds of the City, in a manner that would violate applicable provisions of the Code, and (3) will not use, or permit the use of, any portion of the Financed Facilities in a manner that would cause the Lease to become a “private activity bond” as defined in Code § 141.

(c) *Governmental Obligations – Use of Proceeds.* Throughout the Measurement Period, (1) all of the Financed Facilities are expected to be owned by the City or another Qualified User, (2) no portion of the Financed Facilities is expected to be used in a Non-Qualified Use and (3) the City will not permit any Non-Qualified Use of the Financed Facilities without first obtaining an Opinion of Special Tax Counsel.

(d) *Governmental Obligations – Private Security or Payment.* As of the Issue Date, the City expects that none of the Base Rentals represented by the Certificates will be, directly or indirectly:

- (1) secured by (A) any interest in property used or to be used for a private business use or (B) any interest in payments in respect of such property; or

(2) derived from payments (whether or not such payments are made to the City) in respect of property, or borrowed money, used or to be used for a private business use.

For purposes of the foregoing, taxes of general application, including payments in lieu of taxes, are not treated as private payments or as private security. The City will not permit any private security or payment with respect to the Certificates without first obtaining and delivering to the Trustee an Opinion of Special Tax Counsel.

(e) *No Private Loan.* Not more than 5% of the Net Proceeds of the Certificates will be loaned directly or indirectly to any Non-Qualified User.

(f) *Management Agreements.* As of the Issue Date, the City has no Management Agreements with Non-Qualified Users. During the Measurement Period, the City will not enter into any Management Agreement with any Non-Qualified User without first obtaining and delivering to the Trustee an Opinion of Special Tax Counsel.

(g) *Leases.* Except for the Lease, neither of which gives rise to Non-Qualified Use, as of the Issue Date, the City has not entered into any leases of any portion of the Financed Facilities other than Qualified Use Agreements during the Measurement Period. During the Measurement Period, the City will not enter into or renew any lease or similar agreement or arrangement other than a Qualified Use Agreement without first obtaining an Opinion of Special Tax Counsel.

(h) *Limit on Maturity of Certificates.* A list of the assets included in the Financed Facilities and a computation of the “average reasonably expected economic life” is attached to this Tax Agreement as **Exhibit C** hereto. Based on this computation, the “average maturity” of the Certificates, as computed by Special Tax Counsel, does not exceed 120% of the “average reasonably expected economic life” of the Financed Facilities.

(i) *Reimbursement of Expenditures; Official Intent.* No portion of the Net Proceeds of the Lease will be used to reimburse an expenditure paid by the City more than 60 days prior to the date the original (June \_\_, 2021) resolution was adopted. No reimbursement allocation will be made for an expenditure made more than 3 years before the date of the reimbursement allocation.

(j) *Registered Certificates.* The Declaration requires that all of the Certificates be delivered and held in registered form within the meaning of Code § 149(a).

(k) *Certificates Not Federally Guaranteed.* The City will not take any action or permit any action to be taken which would cause its Base Rentals under the Lease, or any Certificate to be “federally guaranteed” within the meaning of Code § 149(b).

(l) *IRS Form 8038-G.* Special Tax Counsel will prepare Form 8038-G (Information Return for Tax-Exempt Governmental Obligations) based on the covenants of the City contained in this Tax Agreement or otherwise provided by the City. Special Tax Counsel will sign the return as a paid preparer following completion and will then deliver copies to the City for execution and for the City’s records. The City agrees to timely execute and return to Special Tax Counsel the execution copy of Form 8038-G for filing with the IRS. A copy of the “as-filed” Form 8038-G, along with proof of filing, is attached hereto as **Exhibit B**.

(m) *Hedge Bonds.* At least 85% of the net sale proceeds (the sale proceeds of the Certificates less any sale proceeds invested in a reserve fund) of the Certificates will be used to carry out the

governmental purpose of the Certificates within three years after the Issue Date, and not more than 50% of the Certificate proceeds will be invested in Investments having a substantially guaranteed Yield for four years or more.

(n) *Compliance with Future Tax Requirements.* The City understands that the Code and the Regulations may impose new or different restrictions and requirements on the City in the future. The City will comply with such future restrictions that are necessary to maintain the exclusion of the Interest Component of the Base Rentals from gross income for federal income tax purposes.

(o) *Single Issue; No Other Issues.* The Certificates constitute a single “issue” under Regulations § 1.150-1(c). No other debt obligations of the City are (1) being sold within 15 days of the sale of the Certificates, (2) being sold under the same plan of financing as the Certificates and (3) expected to be paid from substantially the same source of funds as the Certificates (disregarding guarantees from unrelated parties, such as bond insurance).

(p) *Interest Rate Swap.* As of the Issue Date, the City has not entered into an interest rate swap agreement or any other similar arrangement designed to modify its interest rate risk with respect to the Certificates. The City will not enter into any such arrangement in the future without obtaining an Opinion of Special Tax Counsel.

(q) *Guaranteed Investment Contract.* As of the Issue Date, the City does not expect to enter into a Guaranteed Investment Contract for any Gross Proceeds of the Certificates. The City will be responsible for complying **Section 4.4(d)** hereof if it decides to enter into a Guaranteed Investment Contract at a later date.

(r) *Bank Qualified Tax-Exempt Obligation.* The City designates the Lease and the Certificates as “qualified tax-exempt obligations” under Code § 265(b)(3), and with respect to this designation certifies as follows:

(1) the City reasonably anticipates that the amount of tax-exempt obligations (other than private activity bonds that are not qualified 501(c)(3) bonds) that will be issued by or on behalf of the City (and all subordinate entities of the City) during calendar year 2020, including the Lease and the Certificates, will not exceed \$10,000,000; and

(2) the City (including all subordinate entities of the City) will not issue tax-exempt obligations (other than private activity bonds that are not qualified 501(c)(3) bonds) during calendar year 2020, including the Lease and the Certificates, in an aggregate principal amount or aggregate issue price in excess of \$10,000,000, without first obtaining an Opinion of Special Tax Counsel that the designation of the Lease and the Certificates as “qualified tax-exempt obligations” will not be adversely affected.

**Section 2.2. Covenants of the Trustee.** The Trustee covenants to the City as follows:

(a) The Trustee will comply with the provisions of this Tax Agreement that apply to it as Trustee and any written letter or Opinion of Special Tax Counsel, specifically referencing the Certificates and received by the Trustee, that sets forth any action necessary to comply with any statute, regulation or ruling that may apply to it as Trustee and relating to reporting requirements or other requirements necessary to maintain the exclusion of the Interest Component of the Base Rentals from gross income for federal income tax purposes; provided that any such reporting requirements or actions relate to records that the Trustee has or is required to have or responsibilities of the Trustee contained herein or in the Declaration.

(b) The Trustee, upon receipt of a written request from the City, may from time to time cause a firm of attorneys, consultants or independent accountants or an investment banking firm to provide the Trustee and the City with such information as it may request in order for the City to determine all matters relating to (1) the Yield on the Certificates as it relates to any data or conclusions necessary to verify that the Certificates are not “arbitrage bonds” within the meaning of Code § 148 and (2) compliance with arbitrage rebate requirements of Code § 148(f). The City will pay all reasonable costs and expenses incurred in connection with supplying the foregoing information.

(c) The Trustee, acting on behalf of the City, will retain records related to the investment and expenditure of Gross Proceeds held in funds and accounts maintained by the Trustee and any records provided to the Trustee by the City related to the Post-Issuance Tax Requirements in accordance with **Section 4.2(a)** of this Tax Agreement. The Trustee will retain these records until three years following the final maturity of (i) the Certificates or (ii) any obligation issued to refund the Certificates; provided, however, if the Trustee is not retained to serve as trustee for any obligation issued to refund the Certificates (a “Refunding Obligation”), then the Trustee may satisfy its record retention duties under this **Section 2.2(c)** by providing copies of all records in its possession related to the Certificates to the trustee for the Refunding Obligation or other party designated by the City.

**Section 2.3. Survival of Covenants.** All covenants and certifications of the City and the Trustee contained in this Tax Agreement or in any certificate or other instrument delivered by the City or the Trustee under this Tax Agreement, will survive the execution and delivery of such documents and the approval and delivery of the Certificates, as representations of facts existing as of the date of execution and delivery of the instruments containing such representations. The foregoing covenants of this Section will remain in full force and effect notwithstanding the defeasance of the Certificates.

### ARTICLE III

#### ARBITRAGE CERTIFICATIONS AND COVENANTS

**Section 3.1. General.** The purpose of this Article is to certify, under Regulations § 1.148-2(b), the City’s expectations as to the sources, uses and Investment of Certificate proceeds and other money, in order to support the City’s conclusion that the Lease and the Certificates are not arbitrage bonds. The person executing this Tax Agreement on behalf of the City is an officer of the City responsible for delivering the Lease and authorizing the Trustee to deliver the Certificates.

**Section 3.2. Reasonable Expectations.** The facts, estimates and expectations set forth in this Article are based upon and in reliance upon the City’s understanding of the documents and certificates that comprise the Transcript, and the covenants and certifications of the parties contained therein. To the City’s knowledge, the facts and estimates set forth in this Tax Agreement are accurate, and the expectations of the City set forth in this Tax Agreement are reasonable. The City has no knowledge that would cause it to believe that the certifications described in this Tax Agreement are unreasonable or inaccurate or may not be relied upon.

**Section 3.3. Purpose of Financing.** The Certificates are being executed and delivered for the purpose of providing funds to pay the costs of (a) the Project, (b) pay a portion of the Prepaid Lease, and (c) executing the Lease and delivering the Certificates.

**Section 3.4. Funds.** The following funds have been established under the Declaration:

- (1) Project Fund.
- (2) Lease Revenue Fund.

**Section 3.5. Amount and Use of Certificate Proceeds.**

(a) *Amount of Certificate Proceeds.* The total Certificate proceeds to be received by the City from the sale of the Certificates will be as follows:

|                                       |                         |
|---------------------------------------|-------------------------|
| Principal Amount                      | \$[principal amount].00 |
| Net Original Issue Premium/(Discount) |                         |
| Less Underwriting Discount            | ()                      |
| Accrued Interest                      | 0.00                    |
| Total Proceeds Received by City       | \$                      |

(b) *Use of Certificate Proceeds.* The Certificate proceeds (net of underwriter's discount) are expected to be allocated to expenditures as follows:

- (1) \$ \_\_\_\_\_ of Certificate proceeds will be used to pay the costs of executing and delivering the Certificates.
- (2) \$ \_\_\_\_\_ of Certificate proceeds will be deposited in the Project Fund, of which \$ \_\_\_\_\_ will be used to pay future costs of the Financed Facilities.
- (3) \$ \_\_\_\_\_ of Certificate proceeds will be used to prepay the Prepaid Lease, together with \$ \_\_\_\_\_ of other available City funds.

**Section 3.6. Multipurpose Issue.** Pursuant to Regulations § 1.148-9(h), the City is applying the arbitrage rules to separate financing purposes of the issue that have the same initial temporary period as if they constitute a single issue for purposes of applying the arbitrage rules.

**Section 3.7. No Advance Refunding.** No Certificate proceeds will be used more than 90 days following the Issue Date to pay principal of or interest on any other debt obligation.

**Section 3.8. Current Refunding.** A portion of the proceeds of the Certificates will be used to prepay the Prepaid Lease as described herein.

**Section 3.9. Project Completion.** The City has incurred, or will incur within six months after the Issue Date, a substantial binding obligation to a fourth party to spend at least 5% of the Net Proceeds of the Certificates on the Financed Facilities. The completion of the Financed Facilities and the allocation of the Net Proceeds of the Certificates to expenditures will proceed with due diligence. At least 85% of the Net Proceeds of the Certificates will be allocated to expenditures on the Financed Facilities within three years after the Issue Date.

**Section 3.10. Sinking Funds.** The City is required to make periodic payments in amounts sufficient to pay the Base Rentals. Such payments will be deposited into the Certificate Payment Fund. Except for the Certificate Payment Fund and the Prepayment Fund, no sinking fund or other similar fund that is expected to be used to pay Base Rentals has been established or is expected to be established. The

Certificate Payment Fund and the Prepayment Fund are used primarily to achieve a proper matching of revenues with Base Rentals within each Certificate Year, and the City expects that the Certificate Payment Fund and the Prepayment Fund, in the aggregate, will qualify as a Bona Fide Debt Service Fund.

**Section 3.11. Reserve, Replacement and Pledged Funds.**

(a) *Reserve Fund.* No reserve or replacement fund has been established for the Certificates.

(b) *No Other Replacement or Pledged Funds.* None of the Certificate proceeds will be used as a substitute for other funds that were intended or earmarked to pay costs of the Financed Facilities, and that instead have been or will be used to acquire higher yielding investments. Except for the Certificate Payment Fund and the Prepayment Fund, there are no other funds pledged or committed in a manner that provides a reasonable assurance that such funds would be available for Base Rentals if the City encounters financial difficulty.

**Section 3.12. Purpose Investment Yield.** The Certificate proceeds will not be used to purchase an Investment for the purpose of carrying out the governmental purpose of the financing.

**Section 3.13. Issue Price and Yield on Lease.**

(a) *Issue Price.* Based on the Underwriter's certifications in the Underwriter's Receipt for Certificates and Closing Certificate, the City hereby elects to establish the issue prices of the Certificates maturing in the years 2022 through 2037 pursuant to Regulations § 1.148-1(f)(2)(i) (relating to the so-called "general rule"), and the issue price of the Certificate maturing in year 2040 pursuant to Regulations § 1.148-1(f)(2)(ii) (relating to the so-called "hold-the-offering-price rule"). Therefore, the aggregate issue price of the Certificates for such purpose is \$\_\_\_\_\_.

(b) *Yield on the Lease.* Based on the issue price, the Yield on the Lease is \_\_\_\_\_%, as shown on **Exhibit A** attached hereto. The City has not entered into an interest rate swap agreement with respect to any portion of the Certificate proceeds.

**Section 3.14. Miscellaneous Arbitrage Matters.**

(a) *No Abusive Arbitrage Device.* The Certificates are not and will not be part of a transaction or series of transactions that has the effect of (1) enabling the City to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage and (2) overburdening the tax-exempt bond market.

(b) *No Over-Issuance.* The sale proceeds of the Certificates, together with expected Investment earnings thereon and other money contributed by the City, if any, do not exceed the cost of the governmental purpose of the Certificates as described above.

**Section 3.15. Conclusion.** On the basis of the facts, estimates and circumstances set forth in this Tax Agreement, the City does not expect that the Certificate proceeds will be used in a manner that would cause the Lease or any Certificate to be an "arbitrage bond" within the meaning of Code § 148 and the Regulations.

## ARTICLE IV

### POST-ISSUANCE TAX REQUIREMENTS, POLICIES AND PROCEDURES

#### Section 4.1. General.

(a) *Purpose of Article.* The purpose of this Article is to supplement the Tax Compliance Procedure and to set out specific policies and procedures governing compliance with the federal income tax requirements that apply after the Certificates are delivered. The City recognizes that the Interest Component of the Base Rentals represented by the Certificates will remain excludable from gross income only if the Post-Issuance Tax Requirements are followed after the Issue Date. The City further acknowledges that written evidence substantiating compliance with the Post-Issuance Tax Requirements must be retained in order to permit the Certificates to be refinanced with tax-exempt obligations and substantiate the position that the Interest Component of the Base Rentals represented by the Certificates is excluded from gross income in the event of an audit of the Certificates by the IRS.

(b) *Written Policies and Procedures of the City.* The City intends for the Tax Compliance Procedure, as supplemented by this Tax Agreement, to be its primary written policies and procedures for monitoring compliance with the Post-Issuance Tax Requirements for the Certificates and to supplement any other formal policies and procedures related to tax compliance that the City has established. The provisions of this Tax Agreement are intended to be consistent with the Tax Compliance Procedure. In the event of any inconsistency between the Tax Compliance Procedure and this Tax Agreement, the terms of this Tax Agreement will govern.

(c) *Bond Compliance Officer.* The City when necessary to fulfill its Post-Issuance Tax Requirements will, through its Bond Compliance Officer, sign Form 8038-T in connection with the payment of arbitrage rebate or yield reduction payments, participate in any federal income tax audit of the Certificates or related proceedings under a voluntary compliance agreement procedures (VCAP) or undertake a remedial action procedure pursuant to Regulations § 1.141-12. In each case, all costs and expenses incurred by the City shall be treated as a reasonable cost of administering the Certificates and the City shall be entitled to reimbursement and recovery of its costs to the same extent as provided in the Declaration or State law.

#### Section 4.2. Record Keeping; Use of Certificate Proceeds and Use of Financed Facilities.

(a) *Record Keeping.* The Bond Compliance Officer will maintain the Tax-Advantaged Bond File for the Certificates in accordance with the Tax Compliance Procedure. Unless otherwise specifically instructed in a written Opinion of Special Tax Counsel or to the extent otherwise provided in this Tax Agreement, the Bond Compliance Officer shall retain records related to Post-Issuance Tax Requirements until three years following the final maturity of (1) the Certificates or (2) any obligation issued to refund the Certificates. Any records maintained electronically must comply with Section 4.01 of Revenue Procedure 97-22, which generally provides that an electronic storage system must (A) ensure an accurate and complete transfer of the hardcopy records which indexes, stores, preserves, retrieves and reproduces the electronic records, (B) include reasonable controls to ensure integrity, accuracy and reliability of the electronic storage system and to prevent unauthorized alteration or deterioration of electronic records, (C) exhibit a high degree of legibility and readability both electronically and in hardcopy, (D) provide support for other books and records of the City and (E) not be subject to any agreement that would limit the ability of the IRS to access and use the electronic storage system on the City's premises.

(b) *Accounting and Allocation of Certificate Proceeds to Expenditures.* The Bond Compliance Officer will account for the investment and expenditure of Certificate proceeds in the level of detail required by the Tax Compliance Procedure. The Bond Compliance Officer will supplement the expected allocation of Certificate proceeds to expenditures with a Final Written Allocation as required by the Tax Compliance Procedure. A sample form of a Final Written Allocation is attached as **Exhibit E** hereto.

(c) *Annual Compliance Checklist.* Attached as **Exhibit D** hereto is a form of Annual Compliance Checklist for the Certificates. The Bond Compliance Officer will prepare and complete an Annual Compliance Checklist for the Financed Facilities at least annually in accordance with the Tax Compliance Procedure. In the event the Annual Compliance Checklist identifies a deficiency in compliance with the requirements of this Tax Agreement, the Bond Compliance Officer will take the actions identified in an Opinion of Special Tax Counsel or the Tax Compliance Procedure to correct any deficiency.

(d) *Opinions of Special Tax Counsel.* The Bond Compliance Officer is responsible for obtaining and delivering to the City and the Trustee any Opinion of Special Tax Counsel required under the provisions of this Tax Agreement, including any Opinion of Special Tax Counsel required by this Tax Agreement or the Annual Compliance Checklist.

**Section 4.3. Temporary Periods/Yield Restriction.** Except as described below, the City will not invest Gross Proceeds at a Yield greater than the Yield on the Lease:

(a) *Project Fund and Costs of Issuance.* Certificate proceeds deposited in the Project Fund and investment earnings on those proceeds may be invested without Yield restriction for up to three years following the Issue Date. If any unspent proceeds remain in the Project Fund after three years, those amounts may continue to be invested without Yield restriction so long as the City pays to the IRS all Yield reduction payments in accordance with Regulations § 1.148-5(c). These payments are required whether or not the Certificates are exempt from the arbitrage rebate requirements of Code § 148. Certificate proceeds deposited in the Project Fund that will be used to pay the costs of executing and delivering the Certificates may be invested without Yield restriction for 13 months.

(b) *Certificate Payment Fund and Prepayment Fund.* To the extent that the Certificate Payment Fund and the Prepayment Fund qualify, in the aggregate, as a Bona Fide Debt Service Fund, money in such funds may be invested without Yield restriction for 13 months after the date of deposit. Earnings on such amounts may be invested without Yield restriction for one year after the date of receipt of such earnings.

(c) *Minor Portion.* In addition to the amounts described above, Gross Proceeds not exceeding the Minor Portion may be invested without Yield restriction.

**Section 4.4. Procedures for Establishing Fair Market Value.**

(a) *General.* No Investment may be acquired with Gross Proceeds for an amount (including transaction costs) in excess of the fair market value of such Investment, or sold or otherwise disposed of for an amount (including transaction costs) less than the fair market value of the Investment. The fair market value of any Investment is the price a willing buyer would pay to a willing seller to acquire the Investment in a bona fide, arm's-length transaction. Fair market value will be determined in accordance with Regulations § 1.148-5.

(b) *Established Securities Market.* Except for Investments purchased for a Yield-restricted defeasance escrow, if an Investment is purchased or sold in an arm's-length transaction on an established

securities market (within the meaning of Code § 1273), the purchase or sale price constitutes the fair market value. Where there is no established securities market for an Investment, market value must be established using one of the paragraphs below. The fair market value of Investments purchased for a Yield-restricted defeasance escrow must be determined in a bona fide solicitation for bids that complies with Regulations § 1.148-5.

(c) *Certificates of Deposit.* The purchase price of a certificate of deposit (a “CD”) is treated as its fair market value on the purchase date if (1) the CD has a fixed interest rate, a fixed payment schedule, and a substantial penalty for early withdrawal, (2) the Yield on the CD is not less than the Yield on reasonably comparable direct obligations of the United States, and (3) the Yield is not less than the highest Yield published or posted by the CD issuer to be currently available on reasonably comparable CDs offered to the public.

(d) *Guaranteed Investment Contracts.* The purchase price of a Guaranteed Investment Contract is treated as its fair market value on the purchase date if all of the following requirements are met:

(1) Bona Fide Solicitation for Bids. The City makes a bona fide solicitation for the Guaranteed Investment Contract, using the following procedures:

(A) The bid specifications are in writing and are timely forwarded to potential providers.

(B) The bid specifications include all “material” terms of the bid. A term is material if it may directly or indirectly affect the Yield or the cost of the Guaranteed Investment Contract.

(C) The bid specifications include a statement notifying potential providers that submission of a bid is a representation (i) that the potential provider did not consult with any other potential provider about its bid, (ii) that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the City, the Trustee, or any other person (whether or not in connection with the bond issue), and (iii) that the bid is not being submitted solely as a courtesy to the City or any other person, for purposes of satisfying the requirements of the Regulations.

(D) The terms of the bid specifications are “commercially reasonable.” A term is commercially reasonable if there is a legitimate business purpose for the term other than to increase the purchase price or reduce the Yield of the Guaranteed Investment Contract.

(E) The terms of the solicitation take into account the City’s reasonably expected deposit and draw-down schedule for the amounts to be invested.

(F) All potential providers have an equal opportunity to bid. For example, no potential provider is given the opportunity to review other bids (*i.e.*, a last look) before providing a bid.

(G) At least three “reasonably competitive providers” are solicited for bids. A reasonably competitive provider is a provider that has an established industry reputation as a competitive provider of the type of Investments being purchased.

(2) Bids Received. The bids received must meet all of the following requirements:

(A) At least three bids are received from providers that were solicited as described above and that do not have a “material financial interest” in the issue. For this purpose, (i) a lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until 15 days after the Issue Date of the issue, (ii) any entity acting as a financial advisor with respect to the purchase of the Guaranteed Investment Contract at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue, and (iii) a provider that is a related party to a provider that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(B) At least one of the three bids received is from a reasonably competitive provider, as defined above.

(C) If an agent or broker is used to conduct the bidding process, the agent or broker did not bid to provide the Guaranteed Investment Contract.

(3) Winning Bid. The winning bid is the highest yielding bona fide bid (determined net of any broker’s fees).

(4) Fees Paid. The obligor on the Guaranteed Investment Contract certifies the administrative costs that it pays (or expects to pay, if any) to fourth parties in connection with supplying the Guaranteed Investment Contract.

(5) Records. The City and the Trustee (to the extent the Trustee is provided with such records) retain the following records with the Certificate documents until three years after the last outstanding Certificate is redeemed:

(A) A copy of the Guaranteed Investment Contract.

(B) The receipt or other record of the amount actually paid for the Guaranteed Investment Contract, including a record of any administrative costs paid by the City or the Trustee, and the certification as to fees paid, described in paragraph (d)(4) above.

(C) For each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results.

(D) The bid solicitation form and, if the terms of Guaranteed Investment Contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.

(e) *Other Investments.* If an Investment is not described above, the fair market value may be established through a competitive bidding process, as follows:

(1) at least three bids on the Investment must be received from persons with no financial interest in the Certificates (*e.g.*, as underwriters or brokers); and

(2) the Yield on the Investment must be equal to or greater than the Yield offered under the highest bid.

**Section 4.5. Certain Gross Proceeds Exempt from the Rebate Requirement.**

(a) *General.* A portion of the Gross Proceeds of the Certificates may be exempt from rebate pursuant to one or more of the following exceptions. The exceptions typically will not apply with respect to all Gross Proceeds of the Certificates and will not otherwise affect the application of the Investment limitations described in **Section 4.3** hereof. Unless specifically noted, the obligation to compute, and if necessary, to pay rebate as set forth in **Section 4.6** hereof applies even if a portion of the gross proceeds of the Certificates is exempt from the rebate requirement. To the extent all or a portion of the Certificates is exempt from Rebate, the Rebate Analyst may account for such fact in connection with its preparation of a rebate report described in **Section 4.6** hereof. The City may defer the final rebate Computation Date and the payment of rebate for the Certificates to the extent permitted by Regulations § 1.148-7(b)(1) and § 1.148-3(e)(2) but only in accordance with specific written instructions provided by the Rebate Analyst.

(b) *Applicable Spending Exceptions.*

(1) The City expects that at least 75% of the Available Construction Proceeds will be used for construction or rehabilitation expenditures for property owned by the City. The City expects to earn approximately \$0.00 in Investment earnings on Certificate proceeds in the Project Fund.

(2) The following optional rebate spending exceptions can apply to the Certificates:

(A) 6-month Exception (Code § 148(f)(4)(B) and Regulations § 1.148-7(c)).

(B) 18-month Exception (Regulations § 1.148-7(d)).

(C) 2-year Exception (Code § 148(f)(4)(C) and Regulations § 1.148-7(e)).

(c) *Special Elections Made with Respect to Spending Exception Elections.* No special elections are being made in connection with the application of the spending exceptions.

(d) *Bona Fide Debt Service Fund.* To the extent that the Certificate Payment Fund qualifies as a Bona Fide Debt Service Fund, Investment earnings in the account cannot be taken into account in computing arbitrage rebate (1) with respect to such portion that meets the 6-month, 18-month or 2-year spending exception, or (2) for a given Certificate Year, if the gross earnings on the Certificate Payment Fund for such Certificate Year are less than \$100,000. If the average annual debt service on the Certificates does not exceed \$2,500,000, the \$100,000 earnings test may be treated as satisfied in every Certificate Year.

(e) *Documenting Application of Spending Exception.* At any time prior to the first Computation Date, the City may engage the Rebate Analyst to determine whether one or more spending exceptions has been satisfied, and the extent to which the City must continue to comply with **Section 4.6** hereof.

(f) *General Requirements for Spending Exception.* The following general requirements apply in determining whether a spending exception is met.

(1) Using Adjusted Gross Proceeds or Available Construction Proceeds to pay principal of any Certificates is not taken into account as expenditure for purposes of meeting any of the spending tests.

(2) The six-month spending exception generally is met if all Adjusted Gross Proceeds of the Certificates are spent within six months following the Issue Date. The test may still be satisfied even if up to 5% of the sale proceeds remain at the end of the initial 6-month period, so long as this amount is spent within one year of the Issue Date.

(3) The 18-month spending exception generally is met if all Adjusted Gross Proceeds of the Certificates are spent in accordance with the following schedule:

| <b>Time Period<br/>After the<br/>Issue Date</b> | <b>Minimum<br/>Percentage of<br/>Adjusted Gross<br/>Proceeds<br/>Spent</b> |
|-------------------------------------------------|----------------------------------------------------------------------------|
| 6 months                                        | 15%                                                                        |
| 12 months                                       | 60%                                                                        |
| 18 months (Final)                               | 100%                                                                       |

(4) The 2-year spending exception generally is met if all Available Construction Proceeds are spent in accordance with the following schedule:

| <b>Time Period<br/>After the<br/>Issue Date</b> | <b>Minimum<br/>Percentage of<br/>Available<br/>Construction<br/>Proceeds Spent</b> |
|-------------------------------------------------|------------------------------------------------------------------------------------|
| 6 months                                        | 10%                                                                                |
| 12 months                                       | 45%                                                                                |
| 18 months                                       | 75%                                                                                |
| 24 months (Final)                               | 100%                                                                               |

(5) For purposes of applying the 18-month and 2 year spending exceptions only, the failure to satisfy the **final** spending requirement is disregarded if the City uses due diligence to complete the Financed Facilities and the failure does not exceed the lesser of 3% of the aggregate issue price of the Certificates or \$250,000. **No such exception applies for any other spending period.**

(6) For purposes of applying the 18-month and 2 year spending exceptions only, the Certificates meet the applicable spending test even if, at the end of the **final** spending period, proceeds not exceeding a Reasonable Retainage remain unspent, so long as such Reasonable Retainage is spent within 30 months (in the case of the 18-month exception) or 3 years (in the case of the 2 year spending test) after the Issue Date.

#### **Section 4.6. Computation and Payment of Arbitrage Rebate.**

(a) *Rebate Fund.* The Trustee will keep the Rebate Fund separate from all other funds and will administer the Rebate Fund under this Tax Agreement. Any Investment earnings derived from the

Rebate Fund will be credited to the Rebate Fund, and any Investment loss will be charged to the Rebate Fund.

(b) *Computation of Rebate Amount.* The Trustee will provide the Rebate Analyst investment reports relating to each fund held by the Trustee at such times as reports are provided to the City, and not later than ten days following each Computation Date. The City will provide the Rebate Analyst with copies of investment reports for any funds containing Gross Proceeds that are held by a party other than the Trustee annually as of the end of each Certificate Year and not later than ten days following each Computation Date. Each investment report provided to the Rebate Analyst will contain a record of each Investment, including (1) purchase date, (2) purchase price, (3) information establishing the fair market value on the date such Investment was allocated to the Certificates, (4) any accrued interest paid, (5) face amount, (6) coupon rate, (7) frequency of interest payments, (8) disposition price, (9) any accrued interest received and (10) disposition date. Such records may be supplied in electronic form. The Rebate Analyst will compute rebate (the “Rebate Amount”) following each Computation Date and deliver a written report to the Trustee and the City together with an opinion or certificate of the Rebate Analyst stating that arbitrage rebate was determined in accordance with the Regulations. Each report and opinion will be provided not later than 45 days following the Computation Date to which it relates. In performing its duties, the Rebate Analyst may rely, in its discretion, on the correctness of financial analysis reports prepared by other professionals. If the sum of the amount on deposit in the Rebate Fund and the value of prior rebate payments is less than the Rebate Amount, the City will, within 55 days after such Computation Date, pay to the Trustee the amount of the deficiency for deposit into the Rebate Fund. If the sum of the amount on deposit in the Rebate Fund and the value of prior rebate payments is greater than the Rebate Amount, the Trustee will transfer such surplus in the Rebate Fund to the Certificate Payment Fund. After the final Computation Date or at any other time if the Rebate Analyst has advised the Trustee, any money left in the Rebate Fund will be paid to the City and may be used for any purpose not prohibited by law.

(c) *Rebate Payments.* Within 60 days after each Computation Date, the Trustee must pay (but solely from money in the Rebate Fund or provided by the City) to the United States the Rebate Amount then due, determined in accordance with the Regulations. Each payment must be (1) accompanied by IRS Form 8038-T and such other forms, documents or certificates as may be required by the Regulations and (2) mailed or delivered to the IRS at the address shown below, or to such other location as the IRS may direct:

Internal Revenue Service Center  
Ogden, UT 84201

**Section 4.7. Successor Rebate Analyst.** If the firm acting as the Rebate Analyst resigns or becomes incapable of acting for any reason, or if the City desires that a different firm act as the Rebate Analyst, then the City by an instrument or concurrent instruments in writing delivered to the firm then serving as the Rebate Analyst and any other party to this Tax Agreement, will engage a successor Rebate Analyst. In each case the successor Rebate Analyst must be a firm of nationally recognized bond counsel or a firm of independent certified public accountants and such firm must expressly agree to undertake the responsibilities assigned to the Rebate Analyst hereunder. In the event the firm acting as the Rebate Analyst resigns or becomes incapable of acting for any reason, and the City fails to appoint a qualified successor Rebate Analyst within thirty (30) days following notice of such resignation, then the Trustee will appoint a firm to act as the successor Rebate Analyst.

**Section 4.8. Filing Requirements.** The Trustee (to the extent the Trustee has documentation in its possession or is required to have such information in its books and records) and the City will file or cause to be filed with the IRS such reports or other documents as are required by the Code in accordance with an Opinion of Special Tax Counsel.

**Section 4.9. Survival after Defeasance.** Notwithstanding anything in the Declaration to the contrary, the obligation to pay arbitrage rebate to the United States will survive the payment or defeasance of the Certificates.

## ARTICLE V

### MISCELLANEOUS PROVISIONS

**Section 5.1. Term of Tax Agreement.** This Tax Agreement will be effective concurrently with the delivery of the Certificates and will continue in force and effect until the earlier of (a) all of the Base Rentals represented by the Certificates have been fully paid and all such Certificates are cancelled or (b) the termination of the Lease; provided that, the provisions of **Section 4.2** hereof relating to record keeping shall continue in force for the period described therein for records to be retained.

**Section 5.2. Amendments.** This Tax Agreement may be amended from time to time by the parties to this Tax Agreement without notice to or the consent of any of the Certificate holders, but only if such amendment is in writing and is accompanied by an Opinion of Special Tax Counsel to the effect that, under then-existing law, assuming compliance with this Tax Agreement as so amended, such amendment will not cause the Interest Component of the Base Rentals to be included in gross income for federal income tax purposes. No such amendment will become effective until the City and the Trustee receive an Opinion of Special Tax Counsel as outlined herein.

**Section 5.3. Opinion of Special Tax Counsel.** The City and the Trustee may deviate from the provisions of this Tax Agreement if furnished with an Opinion of Special Tax Counsel addressed to each of them to the effect that the proposed deviation will not adversely affect the exclusion of the Interest Component of the Base Rentals represented by the Certificates from gross income for federal income tax purposes. The City and the Trustee will comply with any further or different instructions provided in an Opinion of Special Tax Counsel to the effect that the further or different instructions need to be complied with in order to maintain the validity of the Certificates or the exclusion from gross income of the Interest Component of the Base Rentals; provided that with respect to the Trustee any such instructions are within the scope of the Trustee's responsibilities as set forth in the Declaration.

**Section 5.4. Reliance.** In delivering this Tax Agreement, the City and the Trustee are making only those certifications and agreements as are specifically attributed to them in this Tax Agreement. Neither the City nor the Trustee is aware of any facts or circumstances which would cause it to question the accuracy of the facts, circumstances, estimates or expectations of any other party providing certifications as part of this Tax Agreement and, to the best of its knowledge, those facts, circumstances, estimates and expectations are reasonable. The parties to this Tax Agreement understand that their certifications will be relied upon by the law firm of Armstrong Teasdale LLP, in rendering its opinion as to the validity of the Certificates and the exclusion from federal gross income of the Interest Component of the Base Rentals.

**Section 5.5. Severability.** If any provision in this Tax Agreement or in the Certificates is determined to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not be affected or impaired.

**Section 5.6. Benefit of Agreement.** This Tax Agreement is binding upon the City and the Trustee and their respective successors and assigns, and inures to the benefit of the parties to this Tax Agreement and the owners of the Certificates. Nothing in this Tax Agreement or in the Declaration or the Certificates, express or implied, gives to any person, other than the parties to this Tax Agreement, and their successors and assigns, and the owners of the Certificates, any benefit or any legal or equitable right, remedy or claim under this Tax Agreement.

**Section 5.7. Default; Breach and Enforcement.** Any misrepresentation of a party contained herein or any breach of a covenant or agreement contained in this Tax Agreement may be pursued by the Owners of the Certificates or the Trustee pursuant to the terms of the Declaration or any other document which references this Tax Agreement and gives remedies for a misrepresentation or breach thereof.

**Section 5.8. Execution in Counterparts.** This Tax Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute the same instrument.

**Section 5.9. Governing Law.** This Tax Agreement will be governed by and construed in accordance with the laws of the State of Missouri.

**Section 5.10. Electronic Transactions.** The parties agree that the transaction described in this Tax Agreement may be conducted, and related documents may be sent, received or stored, by electronic means.

## EXHIBIT E

### SAMPLE FINAL WRITTEN ALLOCATION

#### Final Written Allocation

The undersigned is the Bond Compliance Officer of the City of Parkville, Missouri (the “City”) and in that capacity is authorized to execute federal income tax returns required to be filed by the City and to make appropriate elections and designations regarding federal income tax matters on behalf of the City. This allocation of the proceeds of the above-described tax-exempt obligations (the “Certificates”) is necessary for the City to satisfy ongoing reporting and compliance requirements under federal income tax laws.

*Purpose.* This document, together with the schedules and records referred to below, is intended to memorialize allocations of Certificate proceeds to expenditures for purposes of §§ 141 and 148 of the Internal Revenue Code of 1986, as amended (the “Code”). All allocations are or were previously made no later than 18 months following the date the expenditure was made by the City or, if later, the date the Project was Placed in Service (both as defined below), and no later than 60 days following the 5th anniversary of the Issue Date (as defined below).

*Background.* The Certificates were delivered on November 5, 2020 (the “Issue Date”), by BOKF, N.A., as trustee, pursuant to an Declaration of Trust dated as of July 1, 2021. The Certificates were delivered in order to provide funds (1) to pay a portion of the costs to acquire, construct, renovate, install, improve and equip certain improvements within the City (collectively, the “Project”), and (2) to pay the costs of executing and delivering the Certificates.

*Sources Used to Fund Project Costs and Allocation of Proceeds to Project Costs.* The sources and uses of Certificate proceeds and other legally available money of the City, if any, are shown on **Exhibit A** hereto.

*Identification of Financed Assets.* The portions of the Project financed from Certificate proceeds (i.e., the “Financed Facilities” referenced in the Tax Compliance Agreement) are listed on page 1 of **Exhibit B** hereto.

*Identification and Timing of Expenditures for Arbitrage Purposes.* For purposes of complying with the arbitrage rules, the City allocates the Certificate proceeds to the various expenditures described in the invoices, requisitions or other substantiation attached as **Exhibit B** hereto. In each case, the cost requisitioned was either paid directly to a fourth party or reimbursed the City for an amount it had previously paid or incurred. Amounts received from the sale of the Certificates and retained as underwriting discount are allocated to that purpose and spent on the Issue Date.

*Placed In Service.* The Project was Placed in Service on the date set out on **Exhibit B** hereto. For this purpose, the Financed Facilities are considered to be Placed in Service as of the date on which, based on all the facts and circumstances: (1) the constructing and equipping of the Financed Facilities have reached a degree of completion that would permit their operation at substantially their designed level and (2) the Financed Facilities are, in fact, in operation at that level.

This allocation has been prepared based on statutes and regulations existing as of this date. The City reserves the right to amend this allocation to the extent permitted by future Treasury Regulations or similar authorities.

[insert]

*\* The City reserves the right, after proposals are opened and prior to award, to increase or reduce the principal amount of the Series 2021A Certificates or the amount of any maturity or maturities in multiples of \$5,000. In the event the amount of any maturity is modified, the aggregate purchase price will be adjusted to result in the same gross spread per \$1,000 of Series 2021A Certificates as that of the original proposal. Gross spread for this purpose is the differential between the price paid to the City for the new issue and the prices at which the bid indicates the securities are initially offered to the investing public. The successful bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount of the Series 2021A Certificates or principal of any maturity as described herein. If there is an increase or decrease in the final aggregate principal amount of the Series 2021A Certificates or the schedule of principal payments as described above, the City will notify the successful bidder by means of telephone and subsequently confirmed in writing, or email transmission, no later than 2:00 P.M., Central Time, on the sale date. The actual purchase price for the Series 2021A Certificates shall be calculated by applying the percentage of par value bid by the successful bidder against the final aggregate principal amount of the Series 2021A Certificates, as adjusted.*

Bids for the Series 2021A Certificates may contain a maturity schedule providing for a combination of serial bonds and term bonds. All term bonds shall be subject to mandatory sinking fund redemption at a price of par plus accrued interest to the date of redemption and must conform to the maturity schedule set forth above. Each Series 2021A Certificate evidences the undivided interest of the Owner thereof in the right to receive Basic Rent) to be made by the City under the Lease Purchase Agreement between the Trustee and the City dated July 1, 2021 (the "Lease"). The Series 2021A Certificates are payable solely out of the Basic Rent and other money and investments held by the Trustee under the Declaration of Trust between the Trustee and the City dated July 1, 2021 (the "Declaration").

The City's obligation to make Basic Rent and other payments under the Lease is subject to annual appropriation by the City and will not constitute a debt or liability of the City, the State of Missouri or any political subdivision thereof, or an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. The execution and delivery of the Lease and the Series 2021A Certificates will not obligate the City to levy any form of taxation therefor or to make any appropriation for their payment in any fiscal year subsequent to a fiscal year in which the Lease is in effect.

Under the terms of the Lease, if the City elects to renew the Lease at the end of the initial term or any renewal term, it is obligated to budget, appropriate and set aside a portion of its revenues derived from user fees and other sources, which appropriation must be sufficient to make the Basic Rent coming due during the ensuing fiscal year. The City is obligated to make Basic Rent to the Trustee on the 15th of each month preceding each Payment Date, which payments will be distributable as principal and interest with respect to the Certificates (but only if the City elects to renew the Lease for each Renewal Term).

**There can be no assurance that the City will appropriate funds for Basic Rent or renew the Lease after the initial term. The City is not legally required to budget or appropriate money for any subsequent fiscal year beyond the current fiscal year. The Lease does not convey any interest in real property.**

Capitalized terms used in this section and not otherwise defined have the meaning set forth in the Lease.

## TAX EXEMPTION OF INTEREST

The interest on the Series 2021A Certificates is excludable from gross income for federal and Missouri income tax purposes. The Series 2021A Certificates have been designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

## BIDDING PARAMETERS

Bids shall be for not less than \$[principal amount] (Par) plus accrued interest, if any, on the total principal amount of the Series 2021A Certificates. No bid can be withdrawn or amended after the time set for receiving bids on the Sale Date unless the meeting of the City scheduled for award of the Series 2021A Certificates is adjourned, recessed, or continued to another date without award of the Series 2021A Certificates having been made. Rates shall be in integral multiples of 5/100 or 1/8 of 1%. The initial price to the public for each maturity as stated on the bid must be 98.0% or greater. Series 2021A Certificates of the same maturity shall bear a single rate from the date of the Series 2021A Certificates to the date of maturity. No conditional bids will be accepted.

## GOOD FAITH DEPOSIT

To have its bid considered for award, the Purchaser is required to submit a good faith deposit via wire transfer to the City in the amount of \$ \_\_\_\_\_ (the "Deposit") no later than 2:00 P.M., Central Time on the Sale Date. The Purchaser shall be solely responsible for the timely delivery of its Deposit, and neither the City nor Baker Tilly MA have any liability for delays in the receipt of the Deposit. If the Deposit is not received by the specified time, the City may, at its sole discretion, reject the bid of the lowest bidder, direct the second lowest bidder to submit a Deposit, and thereafter award the sale to such bidder.

A Deposit will be considered timely delivered to the City upon submission of a federal wire reference number by the specified time. Wire transfer instructions will be available from Baker Tilly MA following the receipt and tabulation of bids. The successful bidder must send an e-mail including the following information: (i) the federal reference number and time released; (ii) the amount of the wire transfer; and (iii) the issue to which it applies.

Once an award has been made, the Deposit received from the Purchaser will be retained by the City and no interest will accrue to the Purchaser. The amount of the Deposit will be deducted at settlement from the purchase price. In the event the Purchaser fails to comply with the accepted bid, said amount will be retained by the City.

## AWARD

The Series 2021A Certificates will be awarded to the bidder offering the lowest interest rate to be determined on a true interest cost (TIC) basis. The City's computation of the interest rate of each bid, in accordance with customary practice, will be controlling.

The City will reserve the right to: (i) waive non-substantive informalities of any bid or of matters relating to the receipt of bids and award of the Series 2021A Certificates, (ii) reject all bids without cause, and (iii) reject any bid that the City determines to have failed to comply with the terms herein.

The Purchaser will be required to execute a standard "issue price" certificate at closing.

## BOND INSURANCE AT PURCHASER'S OPTION

The City has not applied for or pre-approved a commitment for any policy of municipal bond insurance with respect to the Series 2021A Certificates. If the Series 2021A Certificates qualify for municipal bond insurance and a bidder desires to purchase a policy, such indication, the maturities to be insured, and the name of the desired insurer must be set forth on the bidder's Official Bid Form. The City specifically reserves the right to reject any bid specifying municipal bond insurance, even though such bid may result in the lowest TIC to the City. All costs associated with the issuance and administration of such policy and associated ratings and expenses (other than any independent rating requested by the City) shall be paid by the successful bidder. Failure of the municipal bond insurer to issue the policy after the award of the Series 2021A Certificates shall not constitute cause for failure or refusal by the successful bidder to accept delivery of the Series 2021A Certificates.

## RATING

A rating has been requested from S&P Global Ratings for the Series 2021A Certificates. The rating is subject to withdrawal or modification at any time; withdrawal or modification of the rating may have an adverse effect on the marketability of the Series 2021A Certificates. For an explanation of the significance of the rating, an investor should communicate with the rating agency.

## CUSIP NUMBERS

If the Series 2021A Certificates qualify for the assignment of CUSIP numbers such numbers will be printed on the Series 2021A Certificates; however, neither the failure to print such numbers on any Series 2021A Bond nor any error with respect thereto will constitute cause for failure or refusal by the Purchaser to

accept delivery of the Series 2021A Certificates. Baker Tilly MA will apply for CUSIP numbers pursuant to Rule G- 34 implemented by the Municipal Securities Rulemaking Board. The CUSIP Service Bureau charge for the assignment of CUSIP identification numbers shall be paid by the Purchaser.

#### SETTLEMENT

On or about July \_\_, 2021, the Series 2021A Certificates will be delivered without cost to the Purchaser through DTC in New York, New York. Delivery will be subject to receipt by the Purchaser of an approving legal opinion of Armstrong Teasdale LLP, Kansas City, Missouri and of customary closing papers, including a no-litigation certificate. On the date of settlement, payment for the Series 2021A Certificates shall be made in federal, or equivalent, funds that shall be received at the offices of the City or its designee not later than 12:00 Noon, Central Time. Unless compliance with the terms of payment for the Series 2021A Certificates has been made impossible by action of the City, or its agents, the Purchaser shall be liable to the City for any loss suffered by the City by reason of the Purchaser's non-compliance with said terms for payment.

#### CONTINUING DISCLOSURE

In order to permit prospective bidders for the Series 2021A Certificates and other participating underwriters in the primary offering of the Series 2021A Certificates to comply with paragraph (b)(5) of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Rule"), the City will covenant and agree, for the benefit of the registered holders or beneficial owners from time to time of the outstanding Series 2021A Certificates, in a Continuing Disclosure Undertaking, to provide annual reports of specified information and notice of the occurrence of certain events, if material, as described in the Official Statement. The information to be provided on an annual basis, the events as to which notice is to be given, and other provisions of the Continuing Disclosure Undertaking, including termination, amendment and remedies, are summarized in the Official Statement.

#### OFFICIAL STATEMENT

The City has authorized the preparation of a Preliminary Official Statement containing pertinent information relative to the Series 2021A Certificates and said Preliminary Official Statement has been deemed final by the City as of the date thereof within the meaning of Rule 15c2-12 of the Securities and Exchange Commission. For an electronic copy of the Preliminary Official Statement and the Official bid Form or for any additional information prior to sale, any prospective purchaser is referred to the Municipal Advisor to the City, Baker Tilly Municipal Advisors, LLC, by telephone (651) 223-3000, or by email [bondservice@bakertilly.com](mailto:bondservice@bakertilly.com). The Preliminary Official Statement will also be made available at <https://go.bakertilly.com/bond-sales-calendar>.

A Final Official Statement (as that term is defined in Rule 15c2-12) will be prepared, specifying the maturity dates, principal amounts and interest rates of the Series 2021A Certificates, together with any other information required by law. By awarding the Series 2021A Certificates to the Purchaser, the City agrees that, no more than seven business days after the date of such award, it shall provide to the Purchaser an electronic copy of the Final Official Statement. The City designates the Purchaser as its agent for purposes of distributing the Final Official Statement to each syndicate member, if applicable. Such Underwriter agrees that if its bid is accepted by the City, (i) it shall accept designation and (ii) it shall enter into a contractual relationship with its syndicate members for purposes of assuring the receipt of the Final Official Statement by each such syndicate member.

**CITY OF PARKVILLE  
Policy Report**

Date: June 2, 2021

Prepared By:

Stephen Lachky, Community Development Director

Reviewed By:

Joe Parente, City Administrator

ISSUE:

Hold a public hearing and approve the first reading of an ordinance to extend the city limits by voluntary annexation to include real estate in unincorporated Platte County, generally located along the easterly line of the Thousand Oaks 16th Plat - Forest Park Development LLC, applicant (Community Development)

BACKGROUND:

On January 5, 2021, the Board of Aldermen adopted Ordinance No. 3057 approving the Thousand Oaks – 23rd Plat, Final Plat (56 single-family residential lots and 1 tract of private open space); as well as Ordinance No. 3058 approving the Thousand Oaks – 24th Plat, Final Plat (71 single-family residential lots and 1 tract of private open space). Both of these plats contain lots, tracts and right-of-way that were split between the Parkville municipal limits and unincorporated Platte County boundaries (see Attachments 3-4 by reference). As a result, two of the conditions of approval by the Board of Aldermen were:

1. Submittal of a valid Voluntary Annexation Petition for the portion of property included in the plat currently located outside of the existing city boundaries, and said property is thereafter annexed into City of Parkville municipal limits via ordinance.
2. Submittal of an Application for Zoning Map Amendment for the portion of property annexed into City of Parkville municipal limits, to rezone said annexed property to a Parkville City zoning district via ordinance.

The applicant has submitted a Voluntary Annexation Petition (see Attachment 2) to the Community Development Department to suffice the former of the two conditions. The petition proposes voluntarily annexing one parcel of land (26.98 acres, more or less) generally located to the east of the Thousand Oaks Sixteenth Plat subdivision from Unincorporated Platte County into the Parkville municipal limits (see Attachments 3-4). It should be noted that the applicant has also submitted an Application for Zoning Map Amendment (Case No. PZ 2021-19) in conjunction with the Voluntary Annexation Petition; however, the Board of Aldermen cannot consider said application until its regular meeting on July 6, 2021, due to protest petition requirements of Section 403.030, Subsection C.

Neither the Parkville Municipal Code nor Missouri Revised Statutes provide any guidance for considering proposed voluntary or involuntary annexations; however, the Parkville 2040 Master Plan contains policy recommendations for considering voluntary annexation petitions, specifically for

protecting Parkville's borders and preserving its character as the community grows; this includes:

- Continue to require new development to be fully served by adequate public infrastructure including paved streets, sidewalks, trails, water and sewer service.
- Discourage the development of private roads to serve new single-family subdivision.
- Create an ordinance to preserve areas with significant tree cover.
- Support and encourage in-fill, redevelopment that is consistent with the adopted comprehensive master plan.
- Only approve rezoning and development proposals that are consistent with the adopted comprehensive master plan and future land use map.

These factors for consideration are addressed in the staff analysis reports for the various preliminary plat, final plat, and zoning map amendment applications for the Thousand Oaks 23rd & 24th Plats (see Attachments 14-16 and 18 by Reference). In summary, all of the recommendations above can be met: The developer is providing adequate public infrastructure per the platting of the 23rd & 24th Plats; all roads will be public and maintained by the City of Parkville; the developer is preserving 26.37 acres (more or less) of natural tree cover per dedicated private open space tracts in the subdivisions; Low-Density Residential land use is projected for the subject property area, which is consistent with the single-family home uses in the approved Thousand Oaks 23rd & 24th Plat subdivisions; and the proposed rezoning via the accompanying Case No. PZ 2021-19 is consistent with the Parkville 2040 Master Plan and its future land use map.

#### BUDGET IMPACT:

With the exception of application and permit fees collected, there is no immediate budget impact. Long-term impacts would be realized from changes in property taxes and sales taxes collected from the site and proposed development, and impacts to the same for area properties and other businesses.

#### ALTERNATIVES:

1. Approve the first reading of an ordinance approving the Voluntary Annexation Petition as recommended by staff.
2. Approve the first reading of an ordinance approving the Voluntary Annexation Petition, subject to changes directed by the Board of Aldermen.
3. Deny the Voluntary Annexation Petition.
4. Postpone the item.

#### FINANCE COMMITTEE RECOMMENDATION:

The item was not presented to the Finance Committee, but is being taken directly to the Board of Aldermen for consideration.

#### STAFF RECOMMENDATION:

Staff recommends the Board of Aldermen approve the first reading of an ordinance extending the limits of the City of Parkville by voluntary annexation to include described real estate in Unincorporated Platte County, Mo. generally located along the easterly line of the Thousand Oaks Sixteenth Plat subdivision -- Platte County parcel no. 20-9.0-29-000-000-006.001 (26.98 acres, more or less).

### POLICY:

Per 71.012 RSMo, annexation must be approved by ordinance following Board determination that the property to be annexed is contiguous and compact to the existing corporate limits, that the annexation is reasonable and necessary to the proper development of the city and that the City has the ability to furnish normal municipal services to the area to be annexed within a reasonable time (see Attachment 5).

Additionally Per 71.012 RSMo, once a request for voluntary annexation is received by the City, the governing body shall hold a public hearing concerning the matter not less than fourteen (14) nor more than sixty (60) days after the petition is received. Further, notice of the hearing shall be published in a newspaper of general circulation, and the hearing shall be held not less than seven (7) days after notice of the hearing is published (see Attachment 6).

At the public hearing any interested person, corporation or political subdivision may present evidence regarding the proposed annexation. If, after holding the hearing, the governing body of the city determines that the annexation is reasonable and necessary to the proper development of the city, and the city has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may  $\frac{3}{4}$  subject to the provisions of Section 71.012  $\frac{3}{4}$  annex the territory by ordinance without further action.

The Board of Aldermen must approve two readings of the ordinance to become effective. Rule 5, Agendas, of the Board's adopted Rules of Order, states "The first reading of an ordinance will be read on the action agenda and the second and final reading will be read the next subsequent meeting on the consent agenda, unless the item is a time-sensitive matter in which it may be approved during the same meeting."

### SUGGESTED MOTION:

I move to approve Bill No. 3125, an ordinance extending the limits of the City of Parkville by voluntary annexation to include described real estate in unincorporated Platte County, generally located along the easterly line of the Thousand Oaks 16th Plat subdivision - Platte County Parcel No. 20-9.0-29-000-000-006.001 (26.98 acres, more or less), on first reading and postpone the second reading to July 6, 2021.

## Chapter 71 Provisions Relative to All Cities and Towns

### Section 71.012.1

August 28, 2015

---

#### **Annexation procedure, hearing, exceptions (Perry County, Randolph County)--contiguous and compact defined--common interest community, cooperative and planned community, defined--objection, procedure.**

71.012. 1. Notwithstanding the provisions of sections [71.015](#) and [71.860](#) to [71.920](#), the governing body of any city, town or village may annex unincorporated areas which are contiguous and compact to the existing corporate limits of the city, town or village pursuant to this section. The term "contiguous and compact" does not include a situation whereby the unincorporated area proposed to be annexed is contiguous to the annexing city, town or village only by a railroad line, trail, pipeline or other strip of real property less than one-quarter mile in width within the city, town or village so that the boundaries of the city, town or village after annexation would leave unincorporated areas between the annexed area and the prior boundaries of the city, town or village connected only by such railroad line, trail, pipeline or other such strip of real property. The term contiguous and compact does not prohibit voluntary annexations pursuant to this section merely because such voluntary annexation would create an island of unincorporated area within the city, town or village, so long as the owners of the unincorporated island were also given the opportunity to voluntarily annex into the city, town or village. Notwithstanding the provisions of this section, the governing body of any city, town or village in any county of the third classification which borders a county of the fourth classification, a county of the second classification and the Mississippi River may annex areas along a road or highway up to two miles from existing boundaries of the city, town or village or the governing body in any city, town or village in any county of the third classification without a township form of government with a population of at least twenty-four thousand inhabitants but not more than thirty thousand inhabitants and such county contains a state correctional center may voluntarily annex such correctional center pursuant to the provisions of this section if the correctional center is along a road or highway within two miles from the existing boundaries of the city, town or village.

2. (1) When a notarized petition, requesting annexation and signed by the owners of all fee interests of record in all tracts of real property located within the area proposed to be annexed, or a request for annexation signed under the authority of the governing body of any common interest community and approved by a majority vote of unit owners located within the area proposed to be annexed is presented to the governing body of the city, town or village, the governing body shall hold a public hearing concerning the matter not less than fourteen nor more than sixty days after the petition is received, and the hearing shall be held not less than seven days after notice of the hearing is published in a newspaper of general circulation qualified to

publish legal matters and located within the boundary of the petitioned city, town or village. If no such newspaper exists within the boundary of such city, town or village, then the notice shall be published in the qualified newspaper nearest the petitioned city, town or village. For the purposes of this subdivision, the term "common-interest community" shall mean a condominium as said term is used in chapter 448, or a common-interest community, a cooperative, or a planned community.

(a) A "common-interest community" shall be defined as real property with respect to which a person, by virtue of such person's ownership of a unit, is obliged to pay for real property taxes, insurance premiums, maintenance or improvement of other real property described in a declaration. "Ownership of a unit" does not include a leasehold interest of less than twenty years in a unit, including renewal options;

(b) A "cooperative" shall be defined as a common-interest community in which the real property is owned by an association, each of whose members is entitled by virtue of such member's ownership interest in the association to exclusive possession of a unit;

(c) A "planned community" shall be defined as a common-interest community that is not a condominium or a cooperative. A condominium or cooperative may be part of a planned community.

(2) At the public hearing any interested person, corporation or political subdivision may present evidence regarding the proposed annexation. If, after holding the hearing, the governing body of the city, town or village determines that the annexation is reasonable and necessary to the proper development of the city, town or village, and the city, town or village has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may, subject to the provisions of subdivision (3) of this subsection, annex the territory by ordinance without further action.

(3) If a written objection to the proposed annexation is filed with the governing body of the city, town or village not later than fourteen days after the public hearing by at least five percent of the qualified voters of the city, town or village, or two qualified voters of the area sought to be annexed if the same contains two qualified voters, the provisions of sections [71.015](#) and [71.860](#) to [71.920](#), shall be followed.

3. If no objection is filed, the city, town or village shall extend its limits by ordinance to include such territory, specifying with accuracy the new boundary lines to which the city's, town's or village's limits are extended. Upon duly enacting such annexation ordinance, the city, town or village shall cause three certified copies of the same to be filed with the county assessor and the clerk of the county wherein the city, town or village is located, and one certified copy to be filed with the election authority, if different from the clerk of the county which has jurisdiction over the area being annexed, whereupon the annexation shall be complete and final and thereafter all courts of this state shall take judicial notice of the limits of that city, town or village as so extended.

4. That a petition requesting annexation is not or was not verified or notarized shall not affect the validity of an annexation heretofore or hereafter undertaken in accordance with this section.

5. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within five years of the date of adoption of the annexation ordinance.

## Memorandum

**To:** City of Parkville Mayor and Board of Aldermen  
**From:** Sean Ackerson, AICP, Community Development Director  
**Date:** Monday, November 21, 2011  
**RE:** **Voluntary Annexation Procedure Overview**

---

In order to aide the Board in consideration of voluntary annexation petitions I have prepared a summary of the applicable procedures as well as a list of annexation considerations to be used as a guideline when considering voluntary annexation requests.

### Procedural Summary

Following is a summary of the requirements for voluntary annexation per the Missouri Revised Statutes, Section 71.012 (also see attached).

When a request for voluntary annexation is received by the City, the Governing Body shall hold a public hearing concerning the matter not less than 14 nor more than 60 days after the petition is received. The hearing shall be held not less than seven days after notice of the hearing is published. No other notification is required.<sup>1</sup>

During the public hearing anyone may present evidence regarding the proposed annexation. At the conclusion of the hearing the Governing Body must determine that the annexation is "reasonable and necessary to the proper development of the city", and the city "has the ability to furnish normal municipal services to the area to be annexed within a reasonable time." If the Board makes these conclusions the territory may be annexed by ordinance after a 14-day protest period unless a valid objection is filed.

If a written objection is filed within 14 days after the public hearing by at least five percent of the qualified voters in Parkville, additional procedures must be followed. The procedures include additional review, consideration and findings, public notice, a public hearing and additional votes per the provisions of sections 71.015 and 71.860 to 71.920 of the Missouri Revised Statutes.

Rarely are any objections filed against voluntary annexations. If no objection is filed, the City limits are extended by ordinance to include the new area. After approving the ordinance, three certified copies of the ordinance must be filed with the County Assessor and Clerk. An additional certified copy must be filed with the County Election Board.

<sup>1</sup> As a courtesy, staff contacts the County and local utility/service providers to allow for review and comment prior to submittal to the Governing Body.

## Annexation Considerations

The Parkville Municipal Code does not provide any guidance in considering proposed voluntary or involuntary annexations. Similarly, the statutory requirements for annexation provide little direction as to how a community should evaluate proposed annexation. The Parkville Master Plan, however, does provide guidance by identifying annexation priorities and relevant factors to be considered. The factors include:

- **Municipal Services:** Ability to provide or extend major municipal services to the area while maintaining adequate services to current residents. Such services may include, police public safety services, parks and recreation, streets, storm water management, building safety, planning and zoning, code enforcement and other basic services.
  - ☐ Would the City provide sanitary sewer services and if so does the City have adequate capacity to serve the property?
  - ☐ Does the City have adequate police, public works (utilities, street maintenance, and parks and recreation), and administrative services to serve the property? If not, are services planned for the near future?
  - ☐ What cumulative impacts will the proposed annexation have on municipal services in the City, and how will the City provide such services to the property?
  - ☐ Will any off-site improvements/accommodations be required to serve the property? If so, how will they be paid for?
  - ☐ Is the existing infrastructure built to the minimum City standards? If not, are maintenance costs increased creating an undue burden on the City?
  - ☐ Does the age of the infrastructure increase maintenance costs creating an undue burden on the City?
  - ☐ Is the property logically served by extension of City services?
  - ☐ Does the proposed annexation help improve existing service boundaries (square-off boundaries, provide more efficient service routes, clarify service areas, etc.)?
- **Protect Existing Development:** Ability for the City to protect undeveloped areas from premature or low-density development which limits logical growth and efficient provision of services.
- **Manage Growth:** Ability to require and manage quality urban development and land uses in a manner consistent with the recommendations of the City's Master Plan.
  - ☐ Is the proposed annexation consistent with the goals, objectives, policies and recommendations of the Parkville Master Plan?
  - ☐ Does the proposed annexation help implement the Parkville Master Plan or other adopted City plan (parkland, road connections, service connections, etc.)?
  - ☐ Does the annexation provide for the orderly development of the City?
  - ☐ Is the property contiguous to the City limits and expected to be influenced by City growth?
  - ☐ Is it likely that significant growth will be experienced in the general area?
  - ☐ Are residents of the area directly or indirectly dependent upon the City for governmental services and for social, economic, employment, cultural and recreational opportunities and resources?
  - ☐ Does the annexation follow established City policies and precedent?
  - ☐ Does annexation set a new precedent?
  - ☐ Is the annexation strategic to implementing projected annexation plans?
- **Improve Valuation:** Ability to improve the valuation of the community at-large without creating a financial burden upon current residents.

- **Ensure Quality Development:** Ability to ensure quality development consistent with the existing or desired character of the City.
- **Implement Goals:** Ability to help further any identified goals/policies/objectives of the City (e.g. provide a broad range of housing/employment options, preserve natural or historic amenities, etc.)

These considerations are provided as a guide only. The Board is not limited to these considerations. All or none of these factors may be relevant to a specific application and some considerations may be determined to be more important and out-weigh others. These considerations are intended to assist the City and applicants by providing a general framework within which to evaluate annexation petitions.

Ultimately these considerations are intended to help answer the primary question:

***Is the annexation in the best interest of the City as a whole?***

ISSUE:

Approve the first reading of an ordinance approving the final plat of The Woods At Creekside Third Plat - Case No. PZ 2021-22; Parkville Development 140 LLC, applicant (Community Development)

BACKGROUND:

On September 11, 2018; October 9, 2018; and October 10, 2018, the Planning and Zoning Commission held public hearings to consider an Application for Preliminary Development Plan for The Woods At Creekside & Creekside Village planned residential development consisting of 118 single-family homes and 176 townhome units in 44 buildings on the northwest quadrant of I-435 and MO-Hwy 45. The plan proposes re-platting the subject property and creating internal circulation, public streets, and access off of MO-Hwy 45 to serve the development (see Attachment 3 by Reference). The Planning and Zoning Commission recommended approval by a vote of 9-0, subject to conditions; and on November 6, 2018 the Board of Aldermen approved the preliminary development plan via Ordinance No. 2971. The subject property was zoned "R-4-P" Mixed-Density Residential via ordinance no. 2970 which permits single-family homes.

Applicant Brian Mertz of Parkville Development 140, LLC has submitted an application for subdivision – final plat for the Final Plat of The Woods At Creekside Third Plat, a subdivision (4.80 acres, more or less) generally located on the northwest quadrant of the intersection of I-435 and MO-Hwy 45 in Parkville, Missouri (see Attachment 5). The subject area property of the final plat resides within Platte County parcel #20-4.0-18-000-000-010.003 (35.38 acres, more or less). The final plat proposes implementing the third phase of The Woods At Creekside by platting public right-of-way for Ryan Circle (local road), as well as 23 lots for single-family homes and 1 tract for private open space (see Attachments 3-4).

Staff reviewed the application (Case No. PZ 2021-22) against the Parkville 2040 Master Plan; Parkville Municipal Code and its applicable zoning code and subdivision regulations; adequate utilities, grading and drainage requirements, and stormwater management requirements (see Attachment 6). The application was also reviewed against the previously-approved The Woods At Creekside & Creekside Village preliminary development plan. Following review, staff determined the proposed subdivision is substantially consistent with the preliminary plat despite minor changes made to the street design, block and lot layout, and is in compliance with the purposes and intent of the City's Development Code.

BUDGET IMPACT:

With the exception of application and permit fees and any incremental increases from real estate and personal property taxes, there is no budgetary impact.

ALTERNATIVES:

1. Approve the first reading of the ordinance.
2. Approve the first reading of the ordinance, subject to changes directed by the Board of Aldermen.
3. Deny the final plat.
4. Postpone the item.

FINANCE COMMITTEE RECOMMENDATION:

This item was not presented before the Finance Committee. Rather, the Planning and Zoning Commission considered the application at their June 8, 2021 meeting, and following discussion recommended approval of the final plat (by a vote of 8-0).

STAFF RECOMMENDATION:

Staff recommends that the Board of Aldermen approve the first reading of the ordinance.

POLICY:

Applications for Subdivision – Final Plat must be approved by the Board of Aldermen following review and recommendation by the Planning and Zoning Commission as outlined in Table 403-1: Procedures Summary of the Parkville Municipal Code. Per Section 403.020, E. if the Planning Commission recommends approval or conditionally approves the final plat, the plat shall be forwarded to the Board of Aldermen.

The Board of Aldermen must approve two readings of the ordinance to become effective. Rule 5, Agendas, of the Board's adopted Rules of Order, states "The first reading of an ordinance will be read on the action agenda and the second and final reading will be read the next subsequent meeting on the consent agenda, unless the item is a time-sensitive matter in which it may be approved during the same meeting."

SUGGESTED MOTION:

I move to approve Bill No. 3126, an ordinance approving the final plat of The Woods At Creekside, Third Plat, a subdivision in the City of Parkville, Platte County, Missouri, on first reading and postpone the second reading to July 6, 2021.
